Yemisi Jimoh,2002 In this book A Yemisi Jimoh demonstrates the critical influence of music on the fiction of various twentieth century African American writers Exploring novels and short stories by Toni Morrison John Edgar Wideman Zora Neale Hurston James Baldwin Ralph Ellison and others Jimoh shows how black musical traditions specifically Spirituals Blues and Jazz are used to shape characterizations and thematic content and to evince ideas emotions and experiences The author s analysis situates the literary texts she discusses within the diverse social energies of their times and locates important intersections where music history politics and literature meet Jimoh carefully distinguishes among the different musical forms and shows how in fiction they are transformed into rich metaphors She explains for example how characters and themes drawing on the Spiritual Gospel tradition de emphasize human agency depicting earthly survival as a transitory state and heavenly triumph as a victory By contrast in Blues fiction characters must often negotiate an environment of alienation change and uncertainty in order to achieve a more earthly triumph even if that triumph is only survival Jazz fiction meanwhile goes beyond Blues and Spiritual expressions to explore new realms revealing a space for infinite options radical change resistance and revolution This innovative book examines novels that have not previously received extensive attention including Albert Murray s *Train Whistle Guitar* Wallace Thurman s *The Blacker the Berry* and Ann Petry s *The Street* At the same time it brings fresh and intriguing readings to such widely studied works as Ellison s *Invisible Man* and Morrison s *Sula* Finally it suggests some exciting directions for future study as new generations of African American musicians and writers continue to develop and expand on established traditions and forms The Author A Yemisi Jimoh is an associate professor of English at the University of Arkansas Fayetteville Her articles have appeared in *African American Review* *Contemporary African American Novelists* and other publications **Excellence in Worship** Darrelle R. Alexander,2006-07-27 Church musicians compensation obfuscates many religious people One commentator of a nationally syndicated religious radio program stated that from all the religious questions none is as controversial as Should church musicians should be paid

Darrell Alexander resolves the answer through fundamental Bible texts If you are a church musician minister of music soloist instrumentalist choir member church member trustee finance committee member music workshop organizer teacher music workshop presenter praise team member interested in becoming a church musician choir president organist pianist choir director chorister church board member deaconess pastor asst pastor deacon professors a bishop a priest a member of the leadership system for your congregation denomination and or any religious organization students of Theology Music Worship and Praise Sacred Music or just have a curiosity about whether church musicians should be compensated then this book is a MUST READ for you Darrell Alexander the author discusses the foundations of the creation of the world Lucifer and the war in Heaven the Levites tithes and offerings and ways to bridge the gap between ministers musicians choir members administrations and leadership systems of churches and religious denominations How do we differentiate between who is compensated in the church or not compensated The author prays that Excellence in Worship Should Church Musicians Be Paid helps to transform any assumptions of ideations paradigms and traditions within churches and denominations and their leaders and members concerning the subject so that we all may continue to strive for excellence in worship to God Every church and its members and officials should have a copy in their library Excellence in Worship Should Church Musicians Be Paid is straight talk concerning music excellence in worship tithes offerings and the church Colored Women Sittin' on High Melanie R. Hill, 2025-04-29 From blue note turmoil to grace note power Black women preachers stand tall In Colored Women Sittin on High Melanie R Hill offers a new perspective on the art of the sermon in African American literature music and theology Drawing on the womanist cadence of Alice Walker in literature and the rhythmical flow of named womanist theologians Hill makes interventions at the intersections of African American literary criticism music and religious studies Pushing against the patriarchal dominance that often exists in religious spaces Hill argues that Black women s religious practice creates a sermonic space that thrives inside and outside the church allowing for a critique of sexism and anti Black racism She examines literature by writers such as Zora Neale Hurston and James Baldwin music by Aretha Franklin and Ms Lauryn Hill and sermons by theologians Ruby Sales and Vashti M McKenzie and she takes readers into a sermonic artwork of artists preachers and freedom movement activists who are as Hill contends the greatest virtuosic alchemists of our time
