Everymans Ark:

First & Second Chronicles- Everyman's Bible Commentary John Sailhamer,1983-03-15 To its own generation the book of Chronicles was a vivid reminder of hope in the faithfulness of God a reminder of the promise made both to the world and to the house of David of peace and prosperity to be fulfilled through the covenant people of God Structurally the book may be considered an exegetical summary of Old Testament history Not only does it recount the important events of God s dealing with Israel but it also explains the significance of those events to Israel s history **Everyman's Library** Ernest Rhys,1910 *Genesis- Everyman's Bible Commentary* Howard Vos,1999-08-09 Most of us are vitally interested in answers to the big questions of life Where did we come from Why are we here What is the nature of man How did we get here What is our future We consider any literature that deals with these questions relevant and timely Preeminent among literature about the big questions of life is the book of Genesis Genesis is known as the book of beginnings the book of firsts It tells of the beginning of the world by creation the beginning of mankind the beginning of sin in the race the beginning of salvation Dr Vos examines those and other beginnings in the book of Genesis He explores the stories in this book offering insightful and helpful comments and explanations that will aid you in comprehending the message and scope of Genesis As a book of beginnings Genesis is the seed plot and springboard for the concepts and history of the rest of the Old Testament Through this commentary you will have a basis for understanding history as it unfolds in the other Bible books **First & Second Samuel- Everyman's Bible Commentary** Carl Laney,1982-02-09 The books of Samuel focus on the lives of three men Samuel Saul and David They are first seen as individuals rising in their respective careers As time passes their lives more frequently interact and become intertwined with each other J Carl Laney covers these two books section by section often pausing to clear up a difficult passage that would mean trouble to the reader This volume is complete with many maps that prove to be an invaluable aid to the reader in helping him to plot out where the action of a particular chapter is taking place Dr Laney helps the reader to understand the anguish and agony David experienced as a result of the division of his household and the rebellion of his son Absalom We can see how Saul met his ultimate downfall as king because of his reliance upon outside sources for guidance instead of implicitly trusting in the Lord One also sees the godly Samuel who nevertheless was unable to keep his own household in order Contemporary lessons are plentiful in these two Bible books and available to those who take the time to study their truths **First & Second Kings- Everyman's Bible Commentary** Robert Hubbard,1991-09-09 By the waters of Babylon in the sixth century B C the Jewish people felt like permanent refugees in a foreign land Israel had undergone captivity once before in Egypt This time the people were in exile because of disobedience The books of 1 and 2 Kings were meant as an antidote for the sorrow of heart that afflicted their souls Robert L Hubbard Jr guides you through the maze of kings and empires prophets and priests that are the subjects of those two Old Testament historical books In those books Hubbard says are peaks of unbelievable glory and valleys of unforgettable despair His study

of 1 and 2 Kings and of the chaotic time chronicled in those books is written in a comfortable style but with scholarly care Hubbard applies to our lives today the lessons learned through years of pain Scholar and layman alike will appreciate the combination of readability and scholarly investigation that marks this book

First & Second Peter- Everyman's Bible Commentary Louis Barbieri, 2003-08-01 Designed for lay people the Everyman's Bible Commentary Series deals seriously with biblical texts without being overly technical In First Second Peter Louis Barbieri takes these books passage by passage providing background and scholarly interpretation First Peter is a practical book about the Christian's behavior before God the world and fellow believers Second Peter discusses the characteristics of the believer and warns against false teachers and doctrines that creep into the church

Joshua- Everyman's Bible Commentary Irving L. Jensen, 1966-06-01 This practical analysis of Joshua provides an accurate concise commentary on Israel's conquest of the Promised Land Also a helpful parallel is drawn between the events under Joshua's leadership and the principles of Christianity outlined in the New Testament Written in a simple non technical style this articulate commentary includes maps charts outlines footnotes and a valuable bibliography This is an extremely helpful book that aids in understanding of the entire book of Joshua and its spiritual application to faith today

Hebrews- Everyman's Bible Commentary Charles Pfeiffer, 1962-06-01 The emphasis of Hebrews was born out of the concern of the writer for those who had been true to Christ in the past but who were now wavering Signs of defection from the faith brought both a warning against apostasy and a fervent exhortation to press onward to spiritual maturity The epistle argues that the death of Christ renders obsolete the Old Testament sacrificial system and presupposes thorough familiarity with that system by those to whom the epistle is addressed This strong appeal to the Old Testament Scriptures opens up new avenues of thought for appreciation for the unity of the two Testaments Dr Pfeiffer's helpful commentary on this profound New Testament book systematically covers each passage while singling out difficult phrases and verses for special attention This Everyman's Bible Commentary is based upon the scriptural text as found in the King James Version
