I've said I was always being asked to try and write down my memories of certain times in my childhood and youth but of course the biggest drawback was finding the time to be able to do it when you have a family and are engaged in earning a living which was of course the priority and other things took precedence **The Keepers of the Gate** Sydney C. Grier, 1911

The Second Gate , *The Enquiring Classroom (RLE Edu O)* Stephen Rowland, 2012-05-04 This book by closely recording and reflecting upon the work and play of a group of 9 to 11 year old children in a primary classroom develops an approach to teaching and learning which is based upon the ways in which children are able to exercise a controlling influence over their own learning activity It also suggests the sharing and analysis of classroom experience should be part of a teacher's day to day life The material for the book was gathered during a year of classroom enquiry in which the author combined the roles of teacher and researcher working alongside the normal class teacher in a primary school Samples of the children's work are carefully described and analysed in an attempt to get behind the overt behaviour of the children and reveal the purposes concerns and thinking that underlies their activity **Library of Congress Catalogs** Library of Congress, 1970 The history of Clerkenwell.
