Sex and Death Kim Sterelny,Paul E. Griffiths,2024-05-31 Is the history of life a series of accidents or a drama scripted by selfish genes Is there an essential human nature determined at birth or in a distant evolutionary past What should we conserve species ecosystems or something else Informed answers to questions like these critical to our understanding of ourselves and the world around us require both a knowledge of biology and a philosophical framework within which to make sense of its findings In this accessible introduction to philosophy of biology Kim Sterelny and Paul E Griffiths present both the science and the philosophical context necessary for a critical understanding of the most exciting debates shaping biology today The authors both of whom have published extensively in this field describe the range of competing views including their own on these fascinating topics With its clear explanations of both biological and philosophical concepts Sex and Death will appeal not only to undergraduates but also to the many general readers eager to think critically about the science of life

, The Gory Details Brian DuBois,2001-06 All the Hidden Monsters (Book One) Amie Jordan,2025-03-04 Cozy crime is dead And so is Lucy Hague Combining a twisty murder mystery an underground supernatural detective gang and a slow burn enemies to lovers romance All the Hidden Monsters is the first in a razor sharp crime series sure to leave readers obsessively binge reading Sage is an ordinary girl and a werewolf moving between worlds desperate to make sense of her life And then her supernatural friend Lucy is found murdered in the human domain Now Sage is determined to join the investigation led by handsome but arrogant warlock Oren Rinallis Sage may not be magical or immortal but she knows right from wrong and is sure that she can scent a killer like no other unless she and Oren kill each other first With a crew so entertaining and unique All the Hidden Monsters is funny serious scary and you ll never guess who did it There s a world below our own but who is killing who in both of them

**The Bible Says So!** Edwin D. Freed,Jane F. Roberts,2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action The Bible Says So examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars The Bible Says So explores the original intentions of the biblical writers in their particular context and examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today
