Eleanor Roosevelt's My Day Vol II The Postwar Years 1945-1952:

Eleanor Roosevelt's My Day: The post-war years, her acclaimed columns, 1945-1952 Eleanor Roosevelt, 1989 A selection of Mrs Roosevelt's newspaper columns that provides a look at her social and political life and a first hand look at the events that changed the world *The Wisdom of Eleanor Roosevelt* Donald Wigel, 2018-07-31 The men and women who shaped our world in their own words The Wisdom Library invites you on a journey through the lives and works of the world's greatest thinkers and leaders Compiled by scholars this series presents excerpts from the most important and revealing writings of the most remarkable minds of all time THE WISDOM OF ELEANOR ROOSEVELT We must join in an effort to use all knowledge for the good of all human beings When we do that we shall have nothing to fear John F Kennedy described Eleanor Roosevelt as one of the great ladies in the history of this country A role model for generations of women Mrs Roosevelt made an indelible mark as First Lady Although painfully shy she never hesitated to publicly champion the poor minorities women and other victims of discrimination She was among the twentieth century's most active civil rights pioneers compelling her husband to sign a series of Executive Orders barring discrimination in the administration of various New Deal projects and supporting desegregation of the armed forces Her groundbreaking column My Day ran in national newspapers for twenty six years During her tenure as U S delegate to the United Nations she was the principal author of the Universal Declaration of Human Rights She also maintained close friendships and correspondences with notable statespeople including her husband's successor Harry S Truman who declared her First Lady of the World With revealing excerpts from her letters and published work The Wisdom of Eleanor Roosevelt delves into the passions and concerns that drove this exceptional humanitarian Here is a fascinating and essential tribute to a woman ahead of her time whose actions truly conveyed her words The future belongs to those who believe in the beauty of their dreams Eleanor and Harry Eleanor Roosevelt, 2004 A New York Times Notable Book Eleanor and Harry sheds important light on the relationship between two giants of twentieth century American history While researching his previous book Harry and Ike Steve Neal came upon a trove of letters between President Harry S Truman and Eleanor Roosevelt that had never been published At the time they were written the former first lady was Truman's appointee to the UN delegation the highest ranking woman in his administration These letters collected in Eleanor and Harry reveal the extraordinary story of a deep often stormy and enduring friendship throughout one of the most important eras in American history Eleanor and Harry grew up in different worlds Truman who had spent much of his youth on a Missouri farm reflected the values and work ethic of rural America Eleanor born into New York society was a constant advocate of reform Despite their differences and sometimes opposing political traditions they maintained a warm and sympathetic correspondence after Truman took office and he designated Mrs Roosevelt the First Lady of the World In more than 250 letters readers will discover Eleanor and Harry's discussion of the beginning of the Cold War the rebuilding of postwar Europe the creation of the state of Israel and the start of the modern

civil rights movement Mrs Roosevelt pressed Truman to give women more influence in his administration and declined to endorse his renomination in 1948 but she supported his difficult decision to drop the atomic bomb his military intervention in Korea and his controversial firing of General Douglas MacArthur Though they disagreed on several occasions and Mrs Roosevelt often offered to resign from the UN delegation Truman valued her advice too much to allow her to quit They remained close friends until her death in 1962 Eleanor and Harry is an uncommonly personal look at some of the momentous events of the twentieth century and offers a rare intimate insight into the challenging and enriching friendship between two great Americans

