life and teaching of the Buddha from many sources and fashioned a coherent and gripping narrative which would be understood by Americans as very much like a Christian gospel. The Gospel of Buddha was quickly translated into Japanese and other Eastern languages and was taken up by teachers in the Buddhist world. This Gospel tells the story of the Prince Siddhattha raised by his parents to be ignorant of all evil and suffering and then was traumatically confronted by the spectacle of old age, sickness and death. Giving up his family and his kingdom to seek Enlightenment, Siddhattha became a holy man asking questions of religious authorities and practicing abstention. Then he found Enlightenment and became the Buddha when he understood the Four Noble Truths and became a travelling preacher spreading the word of the new religion based on freedom from suffering by renunciation of the ego.

[The Gospel of Buddha](#) Paul Carus, 2021-09-13. The Gospel of Buddha tells the story of the Buddha through parables. Although this is not a literal translation of the Buddhist Sutras, the author has chosen here and there in their enormous and grouped mass to make a homogeneous whole, the most characteristic passages, the most suitable to bring to light the moral and philosophical doctrines of Buddhism. Paul Carus always scrupulously respected the spirit of the Buddhist Sutras and that even by the systematic grouping of these various texts, The Gospel of Buddha gives Buddhist conceptions a more striking impression and perhaps just as true as could be a translation of these scriptures. Apart from the first three chapters, perhaps the author's imagination has nothing to do with it. This book is easier and more pleasant to read than the original Sutras with their interminable lengths and repetitions and to which moreover numerous references allow easy reference. Publisher's note for the printed edition: in order to be more enjoyable during reading, this book is in 6 x 9 format. In the same spirit, the paper is cream-colored which causes less fatigue to the eyes than white paper. All our publications are carefully crafted both in terms of typography as well as design. Publisher's note for the Kindle edition: our Kindle publications are carefully crafted with Table of Contents, Index, Footnotes and References when applicable. A strong emphasis has been put on the typography as well as the design. Your comments are welcome at discoverypublisher.com. Thank you for choosing Discovery Publisher.

[The Gospel of Buddha According to Old Records](#) Paul Carus, 1917. *The Gospel of Buddha* Paul Carus, 2017-10-14. Originally published in 1894, this book was one of the first introductions of Buddhism to the West. In particular, the topic is approached from a Christian point of view, showing parallels between the teachings of the two faiths and between their respective holy figures. This edition contains the beautiful original images and is often recommended to Christians wishing to learn more about the teachings of Buddhism. Paul Carus had an obvious and deep respect for Buddhism and other Eastern traditions and that shines through in this work. It contains fine descriptions of the Four Noble Truths and the Eightfold Path as well as many parables of the Buddha. Where documents have been translated while they would doubtless have been translated differently these days, they have been done so with great sensitivity. The Buddha's Gospel Lindsay Falvey, 2002 Described as unique and a great service to understanding this book is intended for three groups Western Buddhists that bulk of the West that have no religious affiliation yet know there is something more to life and Buddhists in Asia who follow the encounter of the dharma with the West It highlights the pervasive similarities in the teachings of Jesus and the Buddha as they were probably originally presented In its six chapters and appendix it compares the two great teachers the Buddha and Jesus briefly charts the process by which experts have produced words readily attributed to Jesus and presents a Buddhist imitation of these words based on the hypothetical Sayings of Jesus It then considers congruence between the Buddha's and Jesus teachings before offering both Buddhist and Christian interpretations An appendix re presents the Buddhist imitation of Jesus words as a continuous text Dr Falvey introduces his work Jesus speaking the Buddha's words exudes audacity and ignorance yet this work essentially wrote itself as a product of my

socialization a modicum of Christian theological study and its explication through three decades of casual association with Thai Buddhism Differences between the two traditions such as Christianity relying on a God while Buddhism denies the existence of a God proved themselves facile upon consideration of the metaphorical intent of teachings of both traditions
