Effective Groupwork An Introduction To Principle And Method

RJ Shavelson

Effective Groupwork An Introduction To Principle And Method:

Effective Groupwork Alan F. Klein, 1972 **Social Workers' Desk Reference** , 2015-04-20 People all over the world are confronted by issues such as poverty a lack of access to quality education unaffordable and or inadequate housing and a lack of needed health and mental services on a daily basis Due to these issues there is a need for social workers who have access to relevant and timely scholarly materials in order to meet the needs of those facing these issues The social psychological and biological factors resulting from these issues determine the level of a person s mental health at any given point in time and it is necessary for social workers to continue to evolve and develop to the new faces and challenges of the times in order to adequately understand the effects of these issues In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole With 159 chapters collaboratively written by luminaries in the profession this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work Each chapter is short and contains practical information in addition to websites and updated references Social work practitioners educators students and other allied professionals can utilize the Social Workers Desk Reference to gain interdisciplinary and interprofessional education practice and research **Groups That Work** Paul H. Ephross, Thomas V. Vassil, 2005-02-09 Social workers planners health professionals and human service administrators spend much of their time in meetings working in and with groups What meaning does participation in these groups have for members Some of the events that are most important for members of the various professions and those whom they serve take place within these groups Health and human services depend upon their working groups for their development and allocation of resources their standards of quality and the evaluation of their success or failure In short these groups are relied upon to come up with creative solutions to complex problems Despite the amount of time spent in meetings committees and so on very little has been written about the skills necessary for effective participation and leadership within working groups With that in mind Ephross and Vassil combine innovative group theory and practice in this how to guide for professionals who take a variety of roles within the group They draw on examples from social agencies a hospital a low income community and the boardroom providing practical principles for day to day group life based on a democratic model This revised edition also explores the changes that have taken place in the structure and operation of working groups in recent years and the heightened expectations for groups within large organizations Group Workers at Work Paul H. Glasser, Nazneen Sada Mayadas, 1986 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com Process and Action in Work with Groups Ken Heap, 2014-05-18 Process and Action in Work with Groups The Preconditions for Treatment and

Growth focuses on the development and dynamics of the work group method taking into consideration worker client relationships interchanges between clients and the role of social workers in the processes of support and control of the work group method The book first offers information on the use of the group process as well as resources and problems common to all social work methods and group process in social work The manuscript then reviews the social worker s role in the group work process and the proposed model of the social group work process The functions prior to first meeting and following group formation and elaboration of the proposed model are presented The text elaborates on the uses of action and case studies on group work with elderly clients and young people at risk Considerations include agency and its setting contents of meeting formation of the groups and diversity of group members The manuscript is a valuable reference for readers interested in the development and dynamics of the work group method Federal Probation ,1973

A Functional Approach to Group Work in Occupational Therapy Margot C. Howe, Sharan L. Schwartzberg, 2001 Presenting a group model in occupational therapy this resource correlates group work techniques with occupational therapy theory research and practice It provides intervention options for a wide range of disorders including developmental physical psychological social and environmental problems This text leads students through the logical progression of planning implementing and evaluating a functional group

Principles and Practice of Group Work in Addictions Robert Hill, Jennifer Harris, 2011-04-20 How can the group setting be used to treat those with drug and alcohol problems Many professionals working across a variety of addictions settings find themselves working in groups and tackling complex issues however there is often very little initial training or on the job support to help them in this challenging task Principles and Practice of Group Work in Addictions has been written with the aim of addressing the key areas in working with drug and alcohol misuse while providing practical solutions to the more common problems that emerge in group work Drawing on the expertise of clinicians who work in the field of addictions this book offers readers practical advice for everyday practice Divided into three sections it covers core group work in addictions practical issues and solutions to common problems specific issues within the field of addictions Principles and Practice of Group Work in Addictions is illustrated throughout with practical case examples providing the reader with an insight into group work in this area The book will supply guidance for mental health professionals including clinicians psychologists nurses and medical staff who encounter group work in addictions for the first time as well as providing further knowledge and support to those who already work in the field

