Goodbye, Guns N' Roses Art Tavana, 2021-04-13 Goodbye Guns N Roses transports the reader into a mind altering trip through the colors scandals nihilism and mythology that make Guns N Roses so much more than another hair metal band A valentine and a breakup letter to one of rock s most controversial bands Goodbye Guns N Roses is a genre rattling attempt to explain the appeal of America s most divisive rock band While it includes uncharted history and the self lacerating connoisseurship of a Guns N Roses fetishist it is not a recycled chronicle this book is a deconstruction of myth one that blends high and low art sketches to examine how Guns N Roses impacted popular culture Unlike those who have penned other treatments of what might be considered a clich d subject Art Tavana is not writing as a GNR patriot or former employee His book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR s explosive appeal After circling the band s three decade plundering of American culture Goodbye Guns N Roses uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance This is not a rock bio but a biography of taste that treats a former hair metal band like a decomposing masterpiece This is the first Guns N Roses book written for everyone from the Sunset Strip to a hyper digital generation s connection to Woke Axl it is a pop investigation that dodges no bullets **69 Things To Do With A Dead Princess** Stewart Home, 2012-03-01 This is where
