El Rostro Materno De Dios:

El rostro materno de Dios Leonardo Boff,1981 **Teología feminista** Elina Vuola,2000 Esta investigación hace un examen crítico de los supuestos metodológicos de dos corrientes teológicas contemporáneas muy importantes La teología de la liberación y la teología feminista Se asume que por el hecho de que las dos tienen un método común es posible hablar de las dos conjuntamente El método de la teología de la liberación toma en cuenta a la praxis como su punto de partida y en la teología feminista comúnmente se la llama la experiencia de las mujeres **Trinidad y sociedad** José Mario Vázquez Carballo,2008 Leonardo Boff ha sabido iluminar el Misterio Trinitario desde perspectivas nuevas y originales Hace teología trinitaria en perspectiva social vivenciada y tematizada desde el contexto del Tercer Mundo y desde las claves epistemológicas de la Teología de la liberación J Mario Vázquez ha tenido el coraje de enfrentarse con la propuesta trinitaria de Boff Además en este libro hace una presentación del teólogo brasileño y del conjunto de su teología La biografía de Boff que aquí ofrece es sin duda la mejor hoy por hoy En cuanto al análisis y la valoración de la aportación trinitaria de Leonardo Boff el autor ha sabido captar bien la originalidad del teólogo brasileño Ha relacionado esa perspectiva con otras existentes en la producción teológica actual Y como no podía ser menos ha sabido valorarla desde una amplia comprensión de la historia teológica del Misterio Trinitario Quizás lo que más valorarán muchos lectores de la presente obra serán las referencias a las implicaciones pastorales del discurso trinitario boffiano Estamos pues ante una magnífica síntesis tanto de la persona y de la obra teológica como especialmente de la específica aportación trinitaria de Leonardo Boff *El Ave María* Leonardo Boff,1996-11 El Ave María constituye junto con el Padre Nuestro la principal oración de los cristianos Pero a fuerza de recitarla corremos el riesgo de hacerle perder su profundidad Leonardo Boff aprovecha los descubrimientos de la más reciente exégesis y las reflexiones modernas de la mariología para urdir un texto de fácil lectura y lleno de sugerencias para la anterior meditación Presenta el Ave María como una auténtica mina de incalculable riqueza pues en ella se encierran prácticamente todas las verdades marianas Es la primera vez que se comenta tan minuciosamente la teología y poéticamente el Ave María al tiempo que se esboza una teología de lo femenino intimamente relacionado con el Espíritu Santo que en el momento de la anunciación quiso pneumatizarse en la persona de una mujer María **Justification in a Post-Christian Society** Carl-Henric Grenholm,Goran Gunner,2015-03-26 Since the Reformation in the sixteenth century Lutheran traditions have impacted culture and politics in many societies At the same time Lutheran belief has had an effect on personal faith morality and ethics Modern society however is quite different from that at the time of the Reformation How should we evaluate Lutheran tradition in today's Western multicultural and post Christian society Is it possible to develop a Lutheran theological position that can be regarded as reasonable in a society that evidences a considerable weakening of the role of Christianity What are the challenges raised by cultural diversity for a Lutheran theology and ethics Is it possible to develop a Lutheran identity in a multicultural society and is there any fruitful Lutheran contribution to the coexistence of different religious and

non religious traditions in the future **Indecent Theology** Marcella Althaus-Reid, 2002-09-11 Indecent Theology brings liberation theology up to date by introducing the radical critical approaches of gender postcolonial and queer theory Grounded in actual examples from Latin America Marcella Althaus Reid's highly provocative but immaculately researched book reworks three distinct areas of theology sexual political and systematic It exposes the connections between theology sexuality and politics whilst initiating a dramatic sexual rereading of systematic theology Groundbreaking intriguing and scholarly Indecent Theology broadens the debate on sexuality and theology as never before **Huellas del espíritu en la**

Mujeres en la hora undécima Dolores Aleixandre, 1997-12-22 La marginación de las mujeres en la sociedad y en la Iglesia corre el peligro de convertirse en uno de esos temas que calificamos de tópicos y que no solemos considerar de suficiente relieve como para permitir que nos alcancen en ese nivel de conciencia en el que sentimos que algo nos concierne Y sin embargo es una cuestión que tiene que ver vitalmente con nosotros mujeres y hombres y que está afectando a la Iglesia en la raíz misma de su fidelidad al proyecto de inclusividad utópica de Jesús Pero para descubrirlo necesitamos desbloquear prejuicios dejar caer defensas reconocer equivocaciones remover costumbres prestarnos los ojos unos y otras para despertar a un asombro crítico que nos permita ver lo insostenible de una situación injusta y a una creatividad esperanzada que nos empuje más allá de lamentaciones e indignaciones a inventar los pasos gestos posturas y decisiones que esta hora undécima está exigiendo Que las mujeres no pueden seguir ignoradas y excluidas se hace cada vez más evidente y luchar por conseguirlo no
