A Study Guide for Sherman Alexie's The Absolutely True Diary of a Part-Time Indian Gale, Cengage Learning, 2015-09-15 A Study Guide for Sherman Alexie's *The Absolutely True Diary of a Part Time Indian* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. **Sherman Alexie** Jeff Berglund, Jan Roush, 2011-10-31 A collection of critical essays on the writing and films of American Indian author Sherman Alexie. *Constructing the Adolescent Reader in Contemporary Young Adult Fiction* Elisabeth Rose Gruner, 2019-05-17 This book examines the way young adult readers are constructed in a variety of contemporary young adult fictions, arguing that contemporary young adult novels depict readers as agents. Reading these novels suggests is neither an unalloyed good nor a dangerous ploy but rather an essential, occasionally fraught, by turns escapist and instrumental, deeply pleasurable and highly contentious activity that has value far beyond the classroom. Skills or the specific content it conveys. After an introductory chapter that examines the state of reading and young adult fiction today, the book examines novels that depict reading in school, gendered and racialized reading, reading magical and religious books, and reading as a means to developing civic agency. These examinations reveal that books for teens depict teen readers as doers and suggest that their ability to read deeply, critically, and communally is crucial to the development of adolescent agency. **School Library Journal**, 1995. "Unsuitable" Books Caren J. Town, 2014-08-11 Focusing on the attempted and successful banning of young adult fiction from media centers and classrooms, this book treats the legal and experiential history of censorship in libraries and public schools. It also looks closely at young adult novels from the early 1970s until today that have been the subject of book challenges. The authors discussed include Judy Blume, S. E. Hinton, Chris Crutcher, Jean Craighead George, M. E. Kerr, Mildred Taylor, and Sherman Alexie. This book offers parents, teachers, and librarians arguments against censorship based on literary merit and societal benefit.

Junior Genreflecting Bridget Dealy Volz, Cheryl P. Scheer, Lynda B. Welborn, 2000-02-15 Grouping titles by specific themes and subtopics, describes content and features of popular paperback series, classics, and books published after 1990, and provides historical background to six different genres. Knowing Their Place? Identity and Space in Children's Literature Terri Doughty, Dawn Thompson, 2011-12-14 Traditionally in the West, children were expected to know their place, but what does this comprise in a contemporary globalized world? Does it mean to continue to accept subordination to those larger and more powerful? Does it mean to espouse unthinkingly a notion of national identity? Or is it about gaining an awareness of the ways in which identity is derived from a sense of place? Where individuals are situated matters as much, if not more, than it ever has. In children's literature, the physical places and psychological spaces inhabited by children and young adults are also key elements in the developing identity formation of characters, and through engagement of readers too.

The contributors to this collection map a broad range of historical and present day workings of this process exploring indigeneity and place tracing the intertwining of place and identity in diasporic literature analyzing the relationship of the child to the natural world and studying the role of fantastic spaces in children's construction of the self They address fresh topics and texts ranging from the indigenization of the Gothic by Canadian mixed blood Anishinabe writer Drew Hayden Taylor to the lesser known children's books of George Mackay Brown to eco feminist analysis of contemporary verse novels The essays on more canonical texts such as Peter Pan and the Harry Potter series provide new angles from which to revision them Readers of this collection will gain understanding of the complex interactions of place space and identity in children's literature Essays in this book will appeal to those interested in Children's Literature Aboriginal Studies Environmentalism and literature and Fantasy literature
