Edward's Dream, the Philosophy of a Humorist Wilhelm Busch, 1909      **Wittgenstein Reading** Sascha Bru, Wolfgang Huemer, Daniel Steuer, 2013-10-29 Wittgenstein's thought is reflected in his reading and reception of other authors Wittgenstein Reading approaches the moment of literature as a vehicle of self reflection for Wittgenstein What sounds on the surface like criticism e.g. of Shakespeare can equally be understood as a simple registration of Wittgenstein's own reaction hence a piece of self diagnosis or self analysis The book brings a representative sample of authors from Shakespeare Goethe or Dostoyevsky to some that have received far less attention in Wittgenstein scholarship like Kleist Lessing or Wilhelm Busch and Johann Nepomuk Nestroy Furthermore the volume offers means for the cultural contextualization of Wittgenstein's thoughts Unique to this book is its internal design The editors introduction sets the scene with regards to both biography and theory while each of the subsequent chapters takes a quotation from Wittgenstein on a particular author as its point of departure for developing a more specific theme relating to the writer in question This format serves to avoid the well trodden paths of discussions on the relationship between philosophy and literature allowing for unconventional observations to be made Furthermore the volume offers means for the cultural contextualization of Wittgenstein's thoughts      **The Philosophy of Form** Paul Carus, 1911      *Philosophy as a Science* Paul Carus, 1909      Edward's Dream, the Philosophy of a Humorist - Scholar's Choice Edition Paul Carus, Wilhelm Busch, 2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **A Classified List of the Books in the Library of the University Club of Chicago** Chicago (Ill.).
