Covenant of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's Covenant of Peace remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to

peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace **The Pursuit of Peace** Betsy E. Caram, 2018-06-08 We are living in a time of increasing confusion and turmoil People in the world are full of insecurity they are troubled lonely and full of self doubt In the midst of such uncertainty peace is a sacred treasure Yet the sad truth is that many people and this includes many Christians have never enjoyed the blessings of true peace Peace seems illusive and out of reach and very difficult to maintain in our daily lives God s Word however encourages those who belong to Him to diligently seek peace and pursue it Ps 34 14 This divine directive is meant to stir us up If we truly desire to live a victorious Christian life we cannot just be satisfied with wishing or yearning for peace Instead we must enthusiastically pursue it and when we find it we must grab hold of it and not let it go For all who seek an inner calm from the fears and frustrations of life it is our prayer that this book will help you in your personal pursuit of peace Through Jesus Christ we have been promised abundant life Jn 10 10 Still many Christians cling to the wrong belief that abundant life is only possible when we reach heaven However there are keys in God s precious Word that when unlocked and received within our spirit will bring us to that place of peace we are longing for in this life These keys which are established for us in The Pursuit of Peace will enable us to Win the War Within as we conquer our insecurities through the wonderful life changing Word of God

Advocate of Peace and Universal Brotherhood ,1859 **If Jesus Is Lord** Ronald J. Sider,2019-07-16 What does Jesus have to say about violence just war and killing Does Jesus ever want his disciples to kill in order to resist evil and promote peace and justice This book by noted theologian and bestselling author Ronald J Sider provides a career capstone statement on biblical peacemaking Sider makes a strong case for the view that Jesus calls his disciples to love and never kill their enemies He explains that there are never only two options to kill or to do

nothing in the face of tyranny and brutality There is always a third possibility vigorous nonviolent resistance If we believe that Jesus is Lord then we disobey him when we set aside what he taught about killing and ignore his command to love our enemies This thorough comprehensive treatment of a topic of perennial concern vigorously engages with the just war tradition and issues a challenge to all Christians especially evangelicals to engage in biblical peacemaking The book includes a foreword by Stanley Hauerwas
