Murder in Lavatory Animesh Sachan, 2023-05-25 What if you can recast the timeline to retain or homicide someone Edward the son of the commissioner had an incredible lifestyle He had control over his precious time he knew that to do anything illicit he just had to alter the clock but then my friend there are always restrictions in life He came to know everyone s secret threatened everyone but will his lover and friends be loyal till the end The detective s friend went berserk and was unable to find the murderer but who the detective chose amongst them is throbbing everyone s heart and will it be the choice of the detective or the culprit It gets interesting when the web of plotting takes place in front of readers but still they are unable to recognize the lucidity of the glass The book withholds no secrets which could be used to interpret the course of action of murder It does not emphasize much on the fictitious part but the tragedy Dramatic Sketches. Becoming Bangalore Roopa Pai, 2025-01-17 What makes a city uniquely itself Is it its geography history location Is it its leaders aspirations demographics Or is it a palpable spirit wrought of a combination of all these that seeps into the soil over centuries and charges the air infecting residents and visitors alike Two decades of exploring her hometown and reading writing and talking about it has convinced Roopa Pai that the last is true cities are neither born nor made they become In this collection of evocative essays she trawls the city s history to tease out bits of the Bangalore jigsaw a scientist s quest for excellence a maharani s foresight an entrepreneur s vision a chief minister s ambition a writer s pride in his language and more in an effort to trace the genesis of the liberal soul of the metropolis and its ability to offer inclusive creative laid back spaces amid its frenetic growth What emerges is a fascinating mosaic that reveals how a little sixteenth century settlement on a hill became India s most charismatic city Belonging John McCallum, 2009 John McCallum s new history explores the relationship between 20th century Australian drama and a developing concept of nation The book focuses on the creative tension sparked by dueling impulses between nationalism and cosmopolitanism and between artistic seriousness and larrikin populism It explores issues such as the domineering influence of European high culture the ongoing popularity of representational realism the influence of popular theatrical forms the ambivalence between affection and aggression of much Australian humour and satire and the interaction between the personal and the political in drama The strength of Belonging

is its comprehensiveness anyone studying an Australian play will find an account of it here in the context of the other works by its author or the time and place in which it was written As well as a rundown of the major writers and their works and an account of how the minor writers fitted in the book also investigates the more obscure plays and writers about whom little has been written This authoritative study of Australian drama gives an account of the relationship between our theatre and our sense of self while taking into account a broad range of influences that helped to shape both Regimental Annual
