Effective Advertising Understanding When How And Why Advertising Works:

Effective Advertising Gerard J. Tellis, 2003-11-20 Recently nominated one of five finalists selected for the 2005 Berry AMA Book Prize for best book in marketing Tellis has done a remarkable job He has brought together an amazingly diverse literature Unlike some other sources that claim to be able to measure the effects of advertising Tellis's thoroughness and ability to understand and convey results of various experiments and statistical analyses helps the reader to separate the wheat from the chaff Any student of advertising whether new to the field or a seasoned veteran executive or researcher should read this book Alan G Sawyer University of Florida Effective Advertising How When and Why Advertising Works reviews and summarizes an extensive body of research on advertising effectiveness In particular it summarizes what we know today on when how and why advertising works The primary focus of the book is on the instantaneous and carryover effects of advertising on consumer choice sales and market share In addition the book reviews research on the rich variety of ad appeals and suggests which appeals work and when how and why they work The first comprehensive book on advertising effectiveness Understanding Effective Advertising reviews over 50 years of research in the fields of advertising marketing consumer behavior and psychology It covers all aspects of advertising and its effect on sales including sales elasticity carryover effects content effects and effects of frequency Author Gerard J Tellis distills three decades of academic and professional experience into one volume that successfully dismisses many popular myths about advertising such as Advertising has a powerful influence on consumers and often generates consumer need The effects of advertising persist for decades If an ad fails initially repetition will ensure its ultimate success Ads need only one to three exposures to succeed Advertising by argument is the most effective method The best ads are unique and original Advertising is very profitable Tellis then provides alternatives and establishes the following truths about advertising Advertising is vitally important for free markets but its action is subtle and its discovery is fragile The effects of advertising are short lived If ads are not initially effective repetition will not make them more effective Scientific principles can show which ads work though firms often ignore advertising research and persist with ineffective ads Advertising by emotion may have the most effective appeal Templates can yield very effective ads Advertising is often unprofitable Effective Advertising will be an important addition to courses at the graduate or undergraduate level in advertising marketing communication and journalism It will also be an invaluable reference for professionals and researchers working in these fields Effective Advertising Gerard J. Tellis, 2003-11-20 Understanding Effective Advertising How When and Why Advertising Works reviews and summarizes an extensive body of research on advertising effectiveness In particular it summarizes what we know today on when how and why advertising works The primary focus of the book is on the instantaneous and carryover effects of advertising on consumer choice sales and market share In addition the book reviews research on the rich variety of ad appeals and suggests which appeals work and when how and why they work The first comprehensive book on advertising effectiveness

Understanding Effective Advertising reviews over 50 years of research in the fields of advertising marketing consumer behavior and psychology It covers all aspects of advertising and its effect on sales including sales elasticity carryover effects content effects and effects of frequency Author Gerard J Tellis distills three decades of academic and professional experience into one volume that successfully dismisses many popular myths about advertising **The SAGE Handbook of**

Advertising Gerard J Tellis, Tim Ambler, 2007-10-24 In this era of snackable content which satisfies only in the moment it is great to have a comprehensive Advertising Handbook which one can consult repeatedly The references are comprehensive and the Handbook opens up many key areas for practitioners Hamish Pringle Director General IPA Finally a Handbook of Advertising that brings the field up to date I am impressed with its comprehensive coverage of topics and the distinguished specialists who have shared their key findings with us Philip Kotler Kellogg School of Management When trying to make sense of the mystifying world of advertising academics and practitioners often seem to inhabit separate universes Not in this Handbook For once the best brains from each side genuinely collude with constructive results Wise agencies will read it before their clients do Sir Martin Sorrell CEO WPP This mighty tome brings together a vast range of views of advertising based on deep experience and scholarship For practitioners and academics alike it will be a voyage of discovery and enlightenment Lord Maurice Saatchi Chairman M C Saatchi This magnificent volume captures all we need to know about how advertising works and its context Baroness Peta Buscombe Director General Advertising Association London Advertising is a field that has attracted a great deal of academic attention but to date there has been no summarising of the state of the art of research This far reaching and scholarly Handbook is edited by two highly respected and trusted thinkers in the field and includes contributions from leading academics based in both the UK and the USA Tim Ambler and Gerald J Tellis archive their aim of setting advertising and the theory that underpins it in its historical and societal context show casing the most significant advertising research questions of our time and pointing readers in the direction of future avenues for fruitful investigation The SAGE Handbook of Advertising would be a welcome addition to any marketing academics bookshelf

The Psychology of Advertising Bob M. Fennis, Wolfgang Stroebe, 2010-07-12 Advertising is a ubiquitous and powerful force seducing us into buying wanted and sometimes unwanted products and services donating to charity even to causes we have not heard of before voting for political candidates even of questionable reputation and changing our health related lifestyles for better or worse The impact of advertising is often subtle and implicit but sometimes blatant and impossible to overlook This book discusses key topics from the fields of social and consumer psychology Important questions are addressed in the volume such as What impact does advertising have on consumer behaviour What causes this impact What are the psychological processes responsible for the effectiveness of advertising How do consumers make sense of advertising messages What messages get across and when and why This is the first book to offer a comprehensive and state of the art overview of the psychological findings on the impact of advertising and to discuss this research in the context of recent developments in the fields of social and consumer psychology It presents and discusses results of both classic and contemporary studies in an engaging style that avoids highly technical language The authors have included a glossary of frequently used concepts which assists student comprehension making it a unique and invaluable volume for advanced

undergraduate and graduate students as well as researchers and lecturers in social psychology marketing and communications It is also a useful resource for professionals working in advertising public health public services and political communication

Advertising in the Aging Society Florian Kohlbacher, Michael Prieler, 2016-04-08 Population aging is a powerful megatrend affecting many countries around the world This demographic shift has vast effects on societies economies and businesses and thus also for the advertising industry Advertising in the Aging Society presents insights from a large scale content analysis as well as questionnaire surveys among advertising practitioners and consumers in Japan As the most aged society in the world Japan lends itself as particularly suitable to study the implications of population aging This book shows that older people and especially older women are highly underrepresented in advertising and are generally portrayed in stereotypical albeit not necessarily unfavorable ways This is despite the fact that advertising practitioners have a generally positive view towards using older models even though only for an older target audience Finally the book explores how both younger and older consumers perceive the representation of older people in advertising as stereotypical and partly negative and are willing to boycott companies portraying older people negatively
