Callahan,2010-11-16 Raymond Callahan s lively study exposes the alarming lengths to which school administrators went particularly in the period from 1910 to 1930 in sacrificing educational goals to the demands of business procedures He suggests that even today the question still asked is How can we operate our schools Society has not yet learned to ask How can we provide an excellent education for our children **The Argosy** ,1921 **Working Stiffs, Union Maids, Reds, and Riffraff** Tom Zaniello,2018-05-31 The revised and expanded edition of Working Stiffs Union Maids Reds and Riffraff offers 350 titles compared to the original edition s 150 The new book is global in scope with examples of labor films from around the world Viewers can turn to this comprehensive annotated guide for films about unions or labor organizations labor history working class life where an economic factor is significant political movements if they are tied closely to organized labor production or the struggle between labor and capital from a top down either entrepreneurial or managerial perspective Each entry includes a critical commentary production data cast list MPAA rating if any suggested related films annotated references to books and websites for further reading and information about availability of films for rental and or purchase This edition addresses both historical and contemporary films and features many more documentaries and hard to find information about agitprop and union financed films Working Stiffs Union Maids Reds and Riffraff An Expanded Guide to Films about Labor features fifty eight production stills and frame enlargements It also includes a greatly expanded Thematic Index of Films Two new sections will help the reader discover labor films in chronological order or by nationality or affiliation with certain cinematic movements To read Tom Zaniello s blog on the cinema of labor and globalization featuring even more reviews visit <http://tzaniello.wordpress.com> Praise for the earlier edition Zaniello has created a useful and far reaching guide with abundant information These are the sorts of films that prove what James Agee wrote in these pages nearly fifty years ago The only movies whose temper could possibly be described as heroic or tragic or both have been made by leftists The NationZaniello has done a monumental job identifying the films that should be included in this genre Working Stiffs Union Maids Reds and Riffraff is sorely needed and long overdue CineasteAn engaging and opinionated book Even though mining trucking Jimmy Hoffa and class warfare are the book s major themes what holds the project together is Zaniello s sense of fun and wit Zaniello is a better writer than most major film critics Village Voice Literary Supplement *The Municipal Review of Canada* ,1925 **Biennial Report of the Civil Service Commission of the State of Colorado to the Governor** Colorado. Civil Service Commission,1914 *The Efficiency Magazine* ,1914 **Institutionalizing Congress and the Presidency** Mordecai Lee,2006-09-19 With its creation of the U S Bureau of Efficiency in 1916 Congress sought to bring the principles of scientific management to the federal government Although this first staff agency in the executive branch lasted only a relatively short time it was the first central agency in the federal

government dedicated to improving the management of the executive branch Mordecai Lee offers both a chronological history of the agency and a thematic treatment of the structure staffing and work processes of the bureau its substantive activities and its effects on the development of both the executive and the legislative branches Charged with conducting management and policy analyses at the direction of the president this bureau presaged the emergence of the activist and modern executive branch The Bureau of Efficiency was also the first legislative branch agency ushering in the large administrative infrastructure that now supports the policy making and program oversight roles of Congress The Bureau of Efficiency's assistance to presidents foreshadowed the eventual change in the role of the president vis a vis Congress it helped upend the separation of powers doctrine by giving the modern executive the management tools for preeminence over the legislative branch

**Getting Started in Six Sigma** Michael C. Thomsett, 2018-04-03 The basics behind the Six Sigma quality control technique Six Sigma is designed to achieve excellence in customer service and measure deviation from the ideal It provides a process for placing value on the intangible nature of quality control The underlying theories of Six Sigma are highly technical and complex This book is a basic guide to those who are new to the concept and though this is a complex subject the concepts involved are not too complex for readers to grasp Getting Started in Six Sigma demonstrates how an employee or

supervisor can implement Six Sigma successfully without having to become technically familiar with process oriented models or statistical modeling

**The Mantra of Efficiency** Jennifer Karns Alexander, 2008-03-03 Winner 2010 Edelstein Prize Society for the History of Technology Efficiency associated with individual discipline superior management and increased profits or productivity often counts as one of the highest virtues in Western culture But what does it mean exactly to be efficient How did this concept evolve from a means for evaluating simple machines to the mantra of progress and a prerequisite for success In this provocative and ambitious study Jennifer Karns Alexander explores the growing power of efficiency in the post industrial West Examining the ways the concept has appeared in modern history from a benign measure of the thermal economy of a machine to its widespread application to personal behaviors like chewing habits spending choices and shop floor movements to its controversial use as a measure of the business success of American slavery she argues that beneath efficiency s seemingly endless variety lies a common theme the pursuit of mastery through techniques of surveillance discipline and control Six historical case studies two from Britain one each from France and Germany and two from the United States illustrate the concept s fascinating development and provide context for the meanings of and uses for efficiency today and in the future
