 actually turns into a transformational experience a journey into what defines not just love for another but love for one self

 Miami Beach Florida was one of the most popular resort cities in America the warm weather and tranquil beaches of this
 tropical paradise attracted thousands of winter visitors mostly Jewish tourists who made the two day drive from New York In
 addition the resident population of this small island was primarily from New York Thus the city of Miami Beach was
 sometimes referred to as the SIXTH BOROUGH of New York However if you ventured off the island and crossed the beautiful
 expanse of Biscayne Bay you were in another world you were in the deep south where Jews were often envisioned as demons
 with horns colored people were second class citizens and racial laws were reminiscent of Nuremberg and Berlin Myron
 Lindell was twelve when he moved from Chicago where he was a secular Jew barely aware of his religious or ethnic heritage
 But In Miami Beach on a Jewish Island he had an odd feeling he was different He survived the move by blending fantasy with
 reality and if reality was more than he could handle he escaped by writing adolescent observations in a journal creating
 imaginative short stories and essays which he rarely shared with anyone except his father a few teachers and a street smart
 female classmate This compilation of memoirs is not a documentary it is just a testimony to the value of simple memories Too
 often historians have forgotten the individual view the poetic view which might be closer to reality than the consensus
