A Dead Man's Tale James D. Doss, 2010-11-09 Charlie Moon Ute rancher and investigator isn t afraid to throw the dice even when a man s life is at stake but when that man is betting against himself and Moon s ability to save him that makes for some awfully high stakes Hard times have come to Colorado and Moon s ranch is feeling the pinch Investor Samuel Reed has never had that problem He seems to have a special intuition when it comes to picking stocks and claims to be able to remember the future which gives him quite a leg up on Wall Street So it s no surprise that Reed is confident when he makes a wager with Moon s best friend Granite City Chief of Police Scott Parish that Parish can t keep him alive Even when Reed doesn t give them any details beyond the date and time of his impending demise that s more than enough information for Moon who wants in on the action and is just as confident that he s well on the way to saving his ranch But Moon s best plans go awry when instead of one homicide on his hands he ends up with two James D Doss infuses the pages of A Dead Man s Tale the fifteenth in his popular series with his potent brand of high spirits and homespun humor that has made him a favorite among mystery readers
