**How to Build a Life-Changing Men's Ministry** Steve Sonderman,2010-03-01 The past few years have brought a God

sent explosion of opportunities for men to grow spiritually Large meetings weekend retreats urban and overseas mission projects lead men to want more What can men in a local church or fellowship do week in and week out to grow into what God wants them to be As one of only a handful of full time men s pastors across the country Steve Sonderman is on the leading edge of local church ministry to men How to Build A Life Changing Men s Ministry overviews the nuts and bolts of putting together a men s ministry that works It provides both inspiration and expert guidance for men who want to bring the fire home *The All Blokes Men's Ministry Manual for Effective Men's Ministry in Your Church* Michael Graham,Doug Johns,2005-01-01 *Numen, Old Men* Joseph Gelfer,2016-09-17 Since the early 1990s there have been various movements designed to encourage masculine spirituality All these movements share a concern that spirituality has become too feminine and that men s experiences of the spiritual are being marginalized The task of masculine spirituality is to promote authentic masculine characteristics within a spiritual context Numen Old Men examines these characteristics to argue that masculine spirituality is thinly veiled patriarchy The mythopoetic evangelical and Catholic men s movements are shown to promote a hetero patriarchal spirituality by appealing to either combative and oppressive neo Jungian archetypes or biblical models of man as the leader of the family Numen Old Men examines spiritualities that aim to honour and transcend both the masculine and feminine and offers gay spirituality as an example of masculine spirituality that resists patriarchy [Building a Ministry of Spiritual Mentoring](#) Jim Grassi,2014-04-01 There is nothing more fundamental to the Christian faith and to building godly men than discipleship In today s vernacular discipleship would best be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to men and the struggles they face today Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Men are desperate for meaningful relationships both with God and other men Building a Ministry of Spiritual Mentoring will help churches and ministry leaders create dynamic environments for men to experience real transformation and develop authentic Christian relationships This proven method will assist your church or group in effectively developing and deploying a ministry of spiritual mentoring Features include Metaphors anecdotes and practical applications Proven tools for developing a ministry around spiritual mentoring Discussion questions *The Map* David Murrow,2010-03-14 A map written in code and hidden in the gospel of Matthew reveals a truth so explosive it could rock the foundations of Christianity or lead to its rebirth A cleric appears out of the rain spattered darkness bearing a mysterious message A long lost map with the power to transform men is on the verge of being discovered Thrown headlong into a global chase author David Murrow must race to find the map before it falls into the wrong hands and disappears forever The Map which begins as an action thriller and then transitions into a modern day parable reveals the path every great man including Christ himself has walked In this dynamic follow up to the best selling Why Men Hate Going to Church Murrow cleverly

translates the masculine spiritual life into an actual ink on paper map Then he shows men where to find the map in the New Testament and how to walk its ancient paths today
