Covenant of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by

considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace *The Pursuit of Peace* Betsy E. Caram,2018-06-08 We are living in a time of increasing confusion and turmoil People in the world are full of insecurity they are troubled lonely and full of self doubt In the midst of such uncertainty peace is a sacred treasure Yet the sad truth is that many people and this includes many Christians have never enjoyed the blessings of true peace Peace seems illusive and out of reach and very difficult to maintain in our daily lives God s Word however encourages those who belong to Him to diligently seek peace and pursue it Ps 34 14 This divine directive is meant to stir us up If we truly desire to live a victorious Christian life we cannot just be satisfied with wishing or yearning for peace Instead we must enthusiastically pursue it and when we find it we must grab hold of it and not let it go For all who seek an inner calm from the fears and frustrations of life it is our prayer that this book will help you in your personal pursuit of peace Through Jesus Christ we have been promised abundant life Jn 10 10 Still many Christians cling to the wrong belief that abundant life is only possible when we reach heaven However there are keys in God s precious Word that when unlocked and received within our spirit will bring us to that place of peace we are longing for in this life These keys which are established for us in *The Pursuit of Peace* will enable us to Win the War Within as we conquer our insecurities through the wonderful life changing Word of God **Angels, Demons and the Armour of God** Andrew J. Lamont-Turner, In the shadows of the everyday world a battle rages It s an unseen struggle where angels and demons clash and the destiny of souls hangs in the balance It s a spiritual war that transcends time and space and you are a part of it Angels Demons and the Armour of God *The Unseen Struggle* delves into the depths of this age old conflict From the heavenly hosts to the forces of darkness the pages of this book unveil the mysteries of the spiritual realm Discover The nature of angels and demons as revealed in the sacred pages of the Bible The significance of the whole armour of God in your daily life and spiritual journey The warnings against misplaced devotion and the consequences of straying from the path of righteousness Real life strategies to discern spiritual influences fight off demonic oppression and stand firm in the face of adversity How the cosmic battle between angels and demons impacts your world and your role in the conflict Step into a realm where faith is your shield truth is your belt and righteousness is your breastplate Explore the profound truths of the Bible and unlock the secrets of the spiritual battle that surrounds you Are you ready to embrace your role in the unseen struggle This book is your guide to equipping yourself with the armour of God and shining as a light in the darkness Join the fight and let the power of the Divine lead you to victory in the eternal war for souls *The Epistles and Gospels of the Sundays Throughout the Year* Daniel Mac Carthy,1866 **Peace - Real Power Comes from Love, not Hate** Jay B Joyful,Jörg Berchem,2025-02-07 In a world plagued by the persistent echoes of violence and conflict this profound exploration into the philosophy of Peace and pacifism emerges as a timely source of hope and transformation In this book the author reflects on the disheartening reality

that despite the twenty first century s advancements humanity continues to cling to destructive patterns This book is a rallying cry for the resilience of the human spirit advocating for a paradigm shift towards Peace justice and dialogue It weaves together historical reflections philosophical insights and real world examples to unravel the essence of pacifism a belief that transcends the mere absence of war and envisions a world healed and intact Through a collection of essays quotes speeches and more the author not only acknowledges the complexities of our world but also recognizes the challenges inherent in the pursuit of Peace It is also acknowledged that there can be no external Peace if there is a lack of inner Peace within the individual As you delve into these pages you ll encounter the diverse tapestry of pacifist thought from ancient philosophers to modern visionaries The book serves as a manual for Peace inviting introspection dialogue and action It inspires a collective awakening to our potential as architects of Peace urging us to dismantle structures perpetuating violence and fostering a shift in individual and collective consciousness This work isn t just a dream it s an invitation to turn dreams into reality In a world yearning for Healing and Peace this book extends a hand urging us to embark on a shared journey towards a future where Peace isn t just a distant dream but a lived reality *Advocate of Peace* ,1857 [Anthems published by the Society for Promoting Church Music](#) ,1847 [The Ministry of the Word, Vol. 12, No. 09](#) Various Authors,2008-09-01 This issue of The Ministry of the Word includes the first nine messages of the 2007 spring term of the full time training in Anaheim California The general subject of this series of messages is The Believers Collectively the believers are one of the seven persons in the eternal economy of God The first three persons in God s economy are the three of the Divine Trinity the Father the Son and the Spirit The fourth person composed of the believers as a collective entity is in the middle of this sequence of seven persons The believers then become a corporate person the church the kingdom and the New Jerusalem which are the remaining three persons The believers constitute a certain class or category of people who have received mercy from God to believe into the Son of God and in His redemptive work particularly in His resurrection First Peter 1 8 says Whom having not seen you love into whom though not seeing Him at present yet believing you exult with joy that is unspeakable and full of glory In many ways this verse is the theme for this line of ministry on the believers We are those who exult with joy that is unspeakable and full of glory and the Lord as the Author and Perfecter of our faith will take us on from one degree of enjoyment to the next until we reach the highest enjoyment of the Lord The believers are the happiest and most joyful people on the earth because God is pleased with them Heb 11 6 Last of all we include a report of the 2008 Chinese speaking Perfecting Training in Plano Texas and a follow up conference in Irving Texas *Advocate of Peace and Universal Brotherhood* ,1859 **If Jesus Is Lord** Ronald J. Sider,2019-07-16 What does Jesus have to say about violence just war and killing Does Jesus ever want his disciples to kill in order to resist evil and promote peace and justice This book by noted theologian and bestselling author Ronald J Sider provides a career capstone statement on biblical peacemaking Sider makes a strong case for the view that Jesus calls his disciples to love and never kill their enemies He

explains that there are never only two options to kill or to do nothing in the face of tyranny and brutality There is always a third possibility vigorous nonviolent resistance If we believe that Jesus is Lord then we disobey him when we set aside what he taught about killing and ignore his command to love our enemies This thorough comprehensive treatment of a topic of perennial concern vigorously engages with the just war tradition and issues a challenge to all Christians especially evangelicals to engage in biblical peacemaking The book includes a foreword by Stanley Hauerwas
