Economic Development And Nigerian Foreign Policy

S Ben Porath

Economic Development And Nigerian Foreign Policy:

Economic Development and Nigerian Foreign Policy Kelechi Amihe Kalu, 2000 *Economic Development and Foreign Policy in Nigeria* Gabriel Olakunle Olusanya, Bassey E. Ate, Adebayo O. Olukoshi, 1988 *Nigerian Foreign Policy 60 Years After Independence* Usman A. Tar, Sharkdam Wapmuk, 2023-01-30 This book covers critical issues in Nigeria's external relations since 1960. As an independent nation, Nigeria has stood out as the most populous black country in the world and contributed immensely to the search for solutions to pressing international issues, notably in Africa affairs. Nigeria has also participated actively in global affairs and used the platform of international organisation to advance her national interests, cognisant also of its regional and global obligations and responsibilities. Contributors to this thought-provoking book make a strong case for Nigeria to press for a foreign policy that puts Nigerian people at the centre. One of the strong points also emanating from the contributors of this book is the imperative for Nigeria to address domestic challenges that continue to impinge on the country's external image. Foreign Policy Decision-making in Nigeria Ufot Inamete, 2001-05 This reality was a direct result of the nature of sociopolitical cleavages and forces and the functioning of the federal system of government during that period. The succeeding Ironsi Government was too brief and preoccupied with domestic crises to make significant impacts in the foreign policy arena. **BOOK JACKET** **Nigerian Foreign Policy** Timothy M. Shaw, Olajide Aluko, 1983-06-18 *Corruption and Nigerian Foreign Policy (1999 - 2007)* Jude Uddoh, 2016-01-15 Nigeria's foreign policy has always been predicated on the national interest, which is reducible to the security and welfare of its citizens. Nigeria's position in Africa, its teeming population and rich endowment of mineral resources, including oil, all contributed to the notion of Nigeria's manifest leadership in Africa and beyond. Through what became known as an Afrocentrist foreign policy, Nigeria championed the cause of liberating Africa from apartheid and colonial rule. Nigeria sent troops to peace missions in various conflict zones in Africa and other parts of the world and contributed financially and materially to the well-being of fellow Africans as well as Caribbean states. Nigeria thus earned for itself the image of a responsible and well-respected member of the international community. **Nigerian Foreign Policy under Military Rule, 1966-1999** Olayiwola Abegunrin, 2003-02-28 Abegunrin provides a significant and comprehensive examination of Nigerian foreign policy, 1966-1999, during the almost 33 years of military rule punctuated by the four-year civilian interregnum, 1979-1983. He analyzes what led to the military rule in 1966 and the foreign policy performance of each military regime that ruled the country since 1966. He also discusses extensively the economic dimension of the nation's foreign policy. He shows that the last 15 years, the period of Generals Babangida and Abacha, were the most corrupt and brutal that Nigeria had seen since independence. The mysterious sudden death of General Sani Abacha led to the appointment of General Abubakar who handed power over to an elected civilian government in May 1999, led by President Olusegun Obasanjo. Of particular interest to scholars, students and other researchers involved with African politics and foreign policy and the role of the military in political affairs. Policy

Dialogue: The economic dimension in Nigeria's foreign policy ,1997

Declining Hegemonical Foreign Policies of

Nigeria Sheriff F. Folarin,2024-05-02 This book examines Nigeria's declining political hegemony in Africa between 1985 and 2022 a period characterised by dramatic internal political social and economic downturns that negatively affected her image and international relations The study traces the country's shifting leadership and foreign policies through different eras Chapters analysing Nigerian foreign policy internal dynamics ideology her military and civilian rule and how these played out in Nigeria's regional influence paint a holistic politico historical portrait of a nation in hegemonic decline from 1989 continuing into the present day Deploying National Role Conception as an analytical tool to contextualise and dissect Nigerian foreign policy this book deepens our understanding of Nigerian international relations and challenges preconceptions as to how and through what lens foreign policies of declining states can and should be considered Through its approach the book offers scholars students researchers and policymakers fresh perspectives and tools for analysing foreign policies of states particularly Nigeria

