Gore Vidal's America:

Gore Vidal's America Dennis Altman, 2005-10-28 Gore Vidal is one of the most significant American writers of the second half of the twentieth century having produced a large number of best selling novels essays plays and pamphlets which have impacted on major political and social debates for fifty years He is both a serious writer and a television and movie celebrity whose increasingly acerbic picture of the United States guarantees he is both revered and reviled Gore Vidal's America examines the ways in which Vidal's writings on history politics sex and religion throw into focus our understandings of the United States but also recognizes his versatility and inventiveness as a creative writer some of whose novels Julian Myra Breckinridge Lincoln Duluth are among the important literary works of their time Ranging from Vidal's early defence of homosexuality in *The City and the Pillar* 1948 to his most recent writings on the war in Iraq this book provides a unique perspective on the evolution of post World War II American society politics and literature As Altman writes Difficult not to see in the results of the 2004 elections where the Republican right gained in both the White House and the Senate proof of Vidal's worse fears namely that the impact of imperial adventure big money and religious moralism would increasingly imperil the American Republic

Empire Gore Vidal, 2011-02-23 *Empire* the fourth novel in Gore Vidal's monumental six volume chronicle of the American past is his prodigiously detailed portrait of the United States at the dawn of the twentieth century as it begins to emerge as a world power While America struggles to define its destiny beautiful and ambitious Caroline Sanford fights to control her own fate One of Vidal's most inspired creations she is an embodiment of the complex vigorous young nation From the back offices of her Washington newspaper Caroline confronts the two men who threaten to thwart her ambition William Randolph Hearst and his protégé Blaise Sanford Caroline's half brother In their struggles for power the lives of brother and sister become intertwined with those of Presidents McKinley and Roosevelt as well as Astors Vanderbilts and Whitneys all incarnations of America's Gilded Age Mr Vidal demonstrates a political imagination and insider's sagacity equaled by no other practicing fiction writer said The New York Times Book Review Like the earlier novels in his historical cycle *Empire* is a wonderfully vivid documentary drama With a new Introduction by the author

Hollywood Gore Vidal, 2000-08-01 Wicked and provocative Vidal's purview of Hollywood in one of its golden ages is fascinating Chicago Tribune In his brilliant and dazzling new novel Gore Vidal sweeps us into one of the most fascinating periods of American political and social change The time is 1917 In Washington President Wilson is about to lead the United States into the Great War In California a new industry is born that will transform America moving pictures Here is history as only Gore Vidal can re create it brimming with intrigue and scandal peopled by the greats of the silver screen and American politics from Charlie Chaplin and Douglas Fairbanks to Franklin D Roosevelt and the author's own grandfather the blind Senator Gore With *Hollywood* Vidal once again proves himself a superb storyteller and a perceptive chronicler of human nature's endless deceptions

Imperial America Gore Vidal, 2005-08-17 Presents a series of articles and essays criticizing recent

developments in American government and foreign policy especially during the administration of George W Bush The Golden Age Gore Vidal, 2012-03-14 The Golden Age is the concluding volume in Gore Vidal's celebrated and bestselling Narratives of Empire series a unique pageant of the national experience from the United States entry into World War Two to the end of the Korean War The historical novel is once again in vogue and Gore Vidal stands as its undisputed American master In his six previous narratives of the American empire Burr Lincoln 1876 Empire Hollywood and Washington D C he has created a fictional portrait of our nation from its founding that is unmatched in our literature for its scope intimacy political intelligence and eloquence Each has been a major bestseller and some have stirred controversy for their decidedly ironic and unillusioned view of the realities of American power and of the men and women who have exercised that power The Golden Age is Vidal's crowning achievement a vibrant tapestry of American political and cultural life from 1939 to 1954 when the epochal events of World War Two and the Cold War transformed America once and for all for good or ill from a republic into an empire The sharp eyed and sympathetic witnesses to these events are Caroline Sanford Washington D C newspaper publisher turned Hollywood pioneer producer star and Peter Sanford her nephew and publisher of the independent intellectual journal The American Idea They experience at first hand the masterful maneuvers of Franklin Roosevelt to bring a reluctant nation into World War Two and later the actions of Harry Truman that commit the nation to a decades long twilight struggle against Communism developments they regard with a marked skepticism even though they end in an American global empire The locus of these events is Washington D C yet the Hollywood film industry and the cultural centers of New York also play significant parts In addition to presidents the actual characters who appear so vividly in the pages of The Golden Age include Eleanor Roosevelt Harry Hopkins Wendell Willkie William Randolph Hearst Dean Acheson Tennessee Williams Joseph Alsop Dawn Powell and Gore Vidal himself The Golden Age offers up United States history as only Gore Vidal can with unrivaled penetration wit and high drama allied to a classical view of human fate It is a supreme entertainment that will also change readers understanding of American history and power *The Decline and Fall of the American Empire* Gore Vidal, 1992 Six essays on the theme of empire and republic with particular focus on the national security state and the failure of the U S economic system P **Gore Vidal's Historical Novels and the Shaping of American Political Consciousness** Stephen Harris, 2005 As a writer of sophisticated historical fiction satirical fantasies and incisive essays on the political and cultural condition of America Gore Vidal's reputation is well established This study explores Gore Vidal's use of classical scepticism in his historical novels and in his politics While a great deal has been written about Vidal there has not yet been published a serious analysis of his philosophical approach to the reading and interpretation of history and how this in turn informs the writing of his historical fiction What this study offers is a full understanding of how Vidal's sceptical and dissenting views reflect the mind of a politically committed and serious thinker and in turn how these views directly inform the creation of a body of writing that is as intellectually challenging as it is

