Strong and Hard Women Tanya Bunsell,2013-04-12 Females with large muscles evoke strong reactions from men and women often involving disgust discomfort anger and threat The controversial nature of female bodybuilding has caused a significant rupture on feminist ground Whilst proponents claim that female bodybuilding is a way of empowering and liberating women others see it as a form of corporeal entrapment This book investigates the controversy Do women who pump iron resist physical restrictions of imposed femininity or are they engaged in an ultimately oppressive quest for perfect bodies In an original two year ethnographic study based in the South of England Tanya Bunsell immersed herself into the world of female bodybuilders By mapping these extraordinary women s lives the research illuminates the pivotal spaces and essential lived experiences that make up the female bodybuilder Whilst the women appear to be embarking on an empowering radical body project for themselves the consequences of their activity remains culturally ambivalent This research exposes the Janus faced nature of female bodybuilding exploring the ways in which the women negotiate accommodate and resist pressures to engage in more orthodox and feminine activities and appearances This book will be of interest to academics and students in the fields of gender studies the sociology of sport the body and research methodology

Fantastic Laurence Leamer,2024-03-26 The life of Arnold Schwarzenegger is one of the most remarkable success stories in the U S Here is a young man from an Austrian village who became the greatest bodybuilder in history a behemoth who even today in retirement is the dominating figure in the sport Here is an immigrant with a heavy accent and a four syllable last name who marries a Kennedy princess and becomes the number one movie star in the world an icon known and celebrated everywhere Here is a political novice with no administrative experience who becomes governor of California in one of the most unusual and controversial elections in American history and confounds his critics by proving an effective popular leader In Fantastic Leamer shows how and why this man of willful ambition and limitless drive achieved his unprecedented accomplishments As the author of a celebrated trilogy on the Kennedy family Leamer has access to a unique array of sources Leamer traveled with candidate Schwarzenegger during the gubernatorial campaign He has interviewed Governor Schwarzenegger and his wife Maria Shriver and their closest friends and associates most of whom had never talked to an author before The result is a startlingly intimate book the pages studded with news

making revelations This book of passionate intensity captures a Schwarzenegger unlike any other public figure of our time a unique political cultural figure his time in Sacramento only a way station on a journey where no one has traveled before The book captures the personal Schwarzenegger too and the story of his single days marriage and family life No one who reads this book will ever see Schwarzenegger in the same way again *Men's Bodies* Judith Still,2019-08-07 No detailed description available for Men s Bodies

Boy Culture Shirley R. Steinberg,Michael Kehler,Lindsay Cornish,2010-06-17 In this two volume set a series of expert contributors look at what it means to be a boy growing up in North America with entries covering everything from toys and games friends and family and psychological and social development Boy Culture An Encyclopedia spans the breadth of the country and the full scope of a pivotal growing up time to show what a boy s life is really like today With hundreds of entries across two volumes it offers a series of vivid snapshots of boys of all kinds and ages at home school and at play interacting with family or knocking around with friends or pursuing interests alone as they begin their journey to adulthood Boy Culture shows an uncanny understanding of just how exciting confusing and difficult the years between childhood and young adulthood can be The toys games clothes music sports and feelings they are all a part of this remarkable resource But most important is the book s focus on the things that shape boyhood identities the rituals of masculinity among friends the enduring conflict between fitting in and standing out the effects of pop culture images and the influence of role models from parents and teachers to athletes and entertainers to fictional characters

Mr. America John D. Fair,2022-02-24 Map s the shifting definitions of gender and masculinity provides the rare insight into the world of bodybuilding that only an insider could offer Sport in American History For most of the twentieth century the Mr America image epitomized muscular manhood From humble beginnings in 1939 at a small gym in Schenectady New York the Mr America Contest became the world s premier bodybuilding event over the next thirty years Rooted in ancient Greek virtues of health fitness beauty and athleticism it showcased some of the finest specimens of American masculinity Interviewing nearly one hundred major figures in the physical culture movement including twenty five Mr Americas and incorporating copious printed and manuscript sources John D Fair has created the definitive study of this iconic phenomenon Revealing the ways in which the contest provided a model of functional and fit manhood Mr America captures the event s path to idealism and its slow descent into obscurity As the 1960s marked a turbulent transition in American society from the civil rights movement to the rise of feminism and increasing acceptance of homosexuality Mr America changed as well Exploring the influence of other bodily displays such as the Mr Universe and Mr Olympia contests and the Miss America Pageant Fair focuses on commercialism size obsession and drugs that corrupted the competition s original intent Accessible and engaging Mr America is a compelling portrayal of the glory days of American muscle An entertaining narrative of the bodybuilding subculture in America Kirkus Reviews Deftly written and superbly researched Journal of Sport History

Transgressive Bodies Niall Richardson, 2016-02-17 In recent years the body has become one of the most popular areas of study in the arts social sciences and humanities Transgressive Bodies offers an examination of a variety of non normative bodies and how they are represented in film media and popular culture Examining the non normative body in a cultural studies context this book reconsiders the concept of the transgressive body establishing its status as a culturally mutable term arguing that popular cultural representations create the transgressive or freak body and then proceed to either contain its threat or exploit it Through studies of extreme bodybuilding obesity disability and transsexed bodies it examines the implications of such transgressive bodies for gender politics and sexuality Transgressive Bodies engages with contemporary cultural debates always relating these to concrete studies of media and cultural

representations This book will therefore appeal to scholars across a range of disciplines including media and film studies
