Clemens Spahr, 2022-03-03 *American Romanticism and the Popularization of Literary Education* focuses on three Romantic educational genres and their institutional and media contexts the conversation literary journalism and the public lecture The genres discussed in this book illustrate the ways in which the Transcendentalists engaged nineteenth-century media and educational institutions in order to fully realize their projects The book also charts the development from the semi public conversational platforms such as Alcott's Temple School and Fuller's conversations for women in the 1830s to the increasingly public periodical culture and lecture platforms of the 1840s and the early 1850s This expansion caused a reconsideration of the meaning and function of Romanticism

**Booker T. Washington's Up from Slavery and the Life of Frederick Douglass** Booker Washington, Frederick Douglass, 2016-09-01 This book contains both classics by Booker T

Washington and Frederick Douglass both men who were born slaves but became world renowned thinkers and educators in their time The Narrative of the life of Frederick Douglass was published eighteen years before the abolition of slavery in the United States and describes the immense efforts Frederick Douglass went through to educate himself free himself and then work to free the rest of his country Booker T Washington's account on the other hand describes the tremendous task of building up the Tuskegee Institute quite literally brick by brick after Emancipation The two books complement one another tremendously each giving the other a sense of perspective and context

**Narrative of the Life of Frederick Douglass, an American Slave** Frederick Douglass, 2015-01-01 Frederick Douglass was a key figure in helping to secure the abolition of slavery in America discover his Narrative A masterpiece Douglass was not only self educated with a love of language which should still be an inspiration he was also self created New York Times Frederick Douglass was born into slavery in Maryland in 1818 After his escape in 1838 he became an ardent abolitionist and his autobiography was an instant bestseller upon publication in 1845 In it he describes with harrowing honesty his life as a slave the cruelty he suffered at the hands of plantation owners his struggles to educate himself in a world where slaves are deliberately kept ignorant and ultimately his fight for his right to freedom A passionately written intelligent and highly emotive indictment of slavery his principle preoccupation was that slavery could be eradicated only through education This text was key in helping to secure its eventual abolition

**Educated for Freedom** Anna Mae Duane, 2022-02 The powerful story of two young men who changed the national debate about slavery In the 1820s few Americans could imagine a viable future for black children Even abolitionists saw just two options for African American youth permanent subjection or exile *Educated for Freedom* tells the story of James McCune Smith and Henry Highland Garnet two black children who came of age and into freedom as their country struggled to grow from a slave nation into a free country Smith and Garnet met as schoolboys at the Mulberry Street New York African Free School an educational experiment created by founding fathers who believed in freedom's power to transform the

country Smith and Garnet's achievements were near miraculous in a nation that refused to acknowledge black talent or potential The sons of enslaved mothers these schoolboy friends would go on to travel the world meet Revolutionary War heroes publish in medical journals address Congress and speak before cheering crowds of thousands The lessons they took from their days at the New York African Free School 2 shed light on how antebellum Americans viewed black children as symbols of America's possible future The story of their lives their work and their friendship testifies to the imagination and activism of the free black community that shaped the national journey toward freedom