engagingly varied in form and character **Selected Essays of Gore Vidal** Gore Vidal, 2009-06-16 Gore Vidal novelist playwright critic screenwriter memoirist indefatigable political commentator and controversialist is America's premier man of letters No other living writer brings more sparkling wit vast learning indelible personality and provocative mirth to the job of writing an essay This long needed volume comprises some twenty four of his best loved pieces of criticism political commentary memoir portraiture and occasionally unfettered score settling It will stand as one of the most enjoyable and durable works from the hand and mind of this vastly accomplished and entertaining immortal of American literature **I Told You So: Gore Vidal Talks Politics** Gore Vidal, 2013-04-01 I exist to say No that isn't the way it is or What you believe to be true is not true for the following reasons I am a master of the obvious I mean if there's a hole in the road I will viciously outrageously say there's a hole in the road and if you don't fill it in you'll break the axle of your car One is not loved for being helpful Gore Vidal one of America's foremost essayists screenwriters and novelists died July 31 2012 He was in addition a terrific conversationalist Dick Cavett once described him as the best talker since Oscar Wilde And Vidal was never more eloquent or caustic than when let loose on his favorite topic the history and politics of the United States This book is made up from four interviews conducted with his long time interlocutor the writer and radio host Jon Wiener in which Vidal grapples with matters evidently close to his heart the history of the American Empire the rise of the National Security State and his own life in politics both as a commentator and candidate The interviews cover a twenty year span from 1988 to 2008 when Vidal was at the height of his powers His extraordinary facility for developing an argument tracing connections between past and present and drawing on an encyclopedic knowledge of America's place in the world are all on full display And of course it being Gore Vidal an ample sprinkling of gloriously acerbic one liners is also provided The Essential Gore Vidal Gore Vidal, 1999 Longtime fans gain a one volume collection of the classic quintessential writings of Gore Vidal including previously uncollected essays and unpublished letters *Gore Vidal* Susan C. Baker, Curtis S. Gibson, 1997-02-25 Baker and Gibson show that while Vidal's novels are tremendously entertaining they are also serious examinations of a recurring theme the decline of the West in general and the decline of the United States in particular **Gore Vidal History of the National Security State** Real Network, 2014-01-03 In Gore Vidal History of the National Security State Vidal on America TRNN Senior Editor Paul Jay and the acclaimed essayist screenwriter and novelist Gore Vidal discuss the historical events that led to the establishment of the massive military industrial security complex and the political culture that gave us the Imperial Presidency **United States: Essays 1952-1992** Gore Vidal, 2018-09-25 A compilation of 114 classic essays from Gore Vidal A marvelous compendium of sharp wit and independent judgment that confirms his status as a man of letters Publishers Weekly From the age of Eisenhower to the dawning of the Clinton era Gore Vidal's United States offers an incomparably rich tapestry of American intellectual and political life in a tumultuous period It also provides the best most sustained exposure possible to the most wide ranging acute and original literary intelligence of the post World War II years United States is an

