Imagine finding a spaceship just full of technology several hundred years ahead of us And there are no flight controls It is piloted by a sentient formally sapient artificial intelligence It has powerful weapons that could destroy our planet and medical technology that promise immortality Can we humans with our biological intelligence bridge the gap with this electronic artificial intelligence and survive What s in it for Simon the name of this tantalizing spacecraf Barbecued Bilge George Mahlberg,David Kendall,2008 Seven short stories created through nocturnal recitations into an old tape deck in 1971 72 The surreal social landscapes of possible improbabilities are peppered with magic realism adolescent puns and youthful exuberance They are adventures in silliness and sincerity hopefully an inspiration to those who dream in non linear fashion

Holman,2019-03-29 On November 22nd 1963 U S President John Fitzgerald Kennedy was assassinated as he was riding with

his wife Jackie alongside him in an open top motorcade along Dealey Plaza in Dallas Texas According to the Warren Commission s Report JFK had been shot and killed by lone gunman Lee Harvey Oswald The majority of people around the world found the final conclusions of the Warren Commission s Report completely incredulous and quite frankly totally unbelievable In fact the report was soon dubbed the greatest work of fiction ever published and to this day there has never been a definitive explanation of what happened on Dealey Plaza that day that has managed to satisfy everyone John Fitzgerald Kennedy was the first last and only Roman Catholic ever to hold the office of President of the United States and most people looking on would have thought that a Roman Catholic President in the White House would be wonderful news for the Church of Rome But in the Vatican the current incumbent Pope John XXIII was not at all pleased by the news and he saw JFK with his numerous illicit affairs and sexual dalliances as a massive threat to the good name teachings reputation and above all the moral guidance of the worldwide Roman Catholic Church Pope John XXIII made his decision **The Outcome** John Coleman II,2022-08-01 Daniel G Harvey a common man becomes the fortyaEURfifth president of the United States Using the power of the truth he returns control over government back to the people Politicians declare his acts devastating but have no way to stop the change Through it all this outspoken nonpolitician swears his actions are right for the country but is he correct Chief Justice Brown leans in So you don t contest that your actions have caused this Revolution Daniel slowed his words Sir if you are asking are we seeking a World Revolution yes I believe we are The United States is in the midst of a Second Revolution Today we carry the torch but soon our actions will become the establishment for the rest of the world Chief Justice shouts Mr Harvey how can you be so sure Daniel laughs I suggest the establishment does not get in the people s way This is a story about one man s journey to make a difference The Outcome delves deep into the philosophical role of government and tasks its readers to ask if Daniel s actions can work in today s United States Written to spawn thought and debate it further answers the question if people can be trusted to govern themselves The Eighteen-Day Running Mate Joshua M. Glasser,2012-07-31 No skeletons were rattling in his closet Thomas Eagleton assured George McGovern s political director But only eighteen days later after a series of damaging public revelations and feverish behind the scenes maneuverings McGovern rescinded his endorsement of his Democratic vice presidential running mate and Eagleton withdrew from the ticket This fascinating book is the first to uncover the full story behind Eagleton s rise and precipitous fall as a national candidate Within days of Eagleton s nomination a pair of anonymous phone calls brought to light his history of hospitalizations for nervous exhaustion and depression and past treatment with electroshock therapy The revelation rattled the campaign and placed McGovern s organization under intense public and media scrutiny Joshua M Glasser investigates a campaign in disarray and explores the perspectives of the campaign s key players how decisions were made and who made them how cultural attitudes toward mental illness informed the crisis and how Eagleton s and McGovern s personal ambitions shaped the course of events Drawing on personal interviews with McGovern campaign manager Gary

Hart political director Frank Mankiewicz and dozens of other participants inside and outside the McGovern and Eagleton camps as well as extensive unpublished campaign records Glasser captures the political and human drama of Eagleton's brief candidacy Glasser also offers sharp insights into the America of 1972 mired in war and anxious about the economy a time with striking similarities to our own *Dog Day Rage* Prince Alpha Dominion, 2015-01-31 Follow Montana Otonovo a crack Secret Service Agent and his Red Team as they battle insurgencies from the Boko Haram and other clandestine terror groupings in Nigeria The story is double edged as it also involves Montana Otonovo a Christian engaging in a personal war of love to win and marry his heartthrob Zarina Turaki a Muslim against all odds When everything else failed it was love that prevailed Find out how Also find out how Montana Otonovo showed extraordinary gallantry in foiling the attempted assassination of a former sitting President of Nigeria Mr Bo Bella Johnson by the military and the dog day rage attack unleashed by an unknown terror group during the swearing in of the newly elected successor President Dan Kano Balewa How did Montana Otonovo do all of these and still lived to tell the story another day It is a compelling epic encounter skillfully crafted for your reading pleasure *Play It One More Time* Jim Pickens, 2013-10-16 While 50 year old Jack Phillips a jazz trumpet player is driving to his gig at the Famous Door in New Orleans fantasizing about his favorite scenario If I had known then what I know now he has an accident and wakes up in the hospital 23 years in the past January 1968 He remembers what happened 1968 one of the most turbulent years in modern American history It was a terrible year the Korean capture of the Pueblo the Tet Offensive in Vietnam the assassinations of Martin Luther King and Robert Kennedy the Klan killings civil rights and anti war riots in the streets the Chicago riots at the Democratic convention What should he do Could he actually change history for the better Should he even try What about the unintended consequences of his actions How could he find someone in the government high enough to have access to the President Jack writes two of his predictions to his U S Senator John Stennis When Jack's second prediction comes true Senator Stennis begins to believe his story and relays his information to the Attorney General because he doesn't trust J Edgar Hoover Hoover livid that a senator has information before the FBI does assigns two of his sociopathic special operatives to discover Stennis source Jack has a physical confrontation with one of them and makes the now crippled operative a lifelong enemy bent on revenge Did he actually change any of the tragic events of 1968 Were there unintended consequences of his actions This historical fiction is full of political intrigue FBI corruption the societal tumult in the streets organized crime and a true picture of the jazz music scene of New Orleans at the time *Citizens Militia* David T. Randolph Maney Jr,2023-03-10 Edward R Morrow once said Anyone who isn t confused about Vietnam really doesn t understand the situation For many this quote is as true in 2023 on the 50th Anniversary of the war s end as it was when the war ended therefore it now seems timely to take another look at all this confusion The situation in Vietnam was to be sure confusing to many who wanted to know from the very beginning why the United States became involved in those foreign rice paddies some 7 000 miles away and it was equally confusing at the end to many who wanted to know why the United States after it lost so much blood and treasure

abandoned its ally to communism in 1975 In an attempt to address these and other questions this account begins years before America became involved in Vietnam and ends years after it left The Vietnam War proved to be a watershed moment in American history and I have picked this anniversary year to look back in time through a geopolitical lens to try and better understand that era And a better understanding of that moment in time might also prove helpful to understanding current events because past could well become prologue when it comes to completing unfinished business in Afghanistan and when it comes to ending the war in Ukraine
