Gospel And Contemporary Perspectives Viewpoints From The Trinity Journal:

Truth in Balance Carmen DiCello, 2009-06-02 The gospel of Jesus provides hope for humanity access to God purpose for human existence and empowerment for daily living These and other benefits are revealed by God but they also require a human messenger It is thus the responsibility of believers to share the truth via life and word In the real world however there are many obstacles to faith which is why it is essential to explain defend and show forth the truth thus the need for apologetics However not all agree on how best to approach apologetics and numerous suggestions have been put forth This is why as Carmen DiCello reminds us it is imperative that we think through what it means to be able to give an answer for the hope that is in us Truth in Balance addresses issues that encourage an apologetic that remains faithful to Scripture while illuminating the beauty and wonder of the Christian gospel in today s culture **God, Suffering, and Pentecostals** Marius

Nel, 2022-02-04 Pentecostals emphasize that God is still the Healer of all illnesses implying that God answers all prayers What about those who are not healed How do we explain suffering Why does a good God allow suffering Is God not powerful enough to prevent it In this publication the author reconsiders these questions from a Pentecostal hermeneutical perspective to develop a novel way to think about God s involvement with suffering among people His experimental theology speculates how a Pentecostal ethos accommodates a theodicy that acknowledges suffering and God s involvement in people s lives Although the book is a theologically constituted attempt anyone can follow and understand its arguments It concludes with alternative views of suffering evil God s loving attention to people the doctrine of original sin and Satan The author also suggests some ways to respond to suffering **Reasons for Our Hope** H. Wayne House, Dennis W. Jowers, 2011-10-01 A sophisticated yet accessible introductory guide to an articulate and well informed defense of the Christian faith

Forthcoming Books Rose Arny, 2002 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *The Word-faith Controversy* Robert M. Bowman, 2001 A balanced biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings Augustine's Theology of Preaching Peter T. Sanlon, 2014-07-01 Scholarship has painted many pictures of Augustinethe philosophical theologian the refuter of heresy or contributor to doctrines like Original Sinbut the picture of Augustine as preacher says Sanlon has been seriously neglected When academics marginalize the *Sermones ad Populum* the real Augustine is not presented accurately In this study Sanlon does more however than rehabilitate a neglected view of Augustine How do the theological convictions that Augustine brought to his preaching challenge sustain or shape our work today By presenting Augustine s thought on preaching to contemporary readers Sanlon contributes a major new piece to the ongoing reconsideration of preaching in the modern day a consideration that is relevant to all branches of the twenty first century church The New Evangelical Subordinationism? Dennis W. Jowers, H. Wayne House, 2012-08-16 Whether and in what sense the Son of God might eternally submit to his Father s will is a question that has ignited a firestorm of controversy in today s evangelical academy On one side stand those

who regard the affirmation of any inequality whatsoever in the Godhead as a revival of ancient subordinationism On the other stand persons who consider the Son functionally subordinate to the Father even within the immanent Trinity without respect to the Incarnation and regard their belief as integral to historic orthodoxy Many evangelicals moreover view the issue of subordination within the Trinity as pivotal to contemporary disputes about the role of women in church home and state If the relations of the divine persons constitute a paradigm for human life persons on all sides of the gender question argue human relations ought to reflect either the divine persons exceptionless equality or their orderly differentiation of roles At the same time others consider the issues of equality in the Trinity and gender relations irrelevant to each other and accuse both complementarians and evangelical feminists of degrading the doctrine of the Trinity into a partisan weapon The New Evangelical Subordinationism gathers commentary on evangelical debates about equality and subordination in the Trinity from representatives of the gamut of perspectives just mentioned Here evangelical theologians biblical scholars and church historians of widely differing theological orientations address themselves to the panoply of questions raised by these debates This volume unprecedented in the breadth and depth of its coverage of the controversy over subordination in the Trinity should become a standard source for teaching and research on its subject **Inerrancy and the Gospels** Vern S.

Poythress,2012-10-31 Serious Bible readers all recognize that there are differences between accounts of the same events in Matthew Mark Luke and John and no responsible reader can simply sweep these differences under the rug But can all of the accounts still be reconciled with a belief in biblical inerrancy Responding to the questions surrounding the gospel narratives New Testament scholar Vern Poythress contributes a worthy case for inerrancy in the gospels and helps readers understand basic principles for harmonization He also tackles some of the most complicated exegetical problems showing the way forward on passages that have perplexed many such as the centurion s servant the cursing of the fig tree and more All those interested in the authority of Scripture will find in this volume great encouragement and insight as Poythress has provided an arresting case to stem the tide of skepticism **Subject Guide to Books in Print** ,1997 **King, Priest, and Prophet**

Robert J. Sherman,2004-03-02 Offers a well nuanced and well grounded constructive theology of Trinitarian atonement

presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of Miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the vision for the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations *Literary News* ,1882 **The Ethics of Grace** Paul Martens,Michael Mawson,2022-09-22 This volume draws together leading theologians and Christian ethicists from across the globe to critically engage with and reflect upon Gerald McKenny widely acknowledged as one of the most original and important Christian ethicists working today The essays highlight the significance of McKenny's interventions with a range of important debates in contemporary theological ethics ranging from analyses of the Protestant conception of grace to bioethics and medicine Reaching far beyond the work of Gerald McKenny this multifaceted volume is a high level resource for students and scholars of theological and philosophical ethics
