 Herr, 2007-04-13 This is an important historical period in which to develop communication models aimed at creating
 opportunities for citizens to find a voice for new experiences and social concerns Such basic social problems as inequality
 poverty and discrimination pose a constant challenge to policies that serve the health and income needs of children families
 people with disabilities and the elderly Important changes both in individual values and civic life are occurring in the United
 States and in many other nations Recent trends such as the globalization of commerce and consumer values the speed and
 personalization of communication technologies and an economic realignment of industrial and information based economies
 are often regarded as negative Yet there are many signs from the WTO experience in Seattle to the rise of global activism
 aimed at making biotechnology accountable that new forms of citizenship politics and public engagement are emerging The
 Encyclopedia of Activism and Social Justice presents a comprehensive overview of the field with topics of varying dimensions
 breadth and length This three volume Encyclopedia is designed for readers to understand the topics concepts and ideas that
 motivate and shape the fields of activism civil engagement and social justice and includes biographies of the major thinkers
 and leaders who have influenced and continue to influence the study of activism Key Features Offers multidisciplinary
 perspectives with contributions from the fields of education communication studies political science leadership studies social
 work social welfare environmental studies health care social psychology and sociology Provides an easily recognizable
 approach to topics ideas persons and concepts based on alphabetical and biographical listings in civil engagement social
 justice and activism Addresses both small scale social justice concepts and more large scale issues Includes biography pieces

Revolution and Culture Zenovia A. Sochor,2018-09-05 Zenovia A Sochor here assesses one of the most important debates within the Bolshevik leadership during the early years of Soviet power that between A A Bogdanov and V I Lenin Once comrades in arms Bogdanov and Lenin became political rivals prior to the October Revolution Their disagreements over political and cultural issues led to a split in the Bolshevik Party with Bogdanov spearheading the party s left wing faction and attracting a following of notable intellectuals Before Lenin died in 1924 however he had succeeded in shaping Soviet society according to his own vision and today Bolshevism is commonly identified with Leninism while Bogdanovism is little known Sochor provides the first full exposition in English of Bogdanov s views which she asserts must

be understood to appreciate the choices available and the paths not taken during the formative years of the Soviet regime
