Goodnight Moon A 50th Anniversary Retrospective:

The Making of Goodnight Moon Leonard S. Marcus, 1996-11-01 Tells the story of Goodnight Moon including anecdotes previously unpublished photographs and full color studies of the artwork

The Secret Life of the Lonely Doll Jean Nathan, 2025-09-23 A glamorous haunted life unfolds in the mesmerizing biography of the woman behind a classic children's book In 1957 a children's book called *The Lonely Doll* was published With its pink and white checked cover and photographs featuring a wide eyed doll it captured the imaginations of young girls and made the author Dare Wright a household name Close to forty years after its publication the book was out of print but not forgotten When the cover image inexplicably came to journalist Jean Nathan one afternoon she went in search of the book and ultimately its author Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens New York Over the next five years Nathan pieced together a glamorous life Blond beautiful Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author But there was a dark side to the story a brother lost in childhood ill fated marriage plans a complicated controlling mother Edith Stevenson Wright herself a successful portrait painter played such a dominant role in her daughter's life that Dare was never able to find her way into the adult world Only through her work could she speak for herself in her books she created the happy family she'd always yearned for while her self portraits betrayed an unresolved tension between sexuality and innocence a desire to belong and painful isolation Illustrated with stunning photographs *The Secret Life of the Lonely Doll* tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art

Geographies of Comfort Danny McNally, Laura Price, Philip Crang, 2020-12-29 Bringing together conceptual and empirical research from leading thinkers this book critically examines comfort in everyday life in an era of continually occurring social political and environmental changes Comfort and discomfort have assumed a central position in a range of works examining the relations between place and emotion the senses affect and materiality This book argues that the emergence of this theme reflects how questions of comfort intersect humanistic cultural political and materialist registers of understanding the world It highlights how geographies of comfort becomes a timely concern for Human Geography after its cultural emotional and affective aspects More specifically comfort has become a vital theme for work on mobilities home environment and environmentalism sociability in public space and the body Comfort is recognized as more than just a sensory experience through which we understand the world its presence absence and pursuit actively make and unmake the world In light of this recognition this book engages deeply with comfort as both an analytic approach and an object of analysis This book offers international and interdisciplinary perspectives that deploys the lens of comfort to make sense of the textures of everyday life in a variety of geographical contexts It will appeal to those working in human geography anthropology feminist theory cultural studies and sociology

The Publishers Weekly, 1997 *Only Margaret* Candice Ransom, 2021-10-12 When Halley's comet arrived in 1910 so did an extraordinary person Margaret Wise

Brown Margaret had a boundless imagination and a gift for spinning stories Most grown ups thought children s books were frivolous and silly but Margaret didn t agree Could writing stories for children be important work a incredible way to share truth beauty and wonder Other people might call Margaret strange and sometimes her own worries and doubts felt overwhelming But only Margaret and her original ideas could lead to Goodnight Moon The Runaway Bunny and other classics beloved by children around the world From smuggling rabbits onto trains to scribbling stories about island whispers Margaret embraced adventure in life and on the page This whimsically illustrated biography shares how an independent fun loving woman became a trailblazing pioneer of the picture book form Alabama Department of Education Alabama Children s Choice Camellia Award 2 3 Nonfiction Nominee 2022 2023 **Margaret Wise Brown** Leonard S. Marcus,1999-09-22 Margaret Wise Brown the author of Goodnight Moon and dozens of other children s classics all but invented the picture book as we know it today Combining poetic instinct with a profound empathy for small children she knew of a child s need for security love and a sense of being at home in the world and she brought that unique tenderness to the page Yet these were comforts that eluded her Brown s youthful presence and professional success as an editor bestselling author and self styled impresario masked an insecurity that left her restless and vulnerable In this moving biography Marcus portrays Brown s complex character and her tragic seesaw life Her literary achievement and groundbreaking discoveries about small children s emotional needs were offset by tormented romances including a passionate relationship with Michael Strange the celebrity socialite once married to John Barrymore **Stories Rabbits Tell** Susan E. Davis,Margo DeMello,2003 Comprehensive look at the rabbit as a wild animal ancient symbol pop culture icon commerical product pet and intelligence feeling creature Also describes how the rabbit is one of the most misunderstood and abused of animals **100 Best Books for Children** Anita Silvey,2004 By selecting only 100 best books Silvey distinguishes her guide from all the others and makes it possible to give young readers their literary heritage in the childhood years *More Words about Pictures* Perry Nodelman,Naomi Hamer,Mavis Reimer,2017-05-08 This volume represents the current state of research on picture books and other adjacent hybrid forms of visual verbal texts such as comics graphic novels and book apps with a particular focus on texts produced for and about young people When Perry Nodelman s Words about Pictures the Narrative Art of Children s Picture Books was published almost three decades ago it was greeted as an important contribution to studies in children s picture books and illustration internationally and based substantially on it Nodelman has recently been named the 2015 recipient of the International Grimm Award for children s literature criticism In the years since Words About Pictures appeared scholars have built on Nodelman s groundbreaking text and have developed a range of other approaches both to picture books and to newer forms of visual verbal texts that have entered the marketplace and become popular with young people The essays in this book offer more words about established and emerging forms of picture books providing an overview of the current state of studies in visual verbal texts and gathering in one place the work being produced at various locations and across

disciplines Essays exploring areas such as semiological and structural aspects of conventional picture books graphic narratives and new media forms and the material and performative cultures of picture books represent current work not only from literary studies but also media studies art history ecology Middle Eastern Studies library and information studies and educational research In addition to work by international scholars including William Moebius Erica Hateley Nathalie op de Beeck and Nina Christensen that carries on and challenges the conclusions of Words about Pictures the collection also includes a wide ranging reflection by Perry Nodelman on continuities and changes in the current interdisciplinary field of study of visual verbal texts for young readers Providing a look back over the history of picture books and the development of picture book scholarship More Words About Pictures also offers an overview of our current understanding of these intriguing texts Quill & Quire ,1996 Children's Literature Association Quarterly ,1996 School Library Journal ,1997

The Top Books of the Year Goodnight Moon A 50th Anniversary Retrospective The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
