Gophers Dont Pay Taxes:

Gophers Don't Pay Taxes Mervyn J. Huston,1981 **Logical Conclusions** James Dustin,2020-11-18 Chapters in this volume include Chapter 1 American Government 101 Schools are supposed to teach this subject but schools never teach what actually goes on at the local state and national levels If they did students would be mightily entertained Chapter 2 Our Weird Weird World You would not believe how the behavior police want you to act while backpacking in the wilderness and other weirdness Chapter 3 We Muse on the News So why don t rich people pay more in taxes how to sell air and other interesting stuff Chapter 4 Sports There are only two sports that remain where one can drink while one is playing the sport and other observations Chapter 5 Dog Tales I live in a town where dogs are so admired that we may give them the right to vote Chapter 6 Space and Science The next gold rush will occur in outer space where a single asteroid could be worth 100 trillion Chapter 7 The Gopher Relays I can t help it This happens every spring You almost have to witness this activity to appreciate it Chapter 8 Useful History What did they do about pirates back in the eighteenth century Who actually won the Crusades And honestly a school forgot about Christmas Chapter 9 Government Finances If this chapter doesn t frost your eyebrows you probably don t pay taxes Chapter 10 We Get Mail A big part of the fun of owning a newspaper is opening the mail I mean really Chapter 11 Diving Us Crazy The days of Route 66 may be ending and why I don t go abroad Ever **And the Meadow Lark Sang** Margaretha Willms,2011 Stories are blessings and with this volume of memoirs Margaretha Willms leaves a legacy of gifts for future generations This collection of stories radiates the simplicity of a carefree childhood of growing up and changing with the seasons of life a reminder of the repetition and rhythm of nature on the prairies and the assurance of a coming spring when the meadowlark sings once again Deep in every family background are the ethnic and religious values of their ancestors and it is important to preserve them by passing on stories connected to the places where those values found fullness in everyday living Margaretha writes A person is bound to their place of birth to the home of their childhood to the graves of their parents and to customs and traditions even if only in memory and history is a journey into that memory In recording moments of time about living through the hardships of the Great Depression she often finds humour in describing what seem in their proper perspective to lend themselves to rather amusing explorations Her story is told with candid unflinching honesty giving a glimpse of Mennonite social and religious traditions that made life unique Margaretha s sensitive portrayal of country schools in which her husband taught in the 1950s revives the spirit of rural schools as the heart and soul and pulse of every community in their time Something of the prairies survives in the melody of the meadowlark and the stories in Margaretha Willms book are also sustained for the future memories of the past too full of life to be forgotten **Canadian Book Review Annual** ,1983 **The Old Brewery Bay** James A. "Pete" McGarvey,1994-01-10 Here we have the personal account of the misadventures that preceded the opening to the public of the Leacock home in 1958 Forty years ago in October 1954 a committee was formed chaired by Pete McGarvey to acquire

and preserve Stephen Leacock's summer home known as The Old Brewery Bay. Four years later a golden key opened the front door of the home allowing Leacock fans to pay homage to the humorist in a setting he had prized above every other. As the years have passed appreciation of Leacock's genius has grown and today the Leacock Museum is open year round to visitors from all parts of the globe. The Old Brewery Bay is a Leacockian yarn full of ironies the greatest one being that the salvation of Leacock's home was accomplished not by a national campaign involving governments philanthropists McGill alumni and foundations all of whom were approached in a spirit of urgency and all of whom backed away but by a gang of naive and stubborn Orillians using old fashioned political moxie Leacock would have loved that his Mariposans showing the big sophisticated world how to get things done
