Edge Of Paradise:

The Impossible Life of Mary Benson Rodney Bolt, 2013-04-01 The remarkable true story of the life of Mary Benson wife of an archbishop friend of Queen Victoria mother of three unpermissably gifted children including E F Benson and in love with dozens of women Sometimes touching and sometimes hilarious this is the story of one lovable brilliant woman and her trajectory through the often surprising opportunities and the remarkable limitations of a Victorian woman s life Young Minnie Sidgwick was just 12 years old when her cousin 12 year old Edward Benson proposed to her in 1853 Edward went on to become Archbishop of Canterbury and little Minnie as Mary Benson to preside a social world that ranged from Tennyson Henry James and Oscar Wilde to foreign royalty and Queen Victoria herself Yet Mrs Benson s most intense relationships were not with her husband and his associates but with other women When the Archbishop died Mary or Ben to her intimates turned down an offer from the Queen to live at Windsor and set up home in a Jacobean manor house with her friend Lucy Tait Drawing on the diaries and novels of the Bensons themselves including E F Benson s Mapp and Lucia novels as well as the writing of contemporary writers and poets this book creates a very rich portrait of Mary Benson her family her close female friends and their world

Edge of the Screen Murray Pomerance, 2024-11-14 This book is a series of seventeen meditations that revolve around the notion of the viewer s placement at the edge of the screen Every page is an opportunity to think about an aspect of film or of film viewing in new ways and to begin reconsidering deeply ingrained ways of unthinkingly characterizing and accounting for what it is that we watch when we watch a film what happens to us and how we make sense of and appreciate it This volume follows from three others by the author *Virtuoso Film Performance* and *the Actor s Magic* 2020 *The Film Cheat Cinematic Artifice and Viewing Pleasure* 2021 and *Uncanny Cinema Agonies of the Viewing Experience* 2022 All of these including *Edge of the Screen* meander and interrogate cinema as we watch it both connecting us to and disconnecting us from the moment of pleasure Each meditation is characterized by a deep penetration of the inquiring continually hungry authorial mind and a very extensive set of analyses of filmic moments from myriad films including 2001 A Space Odyssey Memento Zabriskie Point An American in Paris Planet of the Apes 1968 Superman 1978 Possessed The Jungle Book 1942 The Spy Who Came In from the Cold The Toll of the Sea Rope and numerous others These meditations are careful and philosophical as much as energetically ruminative yet are written in an accessible style for all interested readers who both love cinema and wonder about that love Each chapter can stand alone even though all work together to challenge perspectives on what we encounter experience think and feel when we watch films Across its chapters *Edge of the Screen* takes on a wide range of topics the ontology of film the relation between characters actors and the figures who appear onscreen film s relationships to the other arts especially painting but also novels and theatre the passage of time in film and its momentary character film criticism including deeply held values such as coherence film s relationship to mortality and more

Ancient Egypt to contemporary pop culture by the author of The Book of Gryphons Library Journal The phoenix which rises again and again from its own ashes has been a symbol of resilience and renewal for thousands of years But how did this mythical bird come to play a part in cultures around the world and throughout human history Here mythologist Joseph Nigg presents a comprehensive biography of this legendary creature Beginning in ancient Egypt Nigg s sweeping narrative discusses the many myths and representations of the phoenix including legends of the Chinese where it was considered a sacred creature that presided over China s destiny classical Greece and Rome where it appears in the writings of Herodotus and Ovid medieval Christianity in which it came to embody the resurrection and in Europe during the Renaissance when it was a popular emblem of royals Nigg examines the various phoenix traditions the beliefs and tales associated with them their symbolic and metaphoric use and their appearance in religion bestiaries and even contemporary popular culture in which the ageless bird of renewal is employed as a mascot and logo An exceptional work of scholarship Publishers Weekly U.S.

Remaking Micronesia David L. Hanlon, 1998-03-01 America s efforts at economic development in the Caroline Mariana and Marshall Islands proved to be about transforming in dramatic fashion people who occupied real estate deemed vital to American strategic concerns Called Micronesians these island people were regarded as other and their otherness came to be seen as incompatible with American interests And so underneath the liberal rhetoric that surrounded arguments proposals and programs for economic development was a deeper purpose America s domination would be sustained by the remaking of these islands into places that had the look feel sound speed smell and taste of America had the many and varied plans actually succeeded However the gap between intent and effect holds a rich and deeply entangled history Remaking Micronesia stands as an important imaginative much needed contribution to the study of Micronesia American policy in the Pacific and the larger debate about development It will be an important source of insight and critique for scholars and students working at the intersection of history culture and power in the Pacific **Pub147, 2004 Sailing Directions (Enroute)** NIMA, 2004 Sailing Directions 147 Enroute Volume 1 covers the Caribbean Sea from Bermuda and the Straits of

Learning Thomas Festa,2013-09-13 This book shows that education constitutes the central metaphor of John Milton's political as well as his poetic writing Demonstrating how Milton's theory of education emerged from his own practices as a reader and teacher this book analyzes for the first time the relationship between Milton's own material habits as a reader and his theory of the power of books Milton's instincts for pedagogy and the habits of inculcation everywhere visible in his writings take on a larger political function in his use of education as a trope for the transmission of intellectual history The book therefore analyzes *Paradise Lost* in the complementary contexts of its outright educational claims and more subversive countervailing measures in order to show how Milton dramatizes the end of learning which is to say both its objective and its failure The thesis emphasizes the argumentative resourcefulness of Milton's efforts to liberate readers from the tyrannical bonds of their political innocence most immediately in the context of the failure of Cromwell's regime to establish lasting republican institutions More philosophically the book explores the ways in which Milton's works investigate the humane and intellectual yearning for justice in response to the problem of evil *A Man's Place* John Tosh,2007-01-01 Based on family records and didactic texts this book reconstructs how men of the Victorian middle class experienced the demands of an exacting domestic code and how they negotiated its contradictions *Heaven I* Dr Jaerock Lee,2009-08-31 At least once in a life time one probably has questions like Where am I going after life in this world or Do heaven and hell really exist Many people die even before they find answers to such questions or even if they believe in the afterlife not everybody possesses heaven because not everybody has the proper knowledge Heaven and hell are not a fantasy but a reality in the spiritual realm Dr Jaerock Lee relates his expectations of Heaven and the afterlife to readers in *Heaven I* The book is directed at the Christian audience and would offer another perspective of heaven and hell Dr Lee describes heaven in all of its glory covered in gold lined streets jeweled buildings and beautiful gardens that never wilt The author discusses about the life and beauty and the different places of heaven and rewards given according to the measure of faith *Duality* Krisha Anant,2021-06-01 These ideas are not truths And in this world of duality We are the youths We choose our own reality Krisha Anant understands the world can be both wonderful and cruel and that her reactions to events have the power to help shape her identity In her first collection of poems Krisha explores various themes and experiences that have impacted her coming of age journey while inviting others to look deep within to explore their own responses Her reflections touch on the wishes that seem stuck in the realm of fantasy and the hopes she hears call in her soul the memories that remain within the pockets of an old red coat the words that are better left unsaid and a man who lives in 403B *Duality* shares poems that reflect on the darkness and beauty in learning to accept ourselves and the choices that each one of us must make as a part of growing up
