Muslim Travellers Dale F. Eickelman,James Piscatori,2013-11-05 Pilgrimage travel for learning visits to shrines exile and labour migration shape the religious imagination and in turn are shaped by it Some travel such as pilgrimage explicitly intended for religious purposes has equally important economic and political consequences Other travel not primarily motivated by religious concerns and thus neglected by many scholars nonetheless profoundly influences religious symbols metaphors practices and senses of community These studies encompassing Muslim societies from Malaysia to West Africa also suggest how encounters with Muslim others have been as important in shaping community self definition as encounters with European others This volume brings together historians social scientists and jurists concerned with pilgrimage scholarly travel and migration in both medieval and contemporary Muslim societies and explores basic issues Can Muslim travel be

regarded as a distinct form of social action What role does religious doctrine play in motivating travel and how do doctrinal interpretations differ across time and place What are the strengths and limitations of various approaches to understanding the transnational and local significance of pilgrimage migration and other forms of travel An image of Muslim tradition and change in local communities in relation to travel emerges which competes with the myth of the universality of the Islamic community

The Mis-Education of Joy Paul C. Agard, 2010-06 The Mis education of Joy is the story of three lives that intersect one semester in a college classroom and as a result these lives are profoundly changed forever Joy Hunter is an enthusiastic young girl who shares her faith with everyone At seventeen she has always depended on her religious faith to overcome her many obstacles One of which is a childhood illness that threatened her with no more than fifteen years of life Upon graduating high school and being accepted to a local college Joy for the first time is hopeful about her future At college she meets Jim Byrnes a history professor with a clouded past and a deep rooted contempt for religion The classroom explodes as Professor Byrnes is challenged by a student named Paul who the class has labeled the fanatic and Joy s faith is put to a new test Fearing her light is growing dim because of her doubt Joy finds herself searching for answers but who will she turn to and where is the unseen hand of God that watched over her for 17 years As Joy Professor Brynes and Paul seek to separate fact from fiction they each encounter grace Told in traditional dialogue form The Mis education of Joy is a heartwarming tale that explores the rights of the believer in a secular society while showing the role of the believer in a secular society An insightful story that dares to expose the religious intolerance of our nation but yet is powerful enough to touch your heart Highly recommended Rev Dr Walter L Davis III It is a true page turner that reminds us that faith persists not because we will it but because it has a presence and force all of its own The Miseducation of Joy is long overdue Gaelle Affiany Graduate Student Critics will be challenged and Christians will be encouraged to know that the Word of God is believable and trustworthy Myra Rosa High School Science Teacher