Innovative Approaches to Teaching and Assessing Teamwork in Higher Education Cynthia G. Campbell, Iryna Babik, R. Eric Landrum, 2024-02-02 This guide will help

instructors better understand the skills that underlie effective teamwork offer strategies for structuring group projects and provide advice on imparting the knowledge and support that students need to develop highly functional advanced teamwork skills Even instructors with a great deal of experience in structuring collaborative learning projects may recognize the gap that exists between their current efforts in providing students with teamwork experiences and effectively training students teamwork skills By drawing on literature from the fields of organizational teamwork and teamwork pedagogy in higher education the authors identify the processes associated with effective teamwork relate these processes to teamwork in student teams and distill and organize strategies for developing students teamwork knowledge skills and attitudes Featuring evidence informed tools case studies and best practices this highly practical text provides everything higher education instructors need to target and advance their students teamwork competencies while maximizing the learning benefits of peer collaboration

Theory and Practice of Social Group Work in Indian Society Pallassana R. Balgopal, Suresh

Pathare, Meena M. Balgopal, 2024-10-26 This book describes relevant theories such as task centered and strength perspective interventions for the practice of social group work within contemporary India These two theories are complemented by additional theories including Gestalt Therapy Spirituality and Raja Yoga These theories fill the gap in the literature to indigenize social group work interventions The book is divided into four parts History of Social Group Work and Introduction in India The Indian Family Structural Properties of Group Work Using Case Studies in Social Group Work Education In addition there are two separate chapters on leadership leadership in social work groups and leader interventions relevant to Indian society At the end of each chapter a summary and applicable practice principles are presented It explicitly presents the value of short and task oriented group work It mobilizes the group members strengths to work through problems that Indian children parents working adults and the elderly experience The group process is presented with a focus on the present day Indian cultural context which is relevant for a range of practitioners in the helping professions This important book is a valuable resource for students and scholars of social work community practitioners voluntary organizations and social activists

Theory and Practice in Social Group Work Kenneth L. Chau, Marie Weil, Danna

Southerland, 2019-06-04 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work Theory and Practice in Social Group Work represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work practice The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice Some of the areas discussed include group work in medical and health settings group work with people undergoing life cycle transitions and group work interventions with vulnerable populations A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume Some specific examples discussed include group work interventions with persons affected by the

AIDS crisis and persons at high risk of contracting HIV a group model for the management of chronic pain group intervention services for the homeless mentally ill delivered through a mobile outreach team a bingo group in an SRO hotel group work with adults molested as children and a model of practice for work with minority populations and communities **Effective Group Work in Primary School Classrooms** Peter Kutnick, Peter Blatchford, 2013-06-22 This book offers a challenge to traditional approaches to classroom teaching and pedagogy The SPRinG Social Pedagogic Research into Groupwork project part of a larger research programme on teaching and learning funded by the Economic and Social Research Council ESRC was developed to enhance the learning potential of pupils working in classroom groups by actively involving teachers in a programme designed to raise levels of group work during typical classroom learning activities Internationally the SPRinG project is the largest evaluation of effective group working methods in comparison to traditional teaching with findings that show raised levels of pupil achievement and a doubling of sustained active engagement in learning The opening chapters present arguments regarding the relationship of social interaction and children's cognitive development and examine theories that explain why social interactional processes should be integrated into primary school pedagogic practices Next the book describes the conceptual and methodological basis for the SPRinG studies especially its focus on the relational approach the type of involvement of teachers and classroom planning Further chapters present key results and describe the background and methods used to establish SPRinG based effects on pupil progress in mathematics literacy and science including both macro and micro assessments how the SPRinG approach affected pupil pupil interactions and teacher pupil interactions as measured by systematic on the spot observations and analyses of videotapes of groups working on specially designed tasks work and effects on pupil self completed measures of motivation and attitudes to group work The book also analyses reflections of teachers who have worked with SPRinG moving from theory to practice as well as adding insights associated with implementing SPRinG principles in schools Drawing upon developmental psychological socialpsychological and classroom research it develops a new and ambitious social pedagogic approach to classroom learning with a stress on group work which will be of interest to researchers teachers and policy makers This book includes contributions from Andrew Tolmie and Ed Baines who were also involved in the ScotSPRinG and SPRinG projects Social Work Armando Morales, Bradford W. Sheafar, 1989
