Contemporary British Fiction James F. English,2008-04-15 A Concise Companion to Contemporary British Fiction offers an authoritative overview of contemporary British fiction in its social political and economic contexts Focuses on the fiction that has emerged since the late 1970s roughly since the start of the Thatcher era Comprises original essays from major scholars Topics range from the rise and fall of the postcolonial novel to controversies over the celebrity author The emphasis is on the whole fiction scene from bookstores and prizes to the changing economics of film adaptation Enables students to read contemporary works of British fiction with a much clearer sense of where they fit within British cultural life

Edinburgh Companion to Contemporary Scottish Literature Berthold Schoene,2007-04-11 The Edinburgh Companion to Contemporary Scottish Literature examines the ways in which the cultural and political role of Scottish writing has changed since the country's successful referendum on national self rule in 1997 In doing so it makes a convincing case for a distinctive post devolution Scottish criticism Introducing over forty original essays under four main headings Contexts Genres Authors and Topics the volume covers the entire spectrum of current interests and topical concerns in the field of Scottish studies and heralds a new era in Scottish writing literary criticism and cultural theory It records and critically outlines prominent literary trends and developments the specific political circumstances and aesthetic agendas that propel them as well as literature's capacity for envisioning new and alternative futures Issues under discussion include class sexuality and gender nationhood and globalisation the New Europe and cosmopolitan citizenship postcoloniality

Literature of Scotland Roderick Watson,2006-11-24 Critics hailed the first edition of *The Literature of Scotland* as one of the most comprehensive and fascinatingly readable accounts of Scottish literature in all three of the country's languages Gaelic Scots and English In this extensively revised and expanded new edition Roderick Watson traces the lives and works of Scottish writers in a beautiful and rugged country that has been divided by political and religious conflict but united too by a democratic and egalitarian ideal of nationhood *The Literature of Scotland The Twentieth Century* provides a comprehensive account of the richest ever period in Scottish literary history From *The House with the Green Shutters* to *Trainspotting* and far beyond this companion volume to *The Literature of Scotland The Middle Ages to the Nineteenth Century* gives a critical and historical context to the upsurge of writing in the languages of Scotland Roderick Watson covers a wide range of modern and contemporary Scottish authors including MacDiarmid MacLean Grassie Gibbon Gunn Robert Garioch Iain Crichton Smith Alasdair Gray Edwin Morgan James Kelman Irvine Welsh Alan Warner A L Kennedy Liz Lochhead John Burnside Jackie Kay

Kathleen Jamie and many many more Also featuring an extended list of Further Reading and a helpful chronological timeline this is an indispensable introduction to the great variety of Scottish writing which has emerged since the start of the twentieth century Getting Higher Andrew Greig, Rory Watson, 2011-05-23 Alongside the mountain poems from Men on Ice Order of the Day and Western Swing will be brand new material facsimiles of previously unpublished material including his first poem written in 1972 and illustrations and material from the National Library of Scotland archive A beautiful collector's item full of illustrations marginalia and notes Across the margins Glenda Norquay, Gerry Smyth, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license The concept of margins denotes geographical economic demographic cultural and political positioning in relation to a perceived centre This book aims to question the term marginal itself to hear the voices talking across borders and not only to or through an English centre The first part of the book examines debates on the political and poetic choice of language drawing attention to significant differences between the Irish and Scottish strategies It includes a discussion of the complicated dynamic of woman and nation by Aileen Christianson which explores the work of twentieth century Scottish and Irish women writers The book also explores masculinities in both English and Scottish writing from Berthold Schoene which deploys sexual difference as a means of testing postcolonial theorizing A different perspective on the notion of marginality is offered by addressing Englishness in relation to migrant writing in prose concerned with India and England after Independence The second part of the book focuses on a wide range of new poetry to question simplified margin centre relations It discusses a historicising perspective on the work of cultural studies and its responses to the relationship between ethnicity and second generation Irish musicians from Sean Campbell The comparison of contemporary Irish and Scottish fiction which identifies similarities and differences in recent developments is also considered In each instance the writers take on the task of examining and assessing points of connection and diversity across a particular body of work while moving away from contrasts which focus on an English norm Notional Identities Thomas Christie, 2014-07-18 Notional Identities takes up the challenge of engaging with the popular genres of speculative fiction and crime fiction by Scottish authors from the mid 1970s until the beginning of the twenty first century examining a variety of significant novels from across the decades in the light of wider considerations of ideology genre and national identity The book investigates the extent to which the national political and cultural climate of this tumultuous era informed the narrative form and social commentary of such works and considers the manner in which and the extent to which a specific and identifiably Scottish response to these ideological matters can be identified in popular prose fiction during the period under discussion Although Scottish literary fiction of recent decades has been studied in considerable depth Scottish popular genre literature has received markedly less critical scrutiny in comparison Notional Identities aims to help in redressing this balance examining popular Scottish texts of the stated period in order to reflect upon whether a significant relationship can be discerned between genre fiction and the mainstream of

Scottish literary writing and to consider the characteristics of the literary connections which exist between these different modes of writing