Assessment of Democratic Trends in Nigeria Ilufoye S. Ogundiya,Akinpelu

Olanrewaju Olutayo,Jimoh Amzat,2011 Contributed articles *Nigeria-India Relations in a Changing World* Sharkdam Wapmuk,2021-08-27 Nigeria India Relations in a Changing World covers critical issues in the relations between these two countries in a single volume Even though the relationship between Nigeria and India is characterized by a sense of continuity changes in the world since the end of the Cold War have necessitated that the two countries recalibrate their foreign policies and adjust their domestic economies along with their approaches to governance Sharkdam Wapmuk provides an in depth examination of the contextual theoretical and historical foundations of Nigeria India relations He analyzes Nigerian and Indian economic relations and contemporary dynamics in strategic engagement between the two countries The book concludes with an exploration of the new normal for Nigeria India relations in the context of the COVID 19 pandemic and beyond

Problems and Prospects of Sustaining Democracy in Nigeria Bamidele A. Ojo,2001 The past few years have been very traumatic ones for many Nigerians With the exception of those in power or close to the seat of power the changes of 1998 were a welcome relief given the tyranny and repression that the country had suffered under General Abacha With many people in prison and more in exile the death of Abacha was received with a sigh of relief Many observers have seen the resilience that has come to signify the strength and potential of this once giant of Africa as well as the destruction and the socio political and economic decay of the past decades The Nigerian people have endured the exploitation of their rights due to the lack of democratic leadership and with this in mind they have been called to attention to fight for their country

Human Rights in Nigeria's External Relations Philip Aka,2016-12-20 This book is a broad ranging argument for thorough reforms at home and abroad in Nigeria as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Because of its enormous material and human endowments Nigeria is dubbed the Giant of Africa It is a moniker many of its leaders take seriously Yet Nigeria is a state rife with instability some of it

periodically erupting into violence Given still ongoing national security challenges in the land that notoriously includes a bloody religion oriented terrorism the Fourth Republic since 1999 the longest period of continuous democratic rule since independence key to the timeline of this book has not been insulated from the spell of instability The main argument of this work is that internationally agreed upon ethical standards embedded in human rights can save Nigeria This book is a methodologically and theoretically grounded seminal discourse on Nigerian foreign relations that spells out the human rights or lack thereof in those relations including underlying and impinging domestic forces This work is set around six issues of application embedded in a temple of Nigeria s human rights foreign policy comprising two steps and four pillars reconstructed national interest increased human rights at home redesigned peacekeeping reshaped foreign policy machinery increased bilateralism in foreign relations and the use of ECOWAS as human rights tool Although focused on the period since independence for proper understanding of events from the past that shape the current patterns of politics in the land this book also embodies a historical background chapter that overviews the pre colonial and colonial eras

The Report: Nigeria 2010 , *Culture, Politics, and Money Among the Yoruba* Akanmu Adebayo, 2018-02-06 This masterful book investigates and analyzes several aspects of money among the Yoruba of Nigeria Falola and Adebayo explore the origin philosophy uses politics and problems of acquiring and spending money in Yoruba culture No prior book exists on this aspect of a major ethnic group in Africa with established connections with the black Diaspora in North America and the Caribbean Conceived so that each chapter may be read individually the volume is divided into three parts Part 1 Money and Its Uses focuses on the transition from barter to cowry currency the idealistic and pragmatic views of money the impact of monetization on social stratification accumulation among members of the elite and the development of savings banking and credit institutions Part 2 Money and Its Problems investigates the social political and cultural problems of money including money lending theft counterfeiting and corruption Part 3 Money and Oil Economy assesses the impact of the oil industry on the Nigerian state and examines both the positive and negative effects of oil money on Yoruba economy society and spending Concluding chapters detail efforts to arrest the crisis that followed the economic slump after the oil boom and led to the adoption of the Structural Adjustment Program and also evaluate the effects of currency devaluation on personal and communal responsibilities and social payment Culture Politics and Money Among the Yoruba is timely in view of ongoing political and economic changes in Africa It will be of interest to economists sociologists and African studies specialists

