Repetto,1986-01-01 How to improve living standards and promote economic growth throughout the world while still maintaining our natural resources and environmental quality Bibliographie Internationale de Sociologie 1980 ,1982 Each Bibliography lists and annotates the most important works published during the year They are arranged by topic and indexed by author subject and geographic location **Bibliographie Mensuelle** United Nations Library (Geneva, Switzerland),1981 **The South, the North, and the Environment** Peter Calvert,Susan Calvert,1999-01-01 Six years after the Rio Summit the international politics of the environment have already become bogged down in a dispute between Southern and Northern states as to who if anyone is responsible for environmental degradation Meanwhile the scientific evidence continues to accumulate and shows that continuing and possibly irreversible changes are already well advanced The purpose of this book is to give a clear overview of the environmental politics of the South in each of the key problem areas drawing on first hand experience of five continents The conclusion reviews the overall situation discusses South North relations and examines both optimistic and pessimistic scenarios for the future Book jacket **National Agricultural Library Catalog** National Agricultural Library (U.S.),1980 **World Agricultural Economics and Rural Sociology Abstracts** ,1984 **Rockefeller** Jacob Nordangård,2024-04-02 Why would the first family of oil so ardently support environmental climate research and activism Join author and researcher Jacob Nordang rd as he uncovers the whole sordid truth The Rockefeller family is one of the richest in the world Yet why would the family that made the world dependent on oil fund environmental and climate research since the 1950s help shape climate policy measures since the 1980s and supported climate activism since the 1990s Rockefeller Controlling the Game is the thrilling and paradoxical story of one of the world s most influential global players Through its top position in American business close contacts with the White House and with their immense financial power as one of the world s leading private research funders the Rockefellers have been able to anchor the climate issue both scientifically and politically Yet what is the reasoning behind doing so Author and researcher Jacob Nordang rd follows the family from the founding of Standard Oil and the Rockefeller Foundation up through the aftermath of the Paris Agreement with the declaration of the Fourth Industrial Revolution in January 2016 to the present day Nordang rd s in depth research

includes the large quantities of new material recently made available on the Internet as well as the Rockefeller Foundation's own annual reports Nordang's main focus is the Rockefeller family's involvement in climate research and politics but the actions and motives of some of their allies are also explored as well as the family's influence on the development of modern medicine family planning agriculture art architecture behavioral science information technology and politics The Rockefeller family's utopian dream of a perfect world will have serious consequences for the survival of the human species and life as we know it The Rockefeller Foundation's stated mission to promote the well being of humanity throughout the world has a dark flipside as Nordang will prove the Rockefeller family's long standing battle against climate change contains elements of sophisticated propaganda techniques futurism and New Age philosophy aiming at a complete transformation of the whole earth system including economy ecology culture and even humanity itself

Global Human Resource Development Thomas N. Garavan, Alma M. McCarthy, Michael J. Morley, 2016-02-05 Drawing on contributions from leading academics in the field this volume within the Routledge Series in Human Resource Development specifically focuses on Global Human Resource Development HRD Specifically the volume provides an overview of 17 regions 85 countries and includes one emerging market grouping CIVETS This book examines the role of the state in HRD the relationship between HRD and the level of economic development in the country or region the influence of foreign direct investment within the country or region and firm level HRD practices within countries or regions Global Human Resource Development analyzes HRD from institutional and cross cultural perspectives making it possible for the first time to analyze trends across countries and regions and to draw conclusions about the value of institutional and cross cultural perspectives in the HRD context There is currently no book on the market that conceptualizes the discipline of global HRD in this way making this a definitive book on HRD across the globe of particular interest to researchers and reflective practitioners

Paths to International Political Economy (Routledge Revivals) Susan Strange, 2010-02-25 The problems of a troubled world economy and the essentially political issues of how it should be managed make up the stuff of international political economy The overwhelming importance of these questions has drawn ever increasing numbers of students and teachers in universities colleges and schools to study the subject There are many paths into international political economy for them to follow and this volume originally published in 1984 discusses most of them The collection as a whole demonstrates that the field should be seen as the exclusive preserve of neither the economists nor the political scientists On the contrary there is much to learn from specialists and practical people in government and business with a variety of backgrounds A rich selection is therefore offered including history population studies money trade technology and law from which the reader can pick and choose at will The contributions point to the landmarks of the subject and provide useful tips on the best books to read and the most interesting ideas to look out for

Economic Woman Frances Raday, 2019-05-14 The author introduces the concept of economic woman and makes her

visible in duality with and opposition to the exclusive model of economic man Economic man has epitomized neo liberal capitalism which embraces competition and maximization of profit resulting in a steep increase in economic inequality The book demonstrates that women s inequality is a crucial factor in economic inequality which cannot be fully understood without relating to women s situation and that economic woman cannot thrive in the conditions of economic inequality created under global neo liberalism Emphasising the international human rights guarantees of women s right to equality in all fields of life the author documents woman s increased participation in political public financial and corporate institutions employment and entrepreneurship with some women reaching high profile positions Nevertheless using global data she reveals that economic woman lags behind with a severe economic power deficit an unfulfilled promise of equal employment opportunity a gendered impact of poverty and barriers to gender equality in the family The book analyses the trap of women s increased burden of breadwinning in the context of discriminatory laws and practices infrastructural failures and policy gaps which preempt achievement of gender equality in economic life The book is intended for the general reader academics students policy makers and NGOs It shows economic woman at a global crossroads between a universal paradigm of gender equality and pervasive barriers to equal economic opportunity The author demonstrates that tackling gender inequality restoring welfare priorities and reducing economic inequality are inextricably linked Human rights and governments have a vital role to play in addressing them all to create a sustainable economic infrastructure for the lives of women and men