No Ordinary Time Doris Kearns Goodwin, 2013-11-05 Examines the distinct leadership roles of Franklin and Eleanor Roosevelt during the war years and discusses the dynamics of their marriage ... **And the Pursuit**

of National Health Jaap Kooijman, 2023-10-09 Why is there no national health insurance in the United States of America This question became popular again when President Bill Clinton's Health Security Plan of 1993 proved to be a failure Throughout the twentieth century every attempt to enact a national health insurance program failed The majority of the working population is covered by private employer based health insurance the elderly and welfare poor by the government programs Medicare and Medicaid of 1965 while a growing number of Americans remain uninsured This study focuses on two important decisions that have shaped American health care policy the exclusion of national health insurance from the Social Security Act of 1935 and the shift of focus from a health insurance program for the working population to a hospital insurance program for the elderly and the welfare poor Based on presidential archives and the papers of social security policymakers this study examines the incremental strategy to achieve health insurance coverage for all Americans The result is a compelling history of political compromise that will be of interest to both the scholars of the welfare state and the scholars of American ideology and exceptionalism

My Day Eleanor Roosevelt, 1989 Eleanor Roosevelt's legendary diary to the nation *My Day* is collected here for the first time Her historic syndicated columns which appeared in newspapers across the country for twenty-six years were the perfect forum for the First Lady's shrewd wit and abundant compassion In this volume which spans the tumultuous time from 1936 through 1945 we get a fascinating glimpse into her social and political life as the wife of Franklin Delano Roosevelt and a first hand look through the eyes of a keen observer at the events that changed the world Witness the New Deal era when people lived on 5 per week tuition to college cost just 200 and people older than thirty-five were over the hill Share the White House gossip including stories about celebrated visitors such as Jean Harlow Madame Chiang Kai-shek Winston Churchill and the Duke and Duchess of Windsor Understand the reluctance of the country to go to war and witness the deprivation and despair it caused Follow the First Lady as she traverses the globe from Buckingham Palace to the graveyards of Guadalcanal And share her personal triumphs and tragedies her granddaughter's birth the wounding of her son in the Mediterranean and her grief over FDR's death These columns along with the brief historical preludes that enhance our understanding of the period offer us new insight into Eleanor Roosevelt a woman of true

moreal courage and imagination the First Lady of the World **A World Made New** Mary Ann Glendon,2002-06-11

Unafraid to speak her mind and famously tenacious in her convictions Eleanor Roosevelt was still mourning the death of FDR when she was asked by President Truman to lead a controversial commission under the auspices of the newly formed United Nations to forge the world s first international bill of rights A World Made New is the dramatic and inspiring story of the remarkable group of men and women from around the world who participated in this historic achievement and gave us the founding document of the modern human rights movement Spurred on by the horrors of the Second World War and working against the clock in the brief window of hope between the armistice and the Cold War they grappled together to articulate a new vision of the rights that every man and woman in every country around the world should share regardless of their culture or religion A landmark work of narrative history based in part on diaries and letters to which Mary Ann Glendon an award winning professor of law at Harvard University was given exclusive access A World Made New is the first book devoted to this crucial turning point in Eleanor Roosevelt s life and in world history Finalist for the Robert F Kennedy Book Award

Eleanor Roosevelt's My Day: First lady of the world, her acclaimed columns, 1953-1962 Eleanor Roosevelt,1989

Someone to Watch Over Me Eric Burns,2017-03-07 Eleanor Roosevelt is viewed as one of the most pioneering women in American history But she was also one of the most enigmatic and lonely Her loveless marriage with FDR was no secret and she had a cold relationship with most of her family as well from her distant mother to her public rivalry with her cousin Alice Yet she was a warm person beloved by friends and her humanitarian work still influences the world today But who shaped Eleanor It was the most unlikely of figures her father Elliott a lost spirit with a bittersweet story Elliott was the brother of Theodore Roosevelt and he was as winsome and charming as Theodore was blustery and competitive Though the two maintained a healthy rivalry in their youth Elliott would eventually succumb to alcoholism and would be exiled to the Virginia countryside But he kept up a close correspondence with his daughter Eleanor who treasured his letters and would read them nightly for her entire life for guidance inspiration and love As he did in the critically acclaimed The Golden Lad Eric Burns insightful and lucid prose reveals new facets to the lives of these pillars of American history

