*Educational Policy Making and the Courts* Michael A. Rebell, Arthur R. Block, 1982      **Handbook of Education Politics and Policy** Bruce S. Cooper, James G. Cibulka, Lance D. Fusarelli, 2008-06-30 Written by a mix of established and rising stars in school politics policy law finance and reform this comprehensive Handbook provides a three part framework that helps organize this relatively new and loosely organized field of study A central theme running through the book is how to harness politics to school equity and improvement Key features include Thematic Discussions detailed discussions of key topics in educational politics are organized by themes and competing perspectives The overarching themes are 1 the goals of the U S political system justice equity opportunity efficiency and choice 2 the means and resources for reaching these goals and 3 the political behaviors and compromises that seek to mitigate ideological differences and conflicts of interest Research Oriented in addition to summarizing the latest research connected to key topics each chapter exemplifies and reports on the methods and techniques for further exploration of these topics Reform Oriented throughout the book and especially in the summarizing chapter authors provide suggestions for improving the political behaviors of key educational groups and individuals unions superintendents politicians school boards teachers and parents      **Equality in Education Law and Policy, 1954-2010** Benjamin M. Superfine, 2013-03-11 Examines how the concept of equality in education law and policy has transformed from *Brown v Board of Education* through the Stimulus      Journal of Legal Studies ,      **Justice and School Systems** Barbara Flicker, 2011 Examines the effectiveness and deficiencies of judicial intervention into the problems of racial discrimination in education      The Future of Economic and Social Rights Katharine G. Young, 2019-04-11 Captures significant transformations in the theory and practice of economic and social rights in constitutional and human rights law      The ^ACourts and Standards Based Reform Benjamin Michael Superfine, 2008-07-29 The increasing involvement of the courts in standards based reform is one of the most important developments in Education Law since the courts became involved in desegregation This book explores how the courts growing role in educational policy impacts the standards based movement in areas such as school finance reform and the No Child Left Behind Act and explains how the courts role will change in the coming years      ABA Journal , 1983-03 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association      *Children as Pawns* Timothy A. HACS, Timothy A Hacs, 2009-06-30 Head Start Bilingual education Small class size Social promotion School funding Virtually every school system in America has had to face these issues over the past thirty years Advocates and dissenters have declared confidently that the research is on their side But is it In the first book to bring together the recent history of educational policy and politics with the research evidence Timothy Hacs presents the illuminating often forgotten stories of these five controversial topics He sifts through the complicated evaluation research literature and compares the policies that have been adopted to the best evidence about what actually works He lucidly explains what the major studies

show what they don't and how they have been misunderstood and misrepresented Hacsí shows how rarely educational policies are based on solid research evidence and how programs that sound plausible simply do not satisfy the complex needs of real children

**Courts as Catalysts** Matthew H. Bosworth, 2001-06-07 Discusses state supreme courts and funding equity reform in Texas Kentucky and North Dakota

**The Great Education Debate** Benjamin D. Stickney, Laurence R. Marcus, 1984

**Equality and Education** Michael A. Rebell, Arthur R. Block, 2014-07-14 Using an innovative blending of ideological implementation and comparative institutional analysis this book takes the New York City case as a springboard for assessing the role of an executive agency in making and implementing egalitarian policies Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**The New Handbook of Teacher Evaluation** Jason Millman, Linda Darling-Hammond, 1990 The 25 chapters in this handbook examine evaluation purposes processes and methods and discuss how they shape the implementation and outcomes of evaluation Following an introduction in chapter 1 the nine chapters in Part I consider the purposes of evaluation Chapters 3 4 and 5 are concerned with the evaluation processes that determine selection into teaching preservice evaluation licensure and certification Chapters 6 7 and 8 focus on how evaluation may support the development of greater teaching competencies for beginning and veteran teachers Chapters 9 and 10 consider school accountability and school improvement Part II examines the various methods used to evaluate teachers along with their strengths and limitations as applied to the many purposes of evaluation Chapters 11 and 12 deal with two methods for evaluating inservice teachers classroom observations and ratings of classroom performance while chapter 13 deals with teacher self assessment Chapters 14 and 15 deal with less widely used methods the use of student test scores and the use of teacher portfolios Chapters 16 through 18 address the use of formal tests to evaluate teachers for licensure or certification and chapter 19 discusses combining evaluation data from multiple sources for decision making In Part III some of the system wide concerns that developers and users of evaluation plans must confront are discussed Chapters explore legal ethical administrative and economic aspects of teacher evaluation and ways to improve and support teacher evaluation The use of personnel standards to improve teacher evaluation is also discussed Each chapter contains references Contains six figures and four tables SLD

**Democratic Education** Amy Gutmann, 1999-03-29 A groundbreaking classic that lays out and defends a democratic theory of education Who should have the authority to shape the education of citizens in a democracy This is the central question posed by Amy Gutmann in the first book length study of the democratic theory of education The author tackles a wide range of issues from the democratic case against book banning to the role of teachers unions in

education as well as the vexed questions of public support for private schools and affirmative action in college admissions

**The End of Exceptionalism in American Education** Jeffrey R. Henig, 2013-01-01 Over the past fifty years the special status of education decision making has been eroded Once the province of local and state school boards decisions about schools and schooling have begun to emerge in every level and branch of government In *The End of Exceptionalism in American Education* Jeffrey R Henig traces the roots of this tectonic shift in school governance Carefully reasoned astutely observed and thoughtfully presented this volume promises to become a classic work in our understanding of education policy and an invaluable resource for those seeking to influence its future trajectory

**The New Federalism Goes to Court** David L. Kirp, 1983 *Imperfect Alternatives* Neil K. Komesar, 1994-11 Indeed as important as determining our social goals is deciding which institution is best equipped to implement them the market the political process or the adjudicative process

The Hastings Law Journal, 1999 *Courts and Kids* Michael A. Rebell, 2009-11-15 Over the past thirty five years federal courts have dramatically retreated from actively promoting school desegregation In the meantime state courts have taken up the mantle of promoting the vision of educational equity originally articulated in *Brown v Board of Education* *Courts and Kids* is the first detailed analysis of why the state courts have taken on this active role and how successful their efforts have been Since 1973 litigants have challenged the constitutionality of education finance systems in forty five states on the grounds that they deprive many poor and minority students of adequate access to a sound education While the plaintiffs have won in the majority of these cases the decisions are often branded judicial activism a stigma that has reduced their impact To counter the charge Michael A Rebell persuasively defends the courts authority and responsibility to pursue the goal of educational equity He envisions their ideal role as supervisory and in *Courts and Kids* he offers innovative recommendations on how the courts can collaborate with the executive and legislative branches to create a truly democratic educational system

Public Policymaking in India R. V. Vaidyanatha Ayyar, 2009 Public Policymaking in India integrates various elements of the policymaking process that have till date been dealt with separately These include interest group politics the role of the media judicial policymaking and policy entrepreneurship by civil society groups Policymaking is no longer a privileged activity of the government As the boundary between the government and the outside has become more porous the power of non state policy actors outside the government has increased enormously The author points to the ways in which the policymaker can cope with this brave new world of policymaking He also grounds the theory of policymaking in concrete examples of the Green Revolution economic reforms patent law amendments regulation of private educational institutions and laying down of standards for cola drinks thereby facilitating easy comprehension and retention of concepts
