Miller, 2023-06-16 Over the years it became increasing clear that if the Christian faith is really true it is not being given the seriousness of what we profession As an example there are aspects of the Christian faith that are very comforting the love of God There are also aspects of the faith that are hard to fully grasp the immutable holiness of God These two aspects of God s nature coexist in God s perfect nature neither of which can ever be diminished or compromised Therefore this gives rise to a perceived
