Economic Prophecies Br Shenoy:

Toward a Free Economy Aditya Balasubramanian, 2023-07-18 The unknown history of economic conservatism in India after independence Neoliberalism is routinely characterized as an antidemocratic expert driven project aimed at insulating markets from politics devised in the North Atlantic and projected on the rest of the world Revising this understanding *Toward a Free Economy* shows how economic conservatism emerged and was disseminated in a postcolonial society consistent with the logic of democracy Twelve years after the British left India a Swatantra Freedom Party came to life It encouraged Indians to break with the Indian National Congress Party which spearheaded the anticolonial nationalist movement and now dominated Indian democracy Rejecting Congress's heavy industrial developmental state and the accompanying rhetoric of socialism Swatantra promised free economy through its project of opposition politics As it circulated across various genres free economy took on meanings that varied by region and language caste and class and won diverse advocates These articulations informed by but distinct from neoliberalism came chiefly from communities in southern and western India as they embraced new forms of entrepreneurial activity At their core they connoted anticommunism unfettered private economic activity decentralized development and the defense of private property Opposition politics encompassed ideas and practice Swatantra's leaders imagined a conservative alternative to a progressive dominant party in a two party system They communicated ideas and mobilized people around such issues as inflation taxation and property And they made creative use of India's institutions to bring checks and balances to the political system Democracy's persistence in India is uncommon among postcolonial societies By excavating a perspective of how Indians made and understood their own democracy and economy Aditya Balasubramanian broadens our picture of neoliberalism democracy and the postcolonial world

Neoliberalism and Race Lars Cornelissen, 2025-10-14 Lars Cornelissen argues that the category of race constitutes an organizing principle of neoliberal ideology Using the methods of intellectual history and drawing on insights from critical race studies Cornelissen explores the various racial constructs that structure neoliberal ideology some of which are explicit while others are more coded Beginning in the interwar period and running through to recent developments *Neoliberalism and Race* shows that racial themes have always pervaded neoliberal thinking The book's key argument is that neoliberal thought is constitutively racialized its racial motifs cannot be extracted from neoliberalism without rendering it theoretically and politically incoherent The book aptly explores a wide variety of racial constructs through the structure of neoliberal ideology deconstructing the conceptualizations in the works of landmark thinkers such as Ludwig von Mises Friedrich Hayek Peter Bauer Thomas Sowell Charles Murray and others from the early twentieth century to the present In this original perhaps controversial critique Cornelissen asserts that neoliberal thinkers were not just the passive recipients of racial discourse but also directly impacted it

Morality of Markets Parth J. Shah, Parth Shah, 2004 This Book Addresses Critical Issues Ranging From The Underlying Ethics Of Voluntary Exchange Morality In The Commerce And The Corporation

The Immorality Of State Intervention And The Role Of Markets In The Teachings Of Major World Religions Contributions By Distinguished Economists Ethicists And Theologians Explore The Moral And Ethical Foundations Of The Free Market

Economic Prophecies Bellikoth Raghunath Shenoy, R. K. Amin, Parth Shah, 2004 Articles commenting on economic policies in India between 1961-1974 *Terracotta Reader* Parth Shah, Vidisha Maitra, 2005 This Anthology Of Readings On The Environment Compiled By Ccs Comes Amidst The Cacophany Of Gloom And Doom And Shrill Cries For Greater Control By The State The Study Calls For A More Reasoned Approach One That Is Informed By A Liberal Perspective Limit The Role Of The State And Enhance The Space For Civil Society And Markets *Market Civilizations* Quinn Slobodian, Dieter Plehwe, Esra Elif Nartok, Aditya Balasubramanian, Tobias Rupperecht, Isabella M. Weber, Antina von Schnitzler, Jeremy Walker, Paulo Chamon, Karin Fischer, Mila Jonjic, Nenad Pantelic, Lars Mjøsset, Reto Hofmann, Jimmy Casas Klausen, 2022-05-24 A deep investigation of neoliberalism's proselytizers in Eastern Europe and the Global South Where does free market ideology come from Recent work on the neoliberal intellectual movement around the Mont Pelerin Society has allowed for closer study of the relationship between ideas interests and institutions Yet even as this literature brought neoliberalism down to earth it tended to reproduce a European and American perspective on the world With the notable exception of Augusto Pinochet's Chile long seen as a laboratory of neoliberalism the new literature followed a story of diffusion as ideas migrated outward from the Global North Even in the most innovative work the cast of characters remains surprisingly limited clustering around famous intellectuals like Milton Friedman and Friedrich Hayek Market Civilizations redresses this absence by introducing a range of characters and voices active in the transnational neoliberal movement from the Global South and Eastern Europe This includes B. R. Shenoy an early member of the Mont Pelerin Society from India who has been canonized in some circles since the Singh reforms Manuel Ayau another MPS president and founder of the Marroqu n University an underappreciated Latin American node in the neoliberal network Chinese intellectuals who read Hayek and Mises through local circumstances and many others Seeing neoliberalism from beyond the industrial core helps us understand what made radical capitalism attractive to diverse populations and how often disruptive policy ideas went local *Law, Liberty, and Livelihood* Parth Shah, Naveen Mandava, 2005 This Study Goes Beyond Mere Macro Statistics And Statistical Controversies Regarding The Impact Of Liberalisation On The Poor And Endeavours To Further The Understanding Of The Processes And Dynamics Involved In Various Urban Livelihoods V.K.R.V. Rao and B.R. Shenoy Kamta Prasad, 2001 Contributed papers for presentation at 80th and 81st annual conferences of Indian Economic Association held in December 1997 and 1998 at Hyderabad and Bangalore respectively **Making Poor Nations Rich** Benjamin Powell, 2008 Making Poor Nations Rich illustrates the importance of institutions that support economic freedom and private property rights for promoting the form of productive entrepreneurship that leads to sustained increases in countries standard of living The Indian Economic Journal , 1998 **The Economic Sins of Nations** Om Prakash, 1978 **India After Gandhi: The History of the World's**

Largest Democracy Ramachandra Guha, 2017-07-13 Ramachandra Guha's *India after Gandhi* is a magisterial account of the pains struggles humiliations and glories of the world's largest and least likely democracy A riveting chronicle of the often brutal conflicts that have rocked a giant nation and of the extraordinary individuals and institutions who held it together it established itself as a classic when it was first published in 2007 In the last decade India has witnessed among other things two general elections the fall of the Congress and the rise of Narendra Modi a major anti corruption movement more violence against women Dalits and religious minorities a wave of prosperity for some but the persistence of poverty for others comparative peace in Nagaland but greater discontent in Kashmir than ever before This tenth anniversary edition updated and expanded brings the narrative up to the present Published to coincide with seventy years of the country's independence this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers
