Tintner,2015-06-15 These new and classic essays researched and written over a 25 year period are driven and enriched by the enthusiasm curiosity and passion of a scholar still making discoveries about a subject of lifelong fascination Essays at the center of the collection explore Wharton s textual relationships with authors whom she knew well especially Henry James but also Paul Bourget F Marion Crawford and Vivienne de Watteville **American Boarding School Fiction, 1928-1981** Alexander H. Pitofsky,2014-07-18 When boarding school fiction became popular in the 19th century it tended to be warm and nostalgic filled with sporting events practical jokes and schemes to get even with campus bullies All of that changed in the era discussed in this book Holden Caulfield the narrator of J D Salinger s *The Catcher in the Rye* drops out of one prep school and is expelled from two others The conflicts between students in John Knowles s *Devon School* novels become so heated that two young men die And in the controversial novel *Good Times Bad Times* James Kirkwood portrays the headmaster of a private academy as closeted deeply neurotic and infatuated with an 18 year old who has recently enrolled at his school In spite of their unsettling images of anguish and cruelty these and other American boarding school novels have attracted large audiences and influenced countless school narratives in fiction drama television and film Many books have been written about British school stories This is the first study that explores the history of boarding school fiction in the United States *The Man Behind the Book* Louis Auchincloss,2021-05-12 Twenty three biographical essays on writers admired by the National Medal of Arts winning author of *The Education of Oscar Fairfax* For Louis Auchincloss life and letters are not two things but one It therefore comes as no surprise that when he writes about writers their lives are considered as closely as their works He takes what today is a refreshingly unpopular position that the artist and his art cannot be teased apart that biography of criticism and criticism biography For Mr Auchincloss it all boils down to that maxim of Buffon s the style s the man the man behind the book The twenty three writers discussed here are a mixed lot English American and French novelists poets and playwrights Jacobean Victorians and moderns yet each has meant a great deal to Mr Auchincloss as a reader and a writer Some of them are classics and familiar Auchincloss subjects Sarah Orne Jewett Henry James Ivy Compton Burnett Others among them Prosper Merimee Harold Frederic and Amy Lowell were famous once but are now obscure In their cases it is Mr Auchincloss s self described task to explore the reasons for their fall from grace reasons that prove to be unfailingly personal as well as artistic But as Mr Auchincloss would rather praise and share than damn and dismiss it is also

his task to seek the portions of their work that may still merit attention Alfred Kazin once noted that Mr Auchincloss's essays are marked by perfect literary grace and wit These qualities have never been so evident as in this volume an informal study of some of the author's favorite books and the fascinating artists behind them The Headmaster's Dilemma Louis Auchincloss, 2007 In The Headmaster's Dilemma Louis Auchincloss revisits the prep school world of his most famous novel That book The Rector of Justin published in 1964 took the form of a fictional biography giving the reader the full life story of a much beloved and revered if also feared headmaster of an exclusive New England prep school In The Headmaster's Dilemma we see up close what happens when a school's ideals and founding principles collide with the exigencies of change The Headmaster's Dilemma is the story of Michael Sayre the handsome avant garde headmaster of Averhill the great New England prep school as he is faced with a school administrator's worst nightmare a lawsuit brought by fervent parents in response to an incident involving their son and an upperclassman To make matters worse Michael is losing support from both the board of trustees led by the conniving Donald Spencer and senior faculty members With the help of his supportive wife Michael attempts to right these wrongs while keeping Averhill's best interests in mind **East Side Story** Louis Auchincloss, 2017-11-01 A novel of power and hypocrisy in upper class New York that follows the rise of one prominent family generation after generation The New Yorker How did the families who live on Manhattan's Upper East Side get to where they are today This engaging saga by a New York Times bestselling author charts the rise of an uncommon family in America's grandest city East Side Story tells of the Carnochan family whose Scottish forebears established themselves in New York's textile business during the Civil War From there they quickly moved on to seize prominent positions in the country's top schools and Manhattan's elite firms As the novel unfolds Carnochans across generations recount stories about their illuminating lives steeped in both good fortune and moral jeopardy From women who outsmart their foolish husbands to ambitious lawyers who protect the Carnochan name to the family's artists and writers all weigh the question that infuses so much of Louis Auchincloss's fiction What makes for a meaningful life in a family that has so much Some writers inform some instruct and some tell how rewarding good prose can be John Kenneth Galbraith once observed Louis Auchincloss does all three In its starred review Kirkus Reviews called East Side Story a rich chronicle that succeeds in humanizing a rare and much maligned species of Americans for those who don't come across them very much Auchincloss's superb novel is both a loving and wicked look at New York's Yankee aristocracy as only this sublime master of manners can provide **The Rector of Justin** Louis Auchincloss, 2002 Regarded as one of Louis Auchincloss's most accomplished novels THE RECTOR OF JUSTIN centers on Frank Prescott the founder of an exclusive school for boys Eighty years of his life unfold through the observations of six narrators each with a unique perspective on the man his motivations and the roots of his triumphs and failings The Young Apollo Louis Auchincloss, 2006-04-11 Short stories from a New York Times bestselling author in settings ranging from Edwardian garden parties to 1970s Manhattan While bringing to life stories of the past filled with

aristocracy and hint at a new ambitious young elite In the title story a tour de force of humor and emotion a clergyman prepares a toast for his twenty fifth wedding anniversary but gets stuck when it comes to his wife s five year affair The narrator in DeCicco v Schweizer imagines the lives of the plaintiff and defendant and spins a wicked tale about a 1902 marriage born more of convenience than of love And in The Last of the Great Courtesans we meet the unforgettable Milly Marion born in 1917 who has bewitched everyone she has met in her long colorful life Whether these stories concern an anxious draft dodger a repentant headmaster or a mischievous writer who ill advisedly draws from her own family for her fiction they all offer soulful glimpses into an uncommon world preserved in our past and yet surprisingly close to our hearts His themes are universal ambition greed disappointment compromise Some of the most memorable characters are women trying to find their way in a time of more restricted choices It s easy to get lost in the author s elegant and restrained prose
