The Gospel Libel Volume Ii Anonymous, 2000-10-26 NOTE This is Vol II of II PURPOSE NEED FOR THIS PUBLICATION The early Christians said to the Jews You have no right to live among us as Jews and sought to make them Christians Then political Christendom said You have no right to live among us and created the ghettos of physical separation Finally the Nazis said You have no right to live and the world remained silent Anti Semitism past and present is a natural concomitant of the Gospel libel which was causal and manifest in the Holocaust As anti Semitism is again on the rise and as ignorance is not only prevalent but also rampant inculcating the uneducated and misinformed masses with the truth may possibly and hopefully result in a diminution if not a culmination of anti Jewish hostility This treatise is a depiction of the most important trial in the annals of history a trial dealing with the most tragic libel in the history of the human race a libel that was causal in crusades inquisitions pogroms Holocausts and other crimes against an innocent people for more than nineteen centuries Rectifying this ongoing injustice is the primary purpose of this publication A CHALLENGE For more than nineteen centuries Christians have been accusing Jews of having shed innocent blood the blood of their lord Jesus Christ They claim that almost two thousand years ago the Great Sanhedrin the highest tribunal in the land of Judea unjustly convicted Jesus of the capital offense of blasphemy and delivered him to the Roman Procurator to be crucified This accusation based solely upon the testimony of the Four Gospels has never been brought to trial in any court of law No verdict and no decision of guilt against the Jews has ever been handed down by a competent tribunal Yet Christians have ever since been depriving the Jews of their legal and natural rights without due process of law The Jews cannot forever stand accused of this heinous crime by a unilateral opinion and suffer untold misery They are entitled at long last to have their day in court and to refute this long standing accusation It is for this reason this case is being brought to the attention of the world Your first impression as Christians of course will be that this is a special pleading that the author as a Jew was prejudiced and biased in presenting his case and that it is therefore nothing more than a one sided affair You will naturally say that the author as a Jew based his contentions on arguments which are necessarily anti Christian and faulty Hence worthy Christians this thesis is presented to you proving that the Jews cannot be held guilty of having shed the blood of Jesus and you are challenged to refute it If you are unable to disprove this contention or if you conveniently choose to ignore it and thus tacitly admit that it is irrefutable and true then we demand of you in the name of justice and of humanity and of the very tenets of your religion that you openly admit and proclaim henceforth in all your houses of worship and in your parochial schools that the Jews are innocent We demand that you cease indoctrinating the tender minds of your children with the false accusation against the Jews that they were instrumental in causing the crucifixion of Jesus We demand that you cease inciting your followers against the Jews with your Passion Plays before the approach of Easter We demand in the name of justice that you begin now to right the deadly wrong committed against the Jews by revising those chapters in the Four Gospels that tell of

the trial of Jesus and by deleting from the New Testament texts all accusations against the Jews We demand in the name of all that is decent in Christianity and in the name of the conscience of mankind that **Interpretation Vol 1 of the Gospels**

Keener,2010-03-01 Keener s commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature **The Proof of the Gospel; Two Volumes in One** Bishop Eusebius,2001-03-06 J B Lightfoot ranked Eusebius s Preparation for the Gospel and Proof of the Gospel together as probably the most important apologetic work of the Early church **The Gospel magazine, and theological review. Ser. 5. Vol. 3, no. 1-July 1874** ,1852 *The Gospel and Letters of John, Volume 1* Urban C. von Wahlde,2010-11-22 Urban von Wahlde s radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist s precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively [The Gospel of Matthew, vol. 1](#) Walter T. Wilson,2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson s compelling thesis frames Matthew s Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus s essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep contextualization of the text informed by his years of studying the New Testament and Christian origins **The Trial of Jesus from a Lawyer's Standpoint (Vol. 1&2)** Walter M. Chandler,2023-12-13 In The Trial of Jesus from a Lawyer s Standpoint Vol 1 2 Walter M Chandler intricately examines the legal complexities surrounding the trial of Jesus Christ meticulously dissecting the proceedings through a lawyer s analytical lens Chandler employs a rigorous scholarly style enriched with empirical research and a wealth of historical references placing the trial within its socio political context He

scrutinizes the applicable laws of the time highlighting inconsistencies and unfair practices that marred the judicial process thereby revealing the trial as not merely a religious event but a profound legal spectacle with enduring implications Walter M Chandler a practicing attorney and legal scholar draws upon his extensive expertise in law to illuminate the grave miscarriages of justice in this landmark case His faith background and inquisitive nature towards the intersection of law and spirituality inspired him to address the inadequacies present in the narrative of Jesus s trial Chandler s blend of legal acumen and theological insight makes him uniquely qualified to undertake this challenging examination shedding light on pivotal legal concepts that resonate even in contemporary discussions of justice This work is indispensable for readers interested in the interplay between law and religion offering a thought provoking reevaluation of a historical trial that continues to spark debate Scholars theologians and legal professionals alike will find Chandler s insights enlightening making this a compelling read for anyone seeking to understand justice in both the ancient and modern worlds *Loaded Bible vol. 1: The 'Jesus VS. Vampires' Gospels* Tim Seeley,2010-04-20 In the near future nuclear Holy War has decimated North America and humanity s last stronghold is the dome metropolis of New Vatican City When vampires attack the Church turns to a clone of Jesus Christ Himself to protect them But all is not as it seems for the Test Tube Messiah as he s drawn into a web of betrayal bloodshed and seduction **The Gospel Herald and Universalist Review ... ,1879 John Calvin's Bible Commentaries On The Harmony Of The Gospels Vol. 2 John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Our Author has exerted a powerful influence on all succeeding expositors They have found their interest in listening to his instructions and have been more deeply indebted to him than is generally known Many valuable interpretations of passages of Scripture appeared for the first time in his writings and have ever since been warmly approved In other cases the views which had been previously held are placed by him in so strong a light as to remove every doubt and satisfy the most cautious inquiry And yet the stores from which so much has been drawn are far from being exhausted nor is their value greatly lowered by improvements which have been subsequently made The department of History presents an analogous case Documents which had been overlooked are carefully examined Conflicting evidence is more accurately weighed Important transactions assume a new aspect or at least are altered in their subordinate details Still there are historians in whose narrative the great lines of truth are so powerfully drawn that the feebler though more exact delineations of other men cannot supply their place In the chief moral requisite for such a work Calvin is excelled by none He is an honest interpreter No consideration would have induced him to wrest the words of Scripture from their plain meaning Those who may question his conclusions cannot trace them to an unworthy motive Timid theologians will be occasionally startled by his expositions **The gospel pulpit.
