Gospel Gleanings William John Hocking (Editor of "Gospel Gleanings".),1901 Gospel Gleanings Gale Miller,1984-01-01 *A W Pink's Studies in the Scriptures - 1924-25* Arthur W. Pink,2001-09 **The Copywrights** Paul K. Saint-Amour,2003 They borrow from published works without attribution They remake literary creation in the image of consumption They celebrate the art of scissors and paste Who are these outlaws Postmodern culture jammers or file sharing teens No they are the Copywrights Victorian and modernist writers among them Oscar Wilde and James Joyce whose work wrestled with the intellectual property laws of their day In a highly readable and thought provoking book that places today s copyright wars in historical context Paul K Saint Amour asks Would their art have survived the copyright laws of the new millennium Revisiting major works by Wilde and Joyce as well as centos assembled by anonymous writers from existing poems Saint Amour sees the period 1830 1930 as a time when imaginative literature became aware of its own status as intellectual property and began to register that awareness in its subjects plots and formal architecture The authors of these self reflexive literary texts were more conscious than their precursors of the role played by consumption in both the composition and the consecration of literature The texts in question became in turn part of what Saint Amour characterizes as a counterdiscourse to extensive monopoly copyright a vocal minority that insisted on a broadly conceived public domain not only as indispensable to free expression and fresh creation but as a good in itself Recent events such as the court battle over the Copyright Term Extension Act CTEA which extends copyright terms by 20 years the patenting of the human genome and of genetically altered seed lines and high stakes controversies over literary parody have increased public awareness of intellectual property law In *The Copywrights* Saint Amour challenges the notion that copyright s function ends with the provision of private incentives to creation and innovation The cases he examines lead him to argue that copyright performs a range of political emotional and even sacred functions that are too often ignored and that what seems to have emerged as copyright s primary function the creation of private property incentives must not be an end in itself **A.W. Romans and Revelation Daniel Thompson,2021-03-11 In the book of 2 Peter the apostle writes under inspiration that another apostle Paul wrote Things in which are some things hard to be understood 2 Peter 3 16 Imagine one inspired apostle speaking about another inspired apostle s writings But such as any Christian will testify is the absolute truth about Scriptures they can be hard to comprehend In my years interacting biblically there are three comments I would inevitably get about three Scripture portions that reflect the statement by Peter two sections in Paul s letter to Romans Romans 7 and 11 and one from the Apostle John Revelation With John s Revelation difficulties are universal and always the same subjects of books and conversations How should we read and interpret the book of Revelation with all the symbols visions etc Anyone today will be familiar with the Left Behind series and the work that spawned many such books The Late Great Planet Earth of the early 70s Ideas on this book are legion I have expounded on the first eleven chapters of Revelation verse by verse to attempt to show that the intended edification John had in mind when writing this work see Revelation 1 1 3 etc actually was understood and edifying to the saints of the first century and also to us I wrote to show that if we are careful to lean on the Old Testament and its style of writing in particular the book of Daniel the book of Revelation turns out to be quite a straightforward work especially if we let Scripture interpret Scripture example Revelation 6 16 compare Luke 23 27 30 Indeed I think the truths of Revelation chapters 1 through 11 are so self explanatory that the chapters that follow if we keep comparing Old Testament and New Testament Scriptures will fall quite naturally into place Details may be tough but general themes come out much clearer In my life preaching and exhortation a section of the Bible somewhat akin to the subject of Revelation would arise day in and day out what is the meaning of Romans 11 26a And all Israel shall be saved and how does it speak to the future of Israel This verse was the central text for our greatest expository thinkers the Puritans and from the 1600s through the 1800s and into our twentieth century This chapter was the basis for what was known as Puritan PostMillennialism as opposed to the PreMillennialism of men like Tim Lahaye and Hal Lindsay In this book the section on Romans 11 like Revelation and Romans 7 is handled verse by verse and is expounded systematically and slowly so that the

mysteries that have often hung over Christians here might be seen in a newer clearer light In my travels I ve found many books and too many conversations approach these passages without regard to surrounding ideas There is a desire for answers to Bible verses that as Peter said were hard to be understood and without some patience we will twist to our own harm and misunderstanding Views are abundant when the subject is Romans 7 The inevitable comment or question asked in multiple ways is who is that guy in Romans 7 that cannot do what he wishes to do It was Romans 7 13 25 that this type question arose and I discovered over a period of a year the various views of this passage as well as the beauty power and answer to the question of who is that guy in Romans s7 Indeed the study and writing of just Revelation chapters 1 11 Romans 7 13 25 and Romans 11 11 32 verse by verse bore the fruit I believe we all desire when the going gets tough This book is the fruit of a slow and steady exposition of these three aspects of the Scriptures Romans 7 13 25 Romans 11 11 32 and Revelation chapters 1 11 As in any work in the Word of God the wonders and glories you gain are incalculable
