Elder Brother:

The Elder Brother Morris A. Inch, 2005 *The Elder Brother* addresses the significant issue of anti-Semitism from a Christian perspective. Each of the book's chapters is based on a separate study that investigates the issues that obstruct interfaith dialogue. Initially, the book addresses the motif of the elder brother as a representative of the Jewish people. Then the parameters of the Christian faith are set forth in a direct manner. Also considered is the concept of a chosen people and the differences between normative Judaism and the fifth sect, a designation recalling the Christian Movement before it was associated primarily with Gentiles. It concludes with an account of the Holocaust, a brief epilogue, and a short appendix concerning the troubling question, Why the Jews.
