Higher Education Governance in East Asia Jung Cheol Shin, 2018-10-01 This book deepens our understanding of how higher education governance has recently changed in the rapidly developing higher education systems of East Asia Focusing on China Japan Korea Malaysia and Taiwan it explains the implications of how state centered political systems interpret political and economic environments such as neoliberalism as well as how each system is coping with global pressures The book makes a valuable contribution to organization studies in higher education by investigating and detailing how individual higher education institutions are

responding to their new environments      *Governing Education* Paul C. Bauman,1996 The purpose of this work is to clarify issues and opportunities associated with changes in educational governance The work of scholars practitioners advisory groups and citizens come together around the politics of education      Paradigm Shift of Education Governance in China Yan Wang,2019-10-16 The book addresses the paradigm shift in education governance in China through a study of two legislation episodes in China the 1986 Compulsory Education Law and the 2006 Compulsory Education Law Amendment The research began with two broad questions how was the Compulsory Education Law made and amended Why was it made and amended Using ethnographic interviews and documentary analysis as the main research methods more specific questions on both legislative processes were delved into as the research evolved What were the driving forces behind the 1986 and 2006 legislation What values of compulsory education were assumed in their central decisions What was the institutional rationale underpinning them Data was collected through ethnographic interviews with key informants involved in the policymaking process The research findings were analyzed and presented on the basis of narration analysis The policymaking process of the legislation was then analyzed from three paradigms agenda setting decision making and organizational behavior Finally by examining the results of the previous stages of analysis and further comparing the two cases the research arrived at a theoretical framework for education governance that embraces three essential elements political ideology perceived value of education and institutional rationale A thorough analysis of the two legislative processes identified that the political ideology which shifted from efficiency oriented economic well being to equity oriented social cohesion steered the agenda setting of the compulsory education legislation The perceived value of education reflects the role that education plays in development changing from economic value to social value The institutional rationale essentially determines strategies by which compulsory education materializes with a variance from governing by goal and mobilization to governing by accountability and regulation In conclusion education governance in China witnessed a paradigm shift from economic instrumentalism to social rationalism between mid 1980s and 2006      Handbook of Local Government Administration John J. Gargan,2019-09-17 This theoretically and experientially grounded reference provides a complete overview of the principles and applications of government administration and management practices in the local public sector Written by over 25 distinguished academics and professionals with substantial experience as practitioners and consultants of administrative operations to local governments the book covers the effects of environmental conditions on local administrators and management techniques to administration in different types of local government It helps readers reduce research time by presenting advanced materials on local government administration and management in a single source      **Education Governance for the Twenty-First Century** Paul Manna,Patrick McGuinn,2013-01-03 A Brookings Institution Press with the Thomas B Fordham Institute and the Center for American Progress publication America s fragmented decentralized politicized and bureaucratic system of education governance is a major impediment to school reform In this important new

book a number of leading education scholars analysts and practitioners show that understanding the impact of specific policy changes in areas such as standards testing teachers or school choice requires careful analysis of the broader governing arrangements that influence their content implementation and impact Education Governance for the Twenty First Century comprehensively assesses the strengths and weaknesses of what remains of the old in education governance scrutinizes how traditional governance forms are changing and suggests how governing arrangements might be further altered to produce better educational outcomes for children Paul Manna Patrick McGuinn and their colleagues provide the analysis and alternatives that will inform attempts to adapt nineteenth and twentieth century governance structures to the new demands and opportunities of today Contents Education Governance in America Who Leads When Everyone Is in Charge Patrick McGuinn and Paul Manna The Failures of U S Education Governance Today Chester E Finn Jr and Michael J Petrilli How Current Education Governance Distorts Financial Decisionmaking Marguerite Roza Governance Challenges to Innovators within the System Michelle R Davis Governance Challenges to Innovators outside the System Steven F Wilson Rethinking District Governance Frederick M Hess and Olivia M Meeks Interstate Governance of Standards and Testing Kathryn A McDermott Education Governance in Performance Based Federalism Kenneth K Wong The Rise of Education Executives in the White House State House and Mayor s Office Jeffrey R Henig English Perspectives on Education Governance and Delivery Michael Barber Education Governance in Canada and the United States Sandra Vergari Education Governance in Comparative Perspective Michael Mintrom and Richard Walley Governance Lessons from the Health Care and Environment Sectors Barry G Rabe Toward a Coherent and Fair Funding System Cynthia G Brown Picturing a Different Governance Structure for Public Education Paul T Hill From Theory to Results in Governance Reform Kenneth J Meier The Tall Task of Education Governance Reform Paul Manna and Patrick McGuinn     Principles of Governance and Administration in Higher Education Paul Westmeyer, 1990-07-01     *Resources in Education* , 2000
