Perry decided it was too rainy to plow and went fishing That day George landed the largest largemouth ever recorded twenty  
two pounds four ounces The fish has inspired and frustrated hundreds of anglers for decades They ve dedicated their lives to  
the pursuit of Sowbelly a nearly mythical fish whose swinelike girth holds the key to their dreams From an L A cop who came  
within ounces of besting the record to an Alabaman who has lost his marriage and his daughter to this pursuit Burke takes  
readers along for the ride in this legendary race      **The Power of Israel in the United States** James Petras,2011-02-07  
This book is a chapter by chapter analysis and documentation of the power of Israel via the Israeli Jewish or Pro Zionist  
Lobby on US Middle East policy It raises serious questions as to the primary beneficiary of US policy and its destructive  
results for the United States The extraordinary extent of US political economic military and diplomatic support for the state  
of Israel is explored along with the means whereby such support is generated and consolidated Contending that Zionist  
power in America ensured unconditional US backing for Israeli colonization of Palestine and its massive uprooting of  
Palestinians it views the interests of Israel rather than those of Big Oil as the primary cause of the disastrous US wars  
against Iraq and threats of war against Iran and Syria It demonstrates and condemns US imitation of Israeli practice as it  
relates to conduct of the war on terrorism and torture It sheds light on the AIPAC spying scandal and other Israeli espionage  
against America the fraudulent and complicit role of America s academic terrorist experts in furthering criminal government  
policies and the orchestration of the Danish cartoons to foment antipathy between Muslims and the West It questions the  
inability in America to sustain or even formulate a discourse related to the subject of Israeli influence on the United States It  
calls for a review of American Mid East policy with a view to reclaiming US independence of action based upon enlightened  
self interest and progressive principles      *Congressional Record* ,1890