Far Out Mark Liechty,2017-02-21 Westerners have long imagined the Himalayas as the world s last untouched place and a repository of redemptive power and wisdom Beatniks hippie seekers spiritual tourists mountain climbers diverse groups of people have traveled there over the years searching for their own personal Shangri La In Far Out Mark Liechty traces the Western fantasies that captured the imagination of tourists in the decades after World War II asking how the idea of Nepal shaped the everyday cross cultural interactions that it made possible Emerging from centuries of political isolation but eager to engage the world Nepalis struggled to make sense of the hordes of exotic enthusiastic foreigners They quickly embraced the phenomenon however and harnessed it to their own ends by building tourists fantasies into their national image and crafting Nepal as a premier tourist destination Liechty describes three distinct phases the postwar era when the

country provided a Raj like throwback experience for rich Americans Nepal's emergence as an exotic outpost of hippie counterculture in the 1960s and its rebranding into a hip adventure destination which began in the 1970s and continues today He shows how Western projections of Nepal as an isolated place inspired creative enterprises and paradoxically allowed locals to participate in the global economy Based on twenty five years of research Far Out blends ethnographic analysis a lifelong passion for Nepal and a touch of humor to produce the first comprehensive history of what tourists looked for and found on the road to Kathmandu **Grandmère** David B. Roosevelt, Manuela Dunn-Mascetti, 2008-11-15 Until her death when he was 20 David B Roosevelt enjoyed a close relationship with his grandmother Eleanor Roosevelt Now David shares personal family stories and photographs that show Eleanor as she really was **Women Public Speakers in the United States, 1925-1993** Karlyn Kohrs Campbell, 1994-06-30 This volume the second of two companion biographical dictionaries provides extensive entries on 31 women orators active since 1925 It covers women with distinguished political careers such as Clare Boothe Luce Frances Perkins and Ann Willis Richards women with important scientific careers such as Rachel Carson and Helen Broinowski Caldicott and women with religious careers such as Dorothy Day and Pauli Murray It includes extraordinary women such as Helen Keller and Eleanor Roosevelt and women who have been active in the women's movement as well as those such as Phyllis Schlafly who have been actively anti feminist Each entry provides brief biographical information focuses on an analysis of the subject's rhetoric and concludes with information on sources

Eleanor Roosevelt Nancy J. Skarmeas, 1997 Here in her words and the words of those who knew her is a look at one of the great First Ladies of the 20th century who with her husband led the U S through a war championed the rights of the less fortunate and as a widow became her country's delegate to the newly formed United Nations **A Most Uncertain Crusade** Rowland Brucken, 2013-12-01 A Most Uncertain Crusade traces and analyzes the emergence of human rights as both an international concern and as a controversial domestic issue for US policy makers during and after World War II Rowland Brucken focuses on officials in the State Department at the United Nations and within certain domestic non governmental organizations and explains why after issuing wartime declarations that called for the definition and enforcement of international human rights standards the US government refused to ratify the first UN treaties that fulfilled those twin purposes The Truman and Eisenhower administrations worked to weaken the scope and enforcement mechanisms of early human rights agreements and gradually withdrew support for Senate ratification A small but influential group of isolationist oriented senators led by John Bricker R OH warned that the treaties would bring about socialism destroy white supremacy and eviscerate the Bill of Rights At the UN a growing bloc of developing nations demanded the inclusion of economic guarantees support for decolonization and strong enforcement measures all of which Washington opposed Prior to World War II international law considered the protection of individual rights to fall largely under the jurisdiction of national governments Alarmed by fascist tyranny and guided by a Wilsonian vision of global cooperation in pursuit of human rights

