of literature through a Christian framework in the works of C S Lewis and Alan Jacobs Harvey analyses the significance the Bible has had in shaping other literary works Drawing upon insights of theologians such as Karl Barth Henri de Lubac and Ellen F Davis Spiritual Reading suggests that a renewed understanding of faith is needed for the spiritual reading of Scripture Spiritual Reading is for the reader who wishes to gain a deeper understanding on how Scripture can better connect an individual to God The Place of God at the Bookends of the Bible David W. Larsen,2023-10-09 What if everything in the Bible has a larger outer context than is usually accounted for Missional and biblical theologies suggest that the Bible presents a grand story like a play with multiple acts The acts typically include creation fall redemption and finally restoration But what if the whole story itself occurs in another larger setting occurring within a mission running in the background throughout the whole Bible How might this aid our research reading and application And why is this being proposed now This book explores these questions The larger context is the production of the place of God a home and homeland wherein God with his people dwell on earth Since place is underdeveloped in biblical studies the book presents a new method for interpreting place Then the book lays out the case that a grand mission to produce the place of God becomes the outer context for the whole Bible Finally the book defends this proposal with an in depth placial commentary of the bookends of the Bible since these bookends provide keys to unlock this message thereby inviting further study on the rest of the Bible and on the implications for this transformative perspective **Anglo-Saxon England: Volume 28** Michael Lapidge,Malcolm Godden,Simon Keynes,2000-06-22 This volume is framed by articles that throw interesting light on the achievement and reputation of the greatest of Anglo Saxon kings Alfred **Reference Catalogue of Current Literature** ,1913 **The Reference Catalogue of Current Literature** ,1910 **Books Added** Chicago Public Library,1916 **Grasping God's Word, Fourth Edition** J.
