Jude- Everyman's Bible Commentary S Maxwell Coder,1967-06-01 Rich in content and replete with warnings concerning the last days this epistle of only twenty five verses has often been neglected by students of God s Word Jude The Acts of the Apostles is a scholarly practical exposition of this short but important New Testament book The early development of a logical structural outline brings out Jude s inherent organization and progression of thought Frequent reference is made to other outstanding commentaries and difficult passages are clearly discussed Jude The Acts of the Apostles is a versatile commentary worthy of study by either the well trained pastor or the inquiring layman Numbers- Everyman's Bible Commentary Irving Jensen,1964-06-01 This passage by passage commentary incorporates charts and a simple outline in its exposition of an important Old Testament book The events of Numbers form the story of the Israelites traveling from Mount Sinai to the border of the Promised Land Sometimes called the book of journeyings or the book of murmurings Numbers contains many significant lessons for God s people today Dr Jensen points out many pertinent applications of these lessons in this study as well as explaining the history of the Israelites Its arrangement is commendable it could serve as a marvelous guide for home study of the Bible or for group study The outline before each section is well chosen and interwoven in the body of the material Derward W Deere Golden Gate Baptist Theological Seminary *Romans- Everyman's Bible*

Commentary Alan Johnson,2000-04-01 The book of Romans is one of the best loved books in the entire Bible Paul s explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians Further the acknowledgment that we are not under law but under grace has given Christians freedom from the bondage of legalism for centuries However Romans is a complex book filled with difficult theology To make this revolutionary book more accessible to the common man Alan Johnson has written Everyman s Bible Commentary on Romans The original two volumes are now combined into one complete volume The commentary is also updated expanded and revised The easy style and careful presentation make this an excellent commentary for laymen and pastors alike Study Paul s discussion of the believer s new life in Christ with their release from sin and death and the faithfulness of God Be encouraged and strengthened with a more in depth understanding of your position before Christ with this commentary on Romans **Proverbs- Everyman's Bible**

Commentary Irving Jensen,1982-10-06 To think that the same God who spoke worlds into being who wrought redemption when man had fallen who shall bring in a new heaven and a new earth should stoop to give instruction for the very details of His creatures lives The Proverbs are as important as they are practical You are likely acquainted with the Proverbs but Irving L Jensen will help you study the entire text In this popular level commentary the well known Dr Jensen places the book of Proverbs in its historical setting and background and traces its development through exposition and accompanying charts

Job- Everyman's Bible Commentary Roy Zuck,1978-06-01 Unfathomable loss Unmerited suffering Why is this happening to me For centuries people have tried to understand the reasons for suffering and grief When we cannot connect our woes to wrongs we have done we conclude that our suffering is undeserved and unfair Like Job we struggle to understand our pain The universality of suffering makes the book of Job appealing but the treatment of that theme often makes the book difficult to comprehend Nonetheless this section of Scripture offers powerful lessons for your life Dr Roy Zuck directs his commentary toward the layman His clear organized insights can reveal important truths for the struggling Christian The uncomplicated outlined content is suitable for both individual and group study You can learn from Job s suffering as well as from your own **Zechariah- Everyman's Bible Commentary**

Carl Laney,1984-08-05 Zechariah written to encourage the remnant of Israel struggling to follow the Lord looks ahead to the eventual triumph of God s people and the coming of the Messiah It contains many prophecies about Messiah His life on earth His millennial reign and the salvation He would bring so many in fact that it has been called the Revelation of the Old Testament In this easy to read easy to use commentary J Carl Laney takes you through these prophecies carefully giving you guidelines for interpreting apocalyptic literature and enriching your understanding of the times in which Zechariah lived With this Everyman s Bible Commentary as your guide you can discover rich truths about the Lord Jesus Christ found in the minor prophets Use it in your personal study or as the basis of group or Sunday school study **Colossians- Everyman's Bible Commentary** Everett Harrison,1971-06-01 The epistle of Paul to the Colossian church was primarily intended to answer the heresies of that day

but as Dr Harrison points out in the process of meeting error the apostle was led to give us deep insights into the person and work of our Savior Dr Harrison considers historical setting and authorship then following the progression of the epistle moves on to examine Christ in creation and redemption and the ministry of Paul and the Colossian church contrasting the poison of false teaching with positive fruits of living in Christ Psalms Volume 1- Everyman's Bible Commentary Robert Alden,1958-06-01 Combining in a most helpful presentation both scholarly exegesis and practical application this commentary discusses the meaning of the first fifty psalms The Psalms served as the hymnbook of ancient Israel and expressed their deepest emotion and reverence toward God so they are particularly well suited for devotional study Dr Alden says Here more than any other place in the Bible the heartthrob of the saint is heard Here are the most exalted expressions of God s greatness here are the most bitter groans of the sinful and the sick Here is something for everyone in every mood Each psalm is examined and discussed individually in sequence The meaning of each psalm is carefully explained and an outline provided An introductory section deals with the psalter as a whole and the questions of date and authorship With all the helpful features utilized in the other Everyman s Bible Commentaries this is an ideal book for personal or group study whether in a classroom or at home **The Magician of Time** Thomas Neil Neubert,2009-06
