Cawley, 1959 Apart from the morality play Everyman this volume contains a selection of Biblical pageants some of which ultimately go back to the Latin liturgical drama of the medieval Church They are no less religious in origin and inspiration than the Church architecture painting and sculpture of the Middle Ages Most of them are Corpus Christi pageants of guild pageants i e short plays acted by the trade guilds as episodes of the whole Corpus Christi cycle They have been chosen for their intrinsic merit from the cycles of York Chester Wakefield Coventry and N town with the addition of a translation of the Cornish Death of Pilate to represent this unique branch of Celtic literature *Everyman and medieval miracle plays* Arthur C. Cawley, Everyman and Other Medieval Miracle and Morality Plays Anonymous, 2008-01-01 The medieval morality play which became popular in Europe during the 15th and 16th century is a allegorical drama in which personal attributes are personified and the moral of choosing good over evil is generally conveyed In this volume you will find one of the most famous examples of this genre in the play Everyman along with the following other plays The Deluge Abraham Melchisedec And Isaac The Wakefield Second Shepherds Play The Coventry Nativity Play The Wakefield Miracle Play Of The Crucifixion The Cornish Mystery Play Of The Three Maries The Mystery Of Mary Magdalene And The Apostles The Wakefield Pageant Of The Harrowing Of Hell and God s Promises **The New Cambridge Bibliography of English Literature: Volume 1, 600-1660** George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *"Everyman," with other interludes, including eight miracle plays* Various, 2022-09-15 Everyman among a collection of interludes that includes eight miracle plays stands as a paragon of medieval morality literature Written in the late 15th century this didactic

piece employs allegorical characters to navigate the moral complexities of life emphasizing themes of death accountability and the ephemeral nature of earthly pleasures The simplicity of its dialogue paired with poignant symbolism allows for accessible yet profound reflections on the human condition The interspersed miracle plays enliven this collection showcasing the theatrical tradition of medieval Europe where faith and morality intertwine seamlessly with entertainment The authorship of Everyman is attributed to various anonymous contributors typical of medieval literature which thrived in a collaborative artistic culture This era rich with burgeoning religious fervor and the burgeoning recognition of individualism likely influenced the intent behind the work The moral instruction offered in Everyman resonates with the societal shift towards personal accountability and introspection that characterized the late medieval period For readers interested in the historical foundations of drama and morality Everyman serves as a vital piece of literature that transcends its time Its enduring relevancy and clarity render it a compelling read offering insight into both the medieval psyche and universal human dilemmas
