View of Ancient and Modern Egypt Michael

Russell, 1874 *Jewish and Greek Communities in Egypt* Najat Abdulhaq, 2016-02-18 In the years following Nasser's rise to power the demographic landscape and the economy of Egypt underwent a profound change Related to the migration of diverse communities that had a distinguished role in Egyptian economy from Egypt these shifts have mostly been discussed in the light of postcolonial studies and the nationalisation policies in the wider region Najat Abdulhaq focuses instead on the role that these minorities had in the economy of pre Nasser Egypt and by giving special attention to the Jewish and Greek communities residing in Egypt investigates the dynamics of minorities involved in entrepreneurship and business With rigorous analysis of the types of companies that were set up Abdulhaq draws out the changes which were occurring in the political and social sphere at the time This book whilst primarily focused on the economic activities of these two minority communities has implications for an understanding analysis of the political the juridical the intellectual and the cultural trends at the time It thus offers vital analysis for those examining the economic history of Egypt as well as the political and cultural transformations of the twentieth century in the region

Egyptian Ideas Of The Future Life E. A. Wallis

Budge, 2013-11-26 This book is intended to give the reader an account of the principal ideas and beliefs held by the ancient Egyptians concerning the resurrection and the future life which is derived wholly from native religious works The literature

of Egypt which deals with these subjects is large and as was to be expected the product of different periods which taken together cover several thousands of years and it is exceedingly difficult at times to reconcile the statements and beliefs of a writer of one period with those of a writer of another Up to the present no systematic account of the doctrine of the resurrection and of the future life has been discovered and there is no reason for hoping that such a thing will ever be found for the Egyptians do not appear to have thought that it was necessary to write a work of the kind This book sums up all thought beliefs and myths concerning future life in ancient Egypt *The Treasury of Ancient Egypt* Arthur Edward Pearse Brome Weigall,1912 This volume contains twelve chapters written at various times and in various places each dealing with some subject drawn from the great treasury of Ancient Egypt From the contents The Value Of Archaeology The Egyptian Empire The Necessity Of Archaeology To The Gaiety Of The World The Temperament Of The Ancient Egyptians The Misfortunes Of Wenamon *Major Companies of the Arab World* 1988 G.
