typically takes to book a series regular role on a Network television series 1 The Pre Read with the Casting Director 2 The Callback for Producers 3 Reading for Studio Executives Making A Test Option Deal 4 Testing at the Network PART THREE The New Normal of Auditioning has been added for this 2nd edition of The Audition Bible Self taped auditions had already begun to infiltrate the casting process pre pandemic however during the lockdown casting directors began asking actors to submit self tapes in lieu of coming in live to the audition room Zoom began being used to simulate the live audition experience for producers and directors and actors were required to carve out a designated audition spot in their homes complete with a camera and good lighting and sound if they wanted to stay in the game of auditioning This 2nd edition of The Audition Bible helps the actor demystify and conquer both the virtual and live audition process as we now find ourselves in a hybrid world
