Goodbye sleeping beauty, 1983 **Goodbye Sleeping Beauty** Madonna Kolbenschlag, 1979 *Kiss Sleeping Beauty* Good-bye Madonna Kolbenschlag, 1981 Using female fairy tale characters as models for the different feminine roles Kolbenschlag explains that the dependent roles of Sleeping Beauty Goldilocks and others have been replaced by a stronger more independent woman seeking her own place in the world **Ungodly Rage** Donna Steichen, 1991-01-01 Written by a Catholic journalist who has investigated feminism on its own ground this remarkable book fully exposes the hidden face of Catholic feminism for the first time revealing its theoretical and psychological roots in loss of faith A definitive account of a movement impelled by vengeful rage to revolt against all spiritual authority **Media Analysis Techniques** Arthur Asa Berger, 2005 Providing concise explanations of four perspectives on media analysis semiological psychoanalytical sociological and Marxist and demonstrating their application this second edition will help students to understand crucial concepts

Fairy Tales on the Teen Screen Athena Bellas, 2017-10-10 This book examines how the fairy tale is currently being redeployed and revised on the contemporary teen screen The author redeploys Victor Turner s work on liminality for a feminist agenda providing a new and productive method for thinking about girlhood onscreen While many studies of teenagehood and teen film briefly invoke Turner s concept it remains an underdeveloped framework for thinking about youth onscreen The book s broad scope across teen media including film television and online media contributes to the need for contemporary analysis and theorisation of our multimedia cultural climate **Kiss Sleeping Beauty Good-bye** Madonna Kolbenschlag, 1988 Offers a sophisticated synthesis of literary psychological and theological insights challenging women to grow to their full potential as Christians Prov de l editor **Once Upon a Time There was a Little Girl** Marcella Hannon Shields Ph. D., 2008-07 Once Upon a Time There Was a Little Girl shares the moving stories of seven women who as young girls experienced the early loss of their mothers through death or physical or emotional abandonment The women explore their personal traumas through their responses to seven fairy tales in which there was no nurturing maternal presence Dr Marcella Shields is a psychologist with over thirty years of experience who reveals the inspiring journeys of these women who eventually triumph over suffering and learn to rely on the bond they have formed with each other to help reclaim their passion for life By exploring seven timeless fairy tales in which the heroine finds her way through the grief of abandonment the women offer a deeper understanding of the significance of the mother daughter bond and the devastating consequences for the daughter if this bond is ruptured early The poignant life stories and dreams courageously offered by these women show how fairy tales allowed them to understand and refashion themselves and provide a source of encouragement and hope for other women who have experienced early maternal loss Fathers raising daughters without a consistent maternal presence will also find the reflections valuable **Red Riding Hood and the Wolf in Bed** Ann Martin, 2006-01-01 Drawing on theoretical paradigms from gender and cultural studies Martin develops a participatory model of modernist literature and

culture Sex, Race, and God Susan Thistlethwaite, 2009-04-01 Sex Race and God is the impassioned manifesto of a white feminist s reckoning with the meaning of race including her own whiteness in doing theology We should be discussing and acting on many of Thistlethwaite s insights for quite some time She has made a vital contribution to the feminist theological enterprise and to the critical relationship between black and white women in it Carter Heyward Sex Race and God is a sincere attempt to listen to and learn from African American women a serious and largely successful effort to create a method that addresses differences rather than proposing wishful commonalities Many women of color will find it promising a basis for dialogue The Women s Review of Books This pivotal book illuminates a significant ongoing debate at the intersection of two fields contemporary theology and feminist studies Choice Thistlethwaite does what so few white feminists have done genuinely interact with and learn from the strong differences in experience and perspective between African American women and European American women The Other Side **Abortion and Dialogue** Ruth Colker, 1992-09-22 The issues she takes on are crucial not solely the subject areas of reproductive rights and law or public policy lenses and judicial impact in women s and children s lives but also the more difficult and fundamental questions of how these hot topics can be approached so as to make the most of the good will of all and the force of free discussion for social learning she brings a strong evolving and distinctive perspective to the discussion Emily Fowler Hartigan In Abortion and Dialogue Ruth Colker argues that the state falsely views the woman and the fetus as having conflicting needs when it intervenes in decisions regarding pregnancies Colker s feminist theological perspective on reproductive health issues encourages both pro choice and pro life advocates to consider how the value of life is implicated in discussions of reproduction Colker argues that theology can contribute to our understanding if we apply the concepts of love compassion and wisdom to problems identified by feminist theory and to actual concrete situations the impact of abortion regulations on poor female adolescents the judicial treatment of abortion regulations state intervention into women s decision making during pregnancies carried to term Colker concludes by examining effective and respectful family planning strategies that truly help women in making reproductive choices **The Disobedient Writer** Nancy A. Walker, 1995 For centuries women who aspired to write had to enter a largely male literary tradition that offered few if any literary forms in which to express their perspectives on lived experience Since the nineteenth century however women writers and readers have been producing disobedient counter narratives that while clearly making reference to the original texts overturn their basic assumptions This book looks at both canonical and non canonical works over a variety of fiction and nonfiction genres that offer counter readings of familiar Western narratives Nancy Walker begins by probing women s revisions of two narrative traditions pervasive in Western culture the biblical story of Adam and Eve and the traditional fairy tales that have served as paradigms of women s behavior and expectations She goes on to examine the works of a wide range of writers from contemporaries Marilynne Robinson Ursula Le Guin Anne Sexton Fay Weldon Angela Carter and Margaret Atwood to precursors Caroline Kirkland Fanny Fern Mary De Morgan Mary

Louisa Molesworth Edith Nesbit and Evelyn Sharp **Take Back the Light** Sheila Ruth,1994 Sheila Ruth explores Paganism in order to show the possibilities the pleasures and the power of connecting the self with the cosmic **Women's Issues for a New Generation** Gail Ukockis,2016-05-13 This introductory text on women s issues includes both U S and global issues thus motivating students to see the bigger picture Written in an engaging style that stresses compelling stories over dry facts this book will stimulate class discussion Including men in the discussion of gender equality is also emphasized
