mummy case of Ret Seh What uncanny power created this lovely terrifying vision excerpt The mummy case was the finest  
thing of its sort that Hargraves ever had seen a magnificent thing marvelous with paint and gold It was a slender elaborate  
affair showing the figure of a woman a woman who must have been a ravishing beauty in life if the carved and painted face  
was even a passable likeness of the original whose body was supposedly within the case Moreover it was a strikingly lifelike  
face a face of perfect oval with a delicate cleft chin with beautifully rounded cheeks with broad low forehead crowned with  
masses of black hair with a thin straight nose that would have been imperious had it not been for the uptilted tip with arching  
brows over lustrous eyes that seemed even in painted form to gaze up at Hargraves with a questing ardent expression and  
with carmine lips parted in an alluring most provocative smile Actually looks as if she wanted to be kissed mused Hargraves  
as he stood off and admired the carved and painted figure Must have been a pretty thing if she looked like that Regular heart  
breaker back in days of the Pharaohs I expect And what a figure Might represent Pharaoh's daughter at the time she found  
little Moses      *London Clubs: Their History & Treasures* Ralph Nevill, 1911