President Roosevelt issued the Four Freedoms and the Atlantic Charter Behind the scenes the State Department planners carefully considered how an international organization could best protect those guarantees Their work paid off at the 1945 San Francisco Conference which vested the UN with an unprecedented opportunity to define and protect the human rights of individuals After two years of negotiations the UN General Assembly unanimously approved its first human rights treaty the Genocide Convention The UN Commission on Human Rights UNCHR led by Eleanor Roosevelt drafted the nonbinding Universal Declaration of Human Rights in 1948 Subsequent efforts to craft an enforceable covenant of individual rights though bogged down quickly A deadlock occurred as western nations communist states and developing countries disagreed on the inclusion of economic and social guarantees the right of self determination and plans for implementation Meanwhile a coalition of groups within the United States doubted the wisdom of American accession to any human rights treaties Led by the American Bar Association and Senator Bricker opponents proclaimed that ratification would lead to a U N led tyrannical world socialistic government The backlash caused President Eisenhower to withdraw from the covenant drafting process Brucken shows how the American human rights policy had come full circle Eisenhower like Roosevelt issued statements that merely celebrated western values of freedom and democracy criticized human rights records of other countries while at the same time postponed efforts to have the UN codify and enforce a list of binding rights due in part to America s own human rights violations

A Companion to First Ladies Katherine A.S. Sibley, 2016-03-14 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady

Asian Perspectives on Animal Ethics Neil Dalal, Chloë Taylor, 2014-04-16 To date philosophical discussions of animal ethics and Critical Animal Studies have been dominated by Western perspectives and Western thinkers This book makes a novel contribution to animal ethics in showing the range and richness of ideas offered to these fields by diverse Asian traditions Asian Perspectives on Animal Ethics is the first of its kind to include the intersection of Asian and European traditions with respect to human and nonhuman relations Presenting a series of studies focusing on specific Asian traditions as well as studies that put those traditions in dialogue with Western thinkers this book looks at Asian philosophical doctrines concerning compassion and nonviolence as these apply to nonhuman animals as well as the moral rights and status of nonhuman animals in Asian traditions Using Asian perspectives to explore ontological ethical and political questions contributors analyze humanism and post humanism in Asian and comparative traditions and offer insight into the special ethical relations between humans and other particular species of

animals This book will be of interest to students and scholars of Asian religion and philosophy as well as to those interested in animal ethics and Critical Animal Studies

The Roosevelt Years Robert A. Garson, Stuart S. Kidd, 1999 The Roosevelt years brings together the work of leading experts in twentieth century American history It offers a collection of new and exciting essays on a key period covering the presidency of Franklin D Roosevelt during the Depression and the Second World War

The Publishers Weekly ,1990

Human Rights, Inc. Joseph R. Slaughter, 2009-08-25 In this timely study of the historical ideological and formal interdependencies of the novel and human rights Joseph Slaughter demonstrates that the twentieth century rise of world literature and international human rights law are related phenomena Slaughter argues that international law shares with the modern novel a particular conception of the human individual The Bildungsroman the novel of coming of age fills out this image offering a conceptual vocabulary a humanist social vision and a narrative grammar for what the Universal Declaration of Human Rights and early literary theorists both call the free and full development of the human personality Revising our received understanding of the relationship between law and literature Slaughter suggests that this narrative form has acted as a cultural surrogate for the weak executive authority of international law naturalizing the assumptions and conditions that make human rights appear commonsensical As a kind of novelistic correlative to human rights law the Bildungsroman has thus been doing some of the sociocultural work of enforcement that the law cannot do for itself This analysis of the cultural work of law and of the social work of literature challenges traditional Eurocentric histories of both international law and the dissemination of the novel Taking his point of departure in Goethe's Wilhelm Meister Slaughter focuses on recent postcolonial versions of the coming of age story to show how the promise of human rights becomes legible in narrative and how the novel and the law are complicit in contemporary projects of globalization in colonialism neoimperialism humanitarianism and the spread of multinational consumer capitalism Slaughter raises important practical and ethical questions that we must confront in advocating for human rights and reading world literature imperatives that today more than ever are intertwined