The International Politics of the Nigerian Civil War, 1967-1970 John J. Stremlau, 2015-03-08 Biafra s declaration of independence on May 30 1967 precipitated a civil war with important implications for the territorial integrity of all newly independent African states Allegations of genocide commanded the world s attention and brought forth unprecedented humanitarian intervention This full account of the internationalization of that conflict draws on hitherto confidential records and more than two hundred interviews with foreign policymakers including Yakubu Gowon and C Odumegwu Ojukwu

Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Africa's International Relations in a Globalising World Usman A. Tar, Sharkdam Wapmuk, 2022-10-26 Since its emergence in 1960 as an independent state Nigeria has stood out as the most populous Black country in the world In Africa's International Relations in a Globalising World Perspectives on Nigerian Foreign Policy at Sixty and Beyond edited by Usman A Tar and Sharkdam Wapmuk contributors examine Nigeria's role within Africa as well as internationally This book shows how Nigeria has used the platforms of international organisations to advance its interests while fulfilling its regional and global obligations The contributors address areas such as Nigeria's economic development and policies Nigeria's relationship with other countries and the urgent challenge of countering terrorism in the context of ensuring sustainable development The COVID 19 pandemic brought to the fore the need for strong global relations and reminded humanity of the importance of multilateral solutions to global problems such as health The editors and contributors address essential questions such as how well has Nigerian foreign policy and its practice of diplomacy served national interest and what more needs to be done to assure of better results now and into the future

Think Tanks, Foreign Policy and the Emerging Powers James G. McGann, 2018-07-09 This book examines changing international dynamics through the lens of some of the leading think tanks from the emerging powers in the world Through twelve case studies the authors explore how security and international affairs think tanks in emerging powers collaborate with their policy makers to meet current and anticipate future foreign policy and security challenges Overall the book illustrates and analyzes how think tanks in a variety of political and economic contexts are able to contribute to their respective policy making processes Included in the discussions are the problems or successes that each respective nation's think tanks face where they feel the emerging nation will be positioned and where they are failing to meet the policy challenges they face The book provides a comprehensive look at successful foreign policy formulation to serve as examples for other think tanks in similar political and economic conditions

Africa in Global Politics in the Twenty-First Century Olayiwola Abegunrin, 2009-11-18 In the twenty first century Africa has become an important source of US energy imports and the world's natural resources It has also become the epicentre of the world's deadly health epidemic HIV AIDS and one of the battlegrounds in the fight against terrorism Africa is now a major player in global affairs

Human Rights in Nigeria's External Relations in the Age of General Muhammadu Buhari and His Successors Philip C. Aka, 2024-07-17 Under the Fourth Republic since 1999 the challenge Nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad Taking this proposition as starting point this book advances

proposals for a human right policy referred to alternately in the work as principled foreign policy for Nigeria under the Fourth Republic taking advantage of the inestimable opportunity afforded by General Muhammadu Buhari s departure from the political scene on May 29 2023 after the famine domestically and externally wrought by his two terms of office as President It is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Buhari s departure marks the end of military teleguidance of Nigerian politics under the Fourth Republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in January 1966 These momentous events within Nigeria coincide with equally epoch making developments in the UK Nigeria s former colonial overlord with ripple effects in Nigeria signified by the death of Queen Elizabeth II after seven decades on the throne and the emergence of Prince Charles as King of England A new monarch in Britain adds to the opportunity that falls open for the reconfiguration of Nigeria s external relations with ramifications for the application of human rights in those relations Despite its known disabilities Nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country s resources more wisely

Getting the books **Economic Development And Nigerian Foreign Policy** now is not type of challenging means. You could not on your own going like books addition or library or borrowing from your friends to approach them. This is an entirely easy means to specifically acquire lead by on-line.
