Socio-Economic Perspectives on Consumer Engagement and Buying Behavior Kaufmann, Hans Ruediger, Panni, Mohammad Fateh Ali Khan, 2017-01-18 In modern business practices marketing dimensions are changing with new opportunities appearing in consumer behavioral contexts By studying consumer activities businesses can better engage and retain current and new customers Socio Economic Perspectives on Consumer Engagement and Buying Behavior is a comprehensive reference source on new innovative dimensions of consumer behavioral studies and reveals different conceptual and theoretical frameworks Featuring expansive coverage on a number of relevant topics and perspectives such as green products automotive technology and anti branding this book is ideally designed for students researchers and professionals seeking current research on the dimensions of consumer engagement and buying behavior

World Development Report 2009 World Bank, 2008-11-04 Rising densities of human settlements migration and transport to reduce distances to market and specialization and trade facilitated by fewer international divisions are central to economic development The transformations along these three dimensions density distance and division are most noticeable in North America Western Europe and Japan but countries in Asia and Eastern Europe are changing in ways similar in scope and speed World Development Report 2009 Reshaping Economic Geography concludes that these spatial transformations are essential and should be encouraged The conclusion is not without controversy Slum dwellers now number a billion but the rush to cities continues Globalization is believed to benefit many but not the billion people living in lagging areas of developing nations High poverty and mortality persist among the world s bottom billion while others grow wealthier and live longer lives Concern for these three billion often comes with the prescription that growth must be made spatially balanced The WDR has a different message economic growth is seldom balanced and efforts to spread it out prematurely will jeopardize progress The Report documents how production becomes more concentrated spatially as economies grow proposes economic integration as the principle for promoting successful spatial transformations revisits the debates on urbanization territorial development and regional integration and shows how today s developers can reshape economic geography

Global Health Kevin McCracken, David R. Phillips, 2017-07-14 Global Health continues to provide readers with a comprehensive up to date and thought provoking outline and understanding of the constantly evolving global health landscape In this new edition the authors have maintained the successful structure and organisation of the previous edition to examine and explain recent health changes and consider likely future patterns New or expanded topics covered include emerging and re emerging infectious disease threats increasing awareness of and interest in antimicrobial resistance and superbugs terrorism global conflict and health the new UN 2030 Agenda for Sustainable Development the drive for Universal Health Coverage UHC the use of information technology in global health substance abuse palliative and end of life care ethical issues in global health Using clear and original explanations of complex issues this text makes extensive use of boxed
