Egyptian Statues:

Ancient Egyptian Statues Simon Connor, 2022-09-27 A fascinating richly illustrated study of the role and significance of ancient statues in Egyptian history and belief Why do ancient Egyptian statues so often have their noses hands or genitals broken Although the Late Antiquity period appears to have been one of the major moments of large scale vandalism against pagan monuments various contexts bear witness to several phases of reuse modification or mutilation of statues throughout and after the pharaonic period Reasons for this range from a desire to erase the memory of specific rulers or individuals for ideological reasons to personal vengeance war tomb plundering and the avoidance of a curse or simply the reuse of material for construction or the need to ritually deactivate and bury old statues without the added motive of explicit hostility toward the subject in question Drawing on the latest scholarship and over 100 carefully selected illustrations *Ancient Egyptian Statues* proceeds from a general discussion of the production and meaning of sculptures and the mechanisms of their destruction to review the role of ancient statuary in Egyptian history and belief It then moves on to explore the various means of damage and their significance and the role of restoration and reuse Art historian Simon Connor offers an innovative and lucidly written reflection on beliefs and practices relating to statuary and images more broadly in ancient Egypt showing how statues were regarded as the active manifestations of the entities they represented and the ways in which they could endure many lives before being finally buried or forgotten

The Triumph and Trade of Egyptian Objects in Rome Stephanie Pearson, 2021-04-06 From gleaming hardstone statues to bright frescoes the unexpected and often spectacular Egyptian objects discovered in Roman Italy have long presented an interpretive challenge How they shaped and were shaped by religion politics and identity formation has now been well researched But one crucial function of these objects remains to be explored their role as precious goods in a collector s economy The Romans imported and recreated Egyptian goods in the most opulent materials available gold gems expensive wood ivory luxurious textiles and displayed them like true treasures This is due in part to the way Romans encountered these items as argued in this book first as dazzling spolia from the war against Cleopatra then as costly wares exchanged over the expanding Roman trade routes In this respect Romans treated Egyptian art surprisingly similarly to Greek art By examining the concrete mechanisms through which Egyptian objects were acquired and displayed in Rome this book offers a new understanding of this impressive material at the crossroads of Hellenistic Roman and Egyptian culture

Alexander the Great and Egypt Volker Grieb, Krzysztof Nawotka, Agnieszka Wojciechowska, 2014-09-01 This volume presents the papers of an interdisciplinary conference held in Wroclaw in 2011 dedicated to Alexander s expedition to Egypt as well as to his afterlife and legend tied to Egypt and Alexandria Regarding military aspects there are papers focusing on Egypt s strategic significance in 4th century Greek sources as well as on Alexander s conquest in comparison to earlier conquests of the land of the Nile Furthermore they re examine the chronology of Alexander s stay in Egypt and discuss the founding of Alexandria e g by linking it with 4th century urban developments in the Eastern Mediterranean Since Alexander s policy in Egypt is in large part reflected by hieroglyphic inscriptions and papyri other contributions focus on his legitimation as a pharaoh his royal title as well as on Egyptian temples renovated on his order Alexander s expedition to Egypt and the East was also a powerful stimulus for the development of science in antiquity which is covered by papers on the mystery of the flooding of the Nile and the spread of astrology His afterlife and legend is presented in this volume by a nuanced position of Alexander in Ptolemaic ideology and art while further papers scrutinize and dismantle modern scholarly myths of

Artifacts from Ancient Egypt Barbara Mendoza, 2017-10-05 Primary source documents and detailed entries reveal what ancient Egypt was like using the objects and artifacts of daily life from the period covering the Predynastic era through the Greco-Roman period 5000 BCE to 300 CE Historians have found that valuable knowledge about long ago civilizations can be derived from examining the simple routines of daily life This fascinating study presents a collection of everyday objects and artifacts from ancient Egypt shedding light on the social life and culture of ancient Egyptians The work starts with a popular notion of ancient Egyptian beauty and gradually moves on to address various aspects of life including home work communication and transition and afterlife Organized by topics the work contains the following sections beauty adornment and clothing household items furniture and games food and drink tools and weapons literacy and writing death and funerary equipment and religion ritual and magic Each object holds equal importance and dates from the Predynastic era to the Greco-Roman period of ancient Egypt 5000 BCE to 300 CE A special section provides guidance on evaluating objects and artifacts by asking questions Who created it Who used it What did it do what was its purpose When and where was it made Why was it made to help assess the historical context of the object

Attic Grave Reliefs that Represent Women in the Dress of Isis Elizabeth J. Walters, 1988 The author investigates the appearance of a fashion in clothing involving a knotted mantle worn across the chest on many Attic stelae of the Roman period She suggests that this style can be traced to Egyptian roots and might have been particularly associated with a cult of Isis popular among wealthy Athenians The book presents a catalogue of the 106 known Isis reliefs from Attica and a review of all forms of evidence for the cult

Mistress of the House, Mistress of Heaven Anne K. Capel, Glenn Markoe, 1996 The first of its kind exhibit cataloged here focuses on the women of Egypt from all levels of society in works compiled strictly from American collections by American curators Because the quantity of written records is limited though enormous in comparison to most early societies there is still much guesswork involved in determining the place women held in Egyptian society It is clear that unlike most ancient and not so ancient societies Egypt conferred on women the legal right to own property and to barter their own goods which means a larger record for current study The essays here are both erudite and fascinating to read the illustrations are clear and well presented in conjunction with the text 117 colour 112 b/w illustrations