essential book in the canon of twentieth century American literature and an endlessly fascinating work *The American Presidency* Gore Vidal,1998 Profiles the American presidency and discusses the contributions of the more influential presidents **Hollywood** Gore Vidal,1992-03-30 Wicked and provocative Vidal s purview of Hollywood in one of its golden ages is fascinating Chicago Tribune In his brilliant and dazzling new novel Gore Vidal sweeps us into one of the most fascinating periods of American political and social change The time is 1917 In Washington President Wilson is about to lead the United States into the Great War In California a new industry is born that will transform America moving pictures Here is history as only Gore Vidal can re create it brimming with intrigue and scandal peopled by the greats of the silver screen and American politics from Charlie Chaplin and Douglas Fairbanks to Franklin D Roosevelt and the author s own grandfather the blind Senator Gore With Hollywood Vidal once again proves himself a superb storyteller and a perceptive chronicler of human nature s endless deceptions From the Paperback edition *Hollywood* Gore Vidal,1990-02-20 Wicked and provocative Vidal s purview of Hollywood in one of its golden ages is fascinating Chicago Tribune In his brilliant and dazzling new novel Gore Vidal sweeps us into one of the most fascinating periods of American political and social change The time is 1917 In Washington President Wilson is about to lead the United States into the Great War In California a new industry is born that will transform America moving pictures Here is history as only Gore Vidal can re create it brimming with intrigue and scandal peopled by the greats of the silver screen and American politics from Charlie Chaplin and Douglas Fairbanks to Franklin D Roosevelt and the author s own grandfather the blind Senator Gore With Hollywood Vidal once again proves himself a superb storyteller and a perceptive chronicler of human nature s endless deceptions From the Paperback edition

Gore Vidal Jay Parini,1992 Although he s one of America s most admired and prolific writers Gore Vidal has been steadfastly ignored by many critics His radical polemics and undisguised contempt have hardly endeared him to the critical establishment Now comes the first collection of critical essays on this important American writer Includes an interview with Vidal **The Last Empire** Gore Vidal,2002-08-13 Like his National Book Award winning United States Gore Vidal s scintillating ninth collection The Last Empire affirms his reputation as our most provocative critic and observer of the modern American scene In the essays collected here Vidal brings his keen intellect experience and razor edged wit to bear on an astonishing range of subjects From his celebrated profiles of Clare Boothe Luce and Charles Lindbergh and his controversial essay about the Bill of Rights which sparked an extended correspondence with convicted Oklahoma City Bomber Timothy McVeigh to his provocative analyses of literary icons such as John Updike and Mark Twain and his trenchant observations about terrorism civil liberties the CIA Al Gore Tony Blair and the Clintons Vidal weaves a rich tapestry of personal anecdote critical insight and historical detail Written between the first presidential campaign of Bill Clinton and the electoral crisis of 2000 The Last Empire is a sweeping coda to the last century s conflicted vision of the American dream *1876* Gore Vidal,2000-02-15 Gore Vidal s Narratives of Empire series spans the history of the United

States from the Revolution to the post World War II years With their broad canvas and large cast of fictional and historical characters the novels in this series present a panorama of the American political and imperial experience as interpreted by one of its most worldly knowing and ironic observers The centennial of the United States was celebrated with great fanfare fireworks exhibitions pious calls to patriotism and perhaps the most underhanded political machination in the country's history the theft of the presidency from Samuel Tilden in favor of Rutherford B Hayes This was the Gilded Age when robber barons held the purse strings of the nation and the party in power was determined to stay in power Gore Vidal's 1876 gives us the news of the day through the eyes of Charlie Schuyler who has returned from exile to regain a lost fortune and arrange a marriage into New York society for his widowed daughter And although Tammany Hall has faltered and Boss Tweed has fled the effects of corruption reach deep even into Schuyler's own family

Washington D.C. Gore Vidal, 1994 History is gossip says a protagonist in Washington D C but the trick is determining which gossip is history It is a trick that Gore Vidal has mastered in his ongoing chronicle of that circus of opportunism and hypocrisy called American politics and which he plays with renewed vigour in this expose of the nation's capital Young Clay Overbury Senator Burden Day's assistant has both a modest background and immense ambitions Extremely handsome oozing charm and seemingly dedicated to the Senator's cause he is also duplicitous conniving and disloyal But Enid Canford doesn't think so she marries him so providing the Sanford newspaper dynasty with a direct line to the Senator Her father Blaise at first loathing his son-in-law later learns to love him for all the wrong reasons So begins this tale of lust and ambition set in the Republic's high noon From the late 1930s to Jo McCarthy's reign of terror Gore Vidal charts the seamy sleazy side of Washington Mixing sober history with nakedly Gothic melodrama he provides an intoxicating cocktail of blackmail betrayal sexual ambivalence lunacy and conspiracy or in a word politics

Gore Vidals America Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gore Vidals America eBooks, including some popular titles.

FAQs About Gore Vidals America Books

What is a Gore Vidals America PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gore Vidals America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gore Vidals America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gore Vidals America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gore Vidals America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
